

The Consultation on Ministry to and With Youth

Youth Survey Outreach

YOU CAN HELP!

During January and February 2006 youth will have the opportunity to voice their experiences with and visions for UU youth ministry for all Unitarian Universalists to hear. The feedback from this survey will serve as the foundation for intergenerational conversations in congregations, districts, and UU organizations about their roles in youth ministry.

Youth with three different types of involvement should complete this survey:

- ❖ Youth ages 12-20;
- ❖ YRUU youth (continental, district and local);
- ❖ Youth who are involved in congregations, but not in the youth program;
- ❖ Youth who left the church after junior high or RE.

Please help us find these youth, so that they can be included in the survey process! You can list them below (use the back for more space). If you have access to a roster of youth who are or were involved in your congregation, you are also welcome to send this list to Beth Dana at bdana@uua.org or 617-367-4798 (fax).

Name	Congregation	E-mail	Mailing Address

THANK YOU!
