

One and One

One Action and One Tool from the UUA Ministries and Faith Development Staff Group

One and One is produced by the UUA Ministries and Faith Development Staff Group. In this simple weekly brief, busy Unitarian Universalist Professionals will find one exciting thing going on at the UUA, and one useful tool. Please submit content ideas or feedback to one-and-one@uua.org.

One Thing Going On

Justice GA 2012 - Register Now!

We would love to see you in Arizona, but if your congregation can't fill all of its delegate slots, you can still be represented by off-site delegates to GA 2012 in Phoenix!

Even if they cannot be present physically at GA this year, congregational delegates, ministers, and credentialed directors of religious education can participate in the business of GA in Phoenix by serving as off-site delegates.

Off-site delegates can:

- Watch live streaming video of all Plenary Sessions online.
- Vote online and speak during debate in General Assembly business sessions from home, office, or congregation, or as part of a congregational cluster.
- Listen to discussion and vote during business mini-assemblies.

One Useful Tool

Faith Advocates for Jobs Campaign

Please **sign up** to be part of this new interfaith movement to support the unemployed in our congregations and communities and to advocate for a humane budget and job creation legislation. The UUA and dozens of UU congregations have signed on but we need more congregations to build the strength required to change our national economic priorities. Most recently, Faith Advocates for Jobs played a major role in gaining the 75 week extension for unemployment insurance to address the suffering being endured by millions of unemployed workers. Thanks to all of you who responded to our action alert. By signing up you will be invited to monthly webinar briefings, receive new resources, and be alerted to opportunities to join together for economic justice. See the campaign's **Congregational Toolkit** for **Standing with the Unemployed** for information on what your congregation can do, worship resources, and the spiritual meaning of the economic crisis. Please also see the UUA web pages on economic justice, including a statement on **Unemployment as A Spiritual Issue** by UUA President Rev. Peter Morales.
