

Message From Pakistani Unitarians to the Rev. William G. Sinkford  
(15 September, 2001)

Your Highness,

Peace, Compassion and Comfort of our God!!! This is to express our sympathies and deepest concern for the devil-made terrorism in New York and Washington. Of course this is very terrifying to see the innocent killings.

We the members of Unitarians & Universalists Association Pakistan condemn this shocking tragedy.

We had announced the second Friday of each year " MOURNING FRIDAY" in our our prayer service on Friday, 14 september,2001.

Our Intentions in this service were:

1. The eternal rest of the Innocent killed in this Devil-Made Terrorism.
2. Comfort and condolence to all the families, friends and relatives of the Innocent Killed.
3. Prayer for those who still suffer with this brutality.

I on behalf of my Congregation strongly mortify and mourn upon this brutality.

In Condolence,

Inderias Dominic Bhatti  
National Director,
