

Suggested Charge for COIC Accountability Design Team

The charge for the accountability design team is to develop framework for the Board to implement the recommendations made by the Commission on Institutional Change as it relates to accountability to identity-based groups, stakeholders and other parties within the UU community. This framework will be presented to the UUA Board of Trustees for feedback, response, and final approval. This work will be highly focused on creating PROACTIVE accountability processes.

The development of the accountability framework will include :

- pulling additional stakeholders onto the design team
- working with identity groups to understand their internal mechanisms and the best way for each of them to be included in the accountability process.
- presenting a proposed framework to the board no later than the April 2020 Board Meeting
- making a public presentation at UUA GA 2021
