A Candidate in the UUA Music Leadership Credentialing program must maintain a relationship with a Sponsor. The Sponsor is an individual who has been identified as a supportive leader in the Candidate's congregation. The Sponsor will have periodic contact with the Candidate to assess the candidate's progress in the Credentialing program and the Candidate's proficiency as a music leader and religious professional in the congregation, and will be a resource for any issues related to the congregation that may arise for the Candidate. The Sponsor will also review the Candidate's Self-Assessment, and, if possible, any Credentialing portfolio materials shared by the Candidate.

At the end of the church season/year, but before the Spring/Summer Triad meeting and the UUMN Annual Conference, the Sponsor will complete and sign this Evaluation of the Candidate, share it with the Candidate, and submit it to the MLCC via the RE & Music Leadership Credentialing Assistant - UUA. The Evaluation is meant to help inform the professional development of the candidate through the Triad (Candidate/Advisor/Sponsor) meetings, as well as the MLCC in the credentialing process of the Candidate.

Please comment on the following issues related to the Candidate, attaching additional sheets as necessary. **We ask that you give thoughtful, candid, and carefully considered comments on these specific issues.**
