## Are you receiving the monthly *InterConnections* e-Newsletter?

We would like you to receive the all-electronic version of *InterConnections*, the UUA's monthly newsletter for congregational leaders.

If you know someone who should be getting *InterConnections* and isn't, invite them to sign up!

The *InterConnections* e-Newsletter is sent out approximately the 15th of each month with links to the latest tips and stories about vital congregations for lay leaders and the professional staff.

**Q: *How can I receive the e-Newsletter in my email in-box?***

**A:** There are two methods for subscribing a new recipient to the list:

1. New leaders may self-subscribe at [www.uua.org/interconnections](http://www.uua.org/interconnections) by clicking "Sign up for our free monthly email newsletter."
2. Church office personnel may do this on behalf of anyone in their congregation.

**Q: *Must I sign up for the e-Newsletter in order to read InterConnections?***

**A:** No. Even if not subscribed to the e-newsletter, enjoy reading past and present *InterConnections* articles, including tips and stories about vital congregations, at [www.uua.org/interconnections](http://www.uua.org/interconnections) and [www.tipsheet.blogs.uua.org](http://www.tipsheet.blogs.uua.org).

**Q: *How do I stop receiving the InterConnections e-Newsletter?***

**A:** Subscribers may unsubscribe themselves at any time by clicking on the SafeUnsubscribe® link found at the bottom of the email. This is the quickest way to be removed from the list when a recipient no longer wishes to receive it.
