

The Unitarian Universalist Association (UUA) offers our national staff a comprehensive and wide variety of benefits, including:

Insurances

- Medical Insurance
- Dental Insurance
- Vision Plan
- Prescription Drug Coverage
- Domestic Partner Coverage
- Life Insurance
- Accidental Death and Dismemberment Insurance
- Disability Insurance

The UUA contributes 80% to the cost of your monthly medical insurance premiums.

Retirement Plan

We sponsor a 401(a) defined contribution retirement plan through TIAA to assist you as you prepare for your future financial security. The plan provides the convenience of pre-tax payroll deductions. The UUA currently *contributes* 11% on your behalf after one year's service. You may allocate monies among a variety of investment options, which include several socially-responsible funds.

Flexible Benefits Plan

The Flexible Benefits Plan offers tax savings by allowing you to pay for qualified medical, dependent care, or transportation expenses on a pre-tax, salary-reduction basis. The before-tax-dollar approach means that your contributions are made to the Flexible Benefits Plan before taxes are taken, resulting in more net spendable income and a greater tax savings each year.

Employee Assistance Program

You and your immediate family may take advantage of no-cost, confidential counseling, outsourcing, and information resources (including financial and legal advice) through an independent agency for personal and family issues.

Time Off

We do our best to provide a balance between work and home life with a generous paid time off package that includes:

- Vacation Time
- Personal Time
- Sick Time
- [Holidays](#)
- Sabbatical Time
- Parental Leave

Flexible Schedules and Working Hours

Our [standard workweek](#) is 35 hours and, when possible, we offer flexible schedules to help you strike a more effective balance between your work and personal life.

Direct Deposit

You may choose to have your paycheck deposited to your savings or checking accounts through automatic direct deposit.
