

GA 2021 Responsive Resolution to Include Systemic Anti-Racism in Principles

The Article II Study Commission stated in their report that they are requesting feedback about what to include in their recommendation for revising Article II, the Principles, Sources, and Purposes, of the UUA Bylaws.

For that reason, we ask the Article II Commission and the Board to ensure proposed changes to Article II include in the Principles a clear and direct statement that accountable systemic anti-racist and anti-oppressive actions to build Beloved Community are part of what it means to be Unitarian Universalist.
