## Meeting Minutes

Co-Moderator Mr. Barb Greve opened the meeting at 8:00 pm. Members and participants offered one hope for GA as a check-in question.

### General Assembly

Board members discussed the GA Participation Agreement, which all participants will be required to once they log into the portal and the GA app. It will serve as the basis for addressing any problematic behaviors in the virtual GA space.

Executive Vice President Carey McDonald shared an update on the UUA staff response to withdrawal of youth and young adult volunteers, based on disagreements around compensation in the change to a virtual GA as well as plans to continue certain programs at GA. Board members, especially the youth trustees, noted the importance of supporting youth leaders in this particular time and of addressing the systematic problems that youth and young adult volunteers have faced. There was agreement of the need to look holistically at how volunteering is working or needs to be changed as a part of GA.

Co-Moderator Elandria Williams noted that the Journey Towards Wholeness Transformation Committee and the Commission on Institutional Change were reviewing the Board's draft of a responsive resolution to the COIC report, as discussed last week. The final version was slated for approval at the June 23 Board meeting.

It was noted that a drafting error left out time limits from Rule 6a in the initially-published Rules of Procedure, but would be corrected in the final GA agenda. Board members affirmed this correction.

Members and participants offered a one-word check-out  
The meeting ended at 8:45 pm.

Respectfully submitted,

/s/ Carey McDonald
