### Love & Death

*My Journey through the Valley of the Shadow*

**Forrest Church**

paperback / 978-0-8070-7297-4 / \$15.00

audio / 978-0-8070-7295-0 / \$29.95

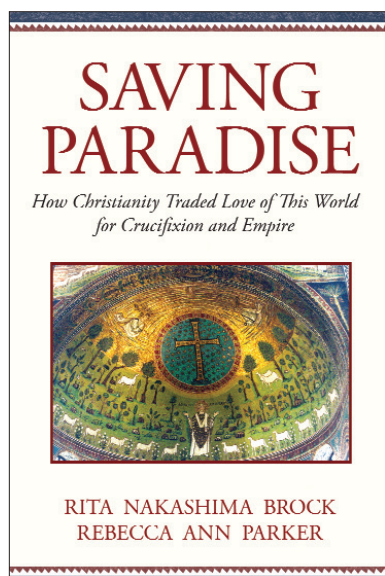

“[Church] has given us . . . a treatise on life’s meaning revealed in the face of his own impending death. The book is consummate with the man: witty, eloquent, gracious, with not a touch of the maudlin. Once again, Forrest teaches us how most passionately to live.”

—Reverend William F. Schulz, president of the UUA, 1985–1993

“I read *Love & Death* as soon as it came out. The greatest gift I could give every one of you is to just tell you to go read this book.”

—President Bill Clinton

A study guide to help congregations use this book in their own explorations of love, life, and death is now available at [www.beacon.org](http://www.beacon.org).

### Saving Paradise

*How Christianity Traded Love of This World for Crucifixion and Empire*

**Rita Nakashima Brock and Rebecca Ann Parker**

paperback / 978-0-8070-6754-3 / \$26.00

“As a work of Christian historical theology, this is one of the most important books of the current generation. It does what a great theologian once called ‘epochal thinking’ about how Christianity must, in an era of environmental crisis and religious conflict, recover the theological sensibility that marked the first thousand years of Christian faith. . . . The prose here is sparkling. The research is thorough and well-documented. . . . They give us hope through their active nostalgia for a once dominant form of Christian thought and practice that we desperately need to recover today.”

—Reverend John A. Buehrens, president of the UUA, 1993–2001
