

## Professional Context

The UUA Religious Education Credentialing Program  
February 2006

Name \_\_\_\_\_ Date \_\_\_\_\_

Please provide a two to three page description about the congregation, organization, program or clients that you serve per the following:

- The size/number and demographics of the congregation, program(s), organization, or clients that you serve. Has it been stable, growing, or declining?
- The size and structure of your program, organization, or clients.
- The staff you work with and your working with them, including minister(s) if applicable.
- The facility that houses your program, organization, or business.
- The overall budget of the congregation or organization and the amount/percentage of the budget for which you are responsible.
- What are some of the major accomplishments, transitions, and/or challenges of the last three to five years?
- What are some of the constraints that you have to work within?
- What are some of the unique programs, activities, and annual celebrations of the congregation and religious education program or organization?
- What are your goals for your program or organization for next two to three years?
- Is there anything else you would like us to know about your personal or professional life?
