### Grant Application Deadlines

The Office of Young Adult Ministries offers a number of grants for local congregations and groups. We are always seeking to fund innovative, accountable, and sustainable young adult programs around the continent.

Grant applications received by the following deadlines will be given first priority for review. Grant applications received after the deadline will still be reviewed, but with lower priority for the available funding. While we encourage applications by the early deadlines, we understand and seek to affirm that there is often emergent energy to be tapped in creating ministry for and with young adults and college students.

For programs beginning:	Priority Application Deadline
September 1-December 31	July 1
January 1-June 30	October 1
July 1-August 31	April 1

Grants made available through the Office of Young Adult Ministries are made possible from a variety of sources, including your congregation's Annual Program Fund dues, funding from the Campaign for Unitarian Universalism's Mind the Gap Campaign, and the Billings Fund endowment. All grants require that the congregation applying be a Fair Share contributor to the UUA Annual Program Fund or the Canadian Unitarian Council in the most recently completed fiscal year.
