Spirit of Life

**Spirituality Workshops for UU adults
by Rev. Barbara Hamilton-Holway**

The Lifespan Faith Development staff group of the Unitarian Universalist Association is seeking congregations, camps, and conference centers to field test nine workshops on UU spirituality between September 2007 and January 2008. The workshops can be offered as drop-in programs or as a course with continuous enrollment. They are appropriate for evening meetings or Sunday morning adult forums. *The program will be in its field test phase.* Therefore, congregations will commit to providing feedback (by January 31, 2008) which will guide revisions to the program before publication. With *Spirit of Life*, you can deepen your members' spirituality *and* shape a program that will serve many congregations for years to come. Workshops are each 60 minutes in length with an additional 30 minutes of optional activities.
