## Sharing Global Faith

Grounded in the goal of world community with peace, liberty and justice for all, [Sharing Global Faith](#) invites Unitarians and Universalists from around the world to deepen and enrich our shared global faith.

The international devotional will be distributed on the second Monday of every month starting in April, 2009 and running through September, 2009. Each publication will address a central issue in the development of faith-life and will include thoughtful responses from a diverse geographical selection of U/U spiritual leaders. Topics range from freedom to fellowship, justice to hope. Alongside the monthly e-resource, the devotional's webpage will host additional information about the project and each of the contributors.

## New Resources Now Available Online

Two new resources are now available on Google Books: Don McEvoy's "Credo: Unitarian and Universalists of Yesteryear Talk About Their Lives and Motivations," and "Unisoul: A Study Guide on the Unitarian Universalist Tradition."

Both books are available in full for free on our Google Books Page: <http://tinyurl.com/IRObooks>

## UU Church of the Philippines Sabbatical Program

Experienced UUA ministers are invited to consider applying to spend 3- 4 months of a sabbatical with the UUCP providing skill development in these and other areas. Successful applicants should expect to be engaged in this ministry for approximately 20-hours/week. Contexts will include worship services, traditional classes and less formal discussion groups. The unique skills that a successful applicant brings to this ministry will also be integrated.

The staff and the UU leaders of the UU Church of the Philippines seek to further develop their skills in order to offer effective ministry. Key areas for skill development are:

- Nurturance of the UU faith through teaching and articulation of theological concepts.
- Youth and Young Adult Ministry
- Project development, management and community work.
- Church administration, leadership and financial management.

## E-Newsletter from the UUA International Resource Office (IRO)

It can be challenging for congregational leaders to keep up-to-date on the latest news and resources for UU international engagement. Let the IRO help.

- If "breaking news" about UU international engagement is important to you.
- If you want to hear success stories from UU congregations that are engaging internationally
- If you're interested in resources that can help your congregation be effective in its international engagement
- If you want to make sure you receive the latest materials for including international elements in your congregation's worship services and RE programs
- If you're interested in the work of the multitude of international U/U organizations, and opportunities for collaboration.

Join the IRO's email list by visiting:

[www.tinyurl.com/UUAInews](http://www.tinyurl.com/UUAInews).

We'll send an email message to you twice each month with news and practical resources.

All are invited to sign up!
