

One and One

One Action and One Tool from the UUA Ministries and Faith Development Staff Group

One and One is produced by the UUA Ministries and Faith Development Staff Group. In this simple weekly brief, busy Unitarian Universalist Professionals will find one exciting thing going on at the UUA, and one useful tool. Please submit content ideas or feedback to one-and-one@uua.org.

One Thing Going On

Call for Reproductive Justice Stories

As the women's issues advocate here at the UUA, I have been honored to hear stories of UU congregations and activists who have been working for reproductive justice since before Roe v. Wade made it legal to do so. Whether we hosted clinics in church basements, drove women across borders, or argued before the Supreme Court, **UUs have a long history** of doing this work, of which we can be proud!

Over the next few months, I will be collecting and publicizing these stories, and I would love to hear from you! Ask people in your congregation how they worked for reproductive justice. Ask the ministers you know, ask someone of an older or younger generation than you. Help write down their stories so that more people will know the legacy and capacity that we as Unitarian Universalists have to work for reproductive justice.

Thanks so much ~ Jess Halperin

Send me your stories at jhalperin@uua.org!

One Useful Tool

Webinar Calendar

Thanks to our fabulous new Growth Team, we now have a place for all UU regional webinars. They live on the webinar calendar on our Growing Unitarian Universalism **Facebook page**.

Other UUA webinars will also congregate here as they are posted.

If you have a growth-related tool, column, or question to post, please send an email to trogers@uua.org. At the moment, this isn't an "anyone post" kind of page. Anyone can comment on a post, however.

Here's what is happening on the page:

- Announcing blog posts (ours and others of merit that have captured our attention)
- Getting questions going
- Listing regional webinars
- Suggesting growth resources of the UUA
