

*Congregational Giving to the Annual Program Fund
2007-2008*

Congregational Gifts of Generosity

Member congregations voluntarily join our Association of Congregations, covenanting with one another to affirm and promote our Unitarian Universalist principles and purposes in the wider world. As part of this covenantal relationship, congregations pledge financial support each year to the Annual Program Fund (APF).

In fiscal year 2007-2008, congregations contributed over \$7 million. The APF contributions represent nearly 50% of our Association's undesignated funding, providing for numerous and varied services, programs and resources to our member congregations, to foster the health and growth of Unitarian Universalism, and to give public voice to UU values and principles. For more information about the Annual Program Fund, visit: www.uua.org/giving/.

Honor Congregations

These congregations gave the requested minimum contribution (Fair Share) to our Association, reflecting their commitment and support of the larger movement as a priority in their annual budget. Those congregations that have been Honor congregations for ten years or more consecutively are annotated with a "10."

Merit Congregations

These congregations contributed at least 20% more than in the previous fiscal year to our Association. These congregations are recognized and appreciated for their dedicated efforts to increase their giving levels toward full Fair Share.

Leadership Congregations

Leadership congregations represent the 50 largest contributors from the previous fiscal year to our Association, with 2006-2007 contributions ranging from \$20,5533 to \$69,801. Through their impressive generosity, Leadership Congregations demonstrate their deep awareness of the importance of stewardship, their commitment to Unitarian Universalism, and to the mission of our Association.

"Our congregation takes great pride in resuming full financial partnership as a member of the Unitarian Universalist Association. We hope you will share the good news with the rest of the Association. Our delegates look forward to wearing their Fair Share ribbons to the General Assembly" -UU Church of Silver Spring, Maryland
