Lifting Our Voices

- 1 You, darkness, of whom...
- 2 Give us the child...
- 4 We touch the floor...
- 7 To be of the Earth...
- 9 We have not forgotten...
- 10 Now the autumn...
- 11 What is praised is one...
- 12 Between the poles...
- 14 We receive fragments of holiness...
- 15 No matter what they tell you...
- 16 I have been looking for the words...
- 18 This singing art is sea foam...
- 19 How does one address a mystery?
- 20 A planet is born...
- 21 God be in my head...
- 23 Spirit of Life...
- 24 Here in the refuge...
- 25 Into this home...
- 26 From our separate joys...
- 28 In this familiar place...
- 29 You who are broken-hearted...
- 30 Leave aside the little thoughts...
- 31 As we enter...
- 32 Let us take a moment....
- 33 We gather as leaders...
- 35 Community is the spirit...
- 36 We are longing...
- 37 For all of life...
- 38 Here in this place of peace...
- 39 None of our private worlds...
- 40 Why community?
- 42 Each of us brings...

43 We are living...
44 Where are we to go...
45 If I am not for myself...
46 I have walked that long road...
47 Your gifts...
48 We are here to face the truth...
49 Like never before...
51 Source of Life...
53 Our time together is finished...
55 So often words fail us...
56 Spirit of Life...
57 Into our world....
58 Though much is taken...
62 A Presence summoned...
64 For the longing...
67 We return again and again...
68 Every day is a god...
72 I hold the splendid daylight...
73 *Halleluia...*
74 For the joyful...
77 Let the knowing speak....
84 With faith to face...
85 In the first glimmers...
86 As chill winds blast...
87 We light this chalice...
88 In times of darkness...
89 Great ideas, it has been said...
90 I can feel the suffering...
91 The leaves fall...
93 Hope rises...
94 Let our conversations...
95 Give me hunger...
96 This is a prayer for...
97 Esta oración es para...
98 We pause this hour...
99 Spirit of Life and Love...
101 To rescue our children...
102 Don't worry about saving...
103 Once upon a time I was...
104 Our job with you...
107 As we weather winds...
108 Do more than simply keep...
109 May we go forward...
110 Don't leave your broken...

111 May this flame...
112 Our church exists...
113 Each of us...
118 These words are dedicated...
119 These words are dedicated...
120 I don't have anything to say...
121 We meet in the spaces....
123 All people are children...
125 May the light of this chalice...
126 Glory be to the earth...
127 The stuff I need...
128 We affirm that...
129 They asked, "If a tree..."
132 Children widen the circle...
133 We are one...
134 We must divest ourselves...
135 We are all things, all persons...
136 I swear there is no greatness...
137 Out of a community...
138 As we gather to celebrate...
140 The mountains...
142 Let us be united...
144 The truth is this....
145 A principle is a principle...
146 It is not enough...
149 This is where we are...
150 Religion and Justice are...
151 We understand it still...
154 We who dwell on the margins...
155 Why are the nations...
156 Part of the ugliness of my heart...
157 What is essential...
159 We are a gentle and generous...
160 A chalice lit in our midst...
161 We come together today...
162 Hoy nos reunimos...
163 Unitarian Universalists...
164 We are here dedicated....
165 Our religion is a religion...
166 A living tradition...
167 Unitarian Universalism is...
168 We are Unitarian Universalists...
169 We, the members of....
170 I am a part of history...

171 Ah, it's true...
172 Always there is...
173 The growing good...
174 Stories are for...
176 Can you hear them?...
177 The living tradition...
178 Who are these children...
179 We are here...
180 We bring into our hearts....
181 This is what we do...
182 Let us recognize...
183 There is only one reason...
184 Even when our hearts...
186 For nothing is fixed...
187 Love is the only magic...
188 Oh, the comfort...
190 ¿Mi corazón se...
191 The time has come...
192 When the great plates slip...
193 Love is knotted...
194 Love is anterior to life...
195 Life is too brief...
196 Choose to bless the world!...
197 When death comes...
198 We are....
201 Love, if it is love...
202 Love, you are strong...
203 Go now in peace...
204 In the end it won't matter...
205 Let the love of this hour...
206 The Chalice is extinguished...
207 Often we are found...
208 Great voice that calls...
209 O God, you surround us...
211 Who are these among you...
212 In the end...
213 And the servants of Allah...
214 Our first task...
215 This is a house of peace...
216 Hay tantísimas fronteras...
218 As we face...
219 O God about whom...
221 I am so tired and weary...
222 Let the glory of all life...

223 We pledge to walk together...
224 May good befall all...
225 May Divine Mystery...
229 Peace is not the product...
231 Where the mind is without...
234 Eternal wellspring...
235 We have a calling...
236 Flame, friend of our most...
237 We light this chalice...
238 We believe...
239 Hidden in all stories...
240 Soy un amasamiento...
241 Have patience with everything...
242 We have not even to risk...
243 What can we tell those...
244 I am afraid of things...
246 Amid all the noise...
247 As we move through life...
248 Spirit of Life and Love...
250 To be strong enough...
251 This making of a whole self...
252 When we are feeling confident...
253 Between two words...
