

Conference Call notes: March 1, 2006

Laurel Amabile, Dick Jacke, Barb Brown

- 1) [email@uua.org](mailto:email@uua.org) routing alias down sides: a bit extra spam that may come through;
- 2) To review the 550+ Congregation strategy I was asked to draft in January (see attached summary)—imaging with strategy—contacts made by Bill, Beth, Kay, Laurel, etc—to visit. Discussed working with cmte members for best contacts. Strategy: contact APF Chair and DE to make sure their plans don't cross purpose with theirs.
- 3) To go over any planning or logistical needs for the March meeting.
- 4) GA booth staffing.
- 5) General updates and information sharing.
