please make sure each person's folder also includes a copy of their annual report. A copy of all annual reports should be in both Barb's and Laurel's folders) We each need one dot to vote. Please put a copy of our committee vision, mission and ministry statement for each person (attending or not—let's mail info to those who do not attend.) Let's also get their group identification on the front or on their name tag—more after the conference call.)
