

MEMORANDUM

TO: Ministers, Congregational Presidents, Administrators
FROM: Kay Montgomery, Executive Vice President
DATE: October 2008
RE: UUA 2009 Directory

The Unitarian Universalist Association Directory is published annually as a resource of addresses and other data for our member congregations. The information is gathered using data from our files and from questionnaires mailed to each Unitarian Universalist congregation.

This is to let you know that the 2009 Directory will differ from past Directories in that certain sections (related organizations, scholarships and awards, bylaws and rules) have been omitted with the understanding that they are available on our web site and, if requested, can be sent by hard copy by contacting Nancy Lawrence in the Office of the Executive Vice President at 617 / 948-4303 or nlawrence@uua.org. The reasons for this change are three-fold:

- Environmental (reduction in paper usage)
- Timeliness (much of the material in each Directory changes as soon as it is published)
- Cost (reduction in paper, printing and mailing costs).

Check out the new Directory when you receive it. It will continue to contain information about our volunteer structure, staff, congregations and religious professionals. If you want to comment on the changes, please contact me directly:

Kay Montgomery
Executive Vice President
Unitarian Universalist Association
