**Definitions**

As used in this policy:

"Guardian," "Insurance Company," "our," "us" and "we" mean The Guardian Life Insurance Company of America.

"Plan" means this group insurance policy.

"Covered person" means an employee or dependent insured by this policy.

"Association" means the UNITARIAN UNIVERSALIST ASSOCIATION.

GP-1-R-GENPRO-90

P140.0137-R

**All Options**

**Association Provisions**

**Administrator:** The association must name an administrator to act on its behalf in all matters which pertain to this policy. The association must give us written notice each time such administrator is named or changed. This notice must include: (a) the administrator's name; (b) the date the designation takes effect; and (c) a statement that the administrator has been empowered by the association to act on its behalf.

We have the right to rely on such administrator's signature in all matters which pertain to this policy.

**Eligible Employer:** "Eligible employer" means: a member employee or the Association who meets Association requirements for participation in this plan.

**Participating Employer:** The term "participating employer" means an eligible employer who elects to insure his employees under all of the terms of this policy. To become a participating employer, an eligible employer must: (a) apply, and be accepted for membership with the association; and (b) through the administration, make a written request with us to become a participating employer under this policy.

The eligible employer becomes a participating employer on the date we approve, in writing, such employer's inclusion under this policy.

The administrator must notify us when an employer ceases to be a participating employer. And on the date of cessation, coverage under this policy ends for all employees of such employer, except for those who are eligible employees of another participating employer on the day after the cessation.

### **Incontestability**

This Policy shall be incontestable after two years from its policy date, except for non-payment of premiums.

A participating employer's insurance under this policy shall be incontestable after two years from his participation date, except for nonpayment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this policy shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

If this policy replaces the group policy of another insurer, we may rescind this policy based on misrepresentations made in the policyholder's or a covered person's signed application for up to two years from this policy's policy date.

GP-1-R-INCY-90

P140.0149

## **All Options**

### **Premiums**

Premiums due under this policy must be paid by the policyholder at an office of the Guardian or to a representative that we have authorized. The premiums must be paid as specified on the first page of this policy, unless by agreement between the policyholder and the Guardian, the interval of payment is changed. In that event, adjustment will be made to provide for payment annually, semi- annually, quarterly or monthly.

The premium due under this policy on each policy due date will be the sum of the premium charges for the insurance coverages provided under this policy. The premium charges are based upon the rates set forth in this policy's "Schedule of Insurance and Premium Rates" section.

However, we may change such rates: (a) on the first day of any policy month; (b) on any date the extent or terms of coverage for a policyholder are changed by amendment of this policy; (c) on any date our obligation under this policy with respect to a policyholder is changed because of statutory or other regulatory requirements; or (d) if this policy supplements, or coordinates with benefits provided by any other insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date our obligation under this policy is changed because of a change in such other benefits.

We must give the policyholder 31 days written notice of the rate change. Such change will apply to any premium due on and after the effective date of the change stated in such notice.

### **Adjustment of Premiums Payable Other Than Monthly or Quarterly**

Under the above provision, if a premium rate is changed after an annual or semi-annual premium became payable with respect to coverage on and after the date of such change, the premium will be adjusted by a proportionate increase or decrease for the unexpired period for which the premium became payable. If the adjustment results in a decrease, the amount of the decrease will be paid to the policyholder by us. If the adjustment results in an increase, the amount of the increase will be considered a premium due on the date of the rate change. This policy's grace period provisions will apply to any such premium due.

If an employer becomes a participating employer after this policy's policy date, the first premium will, at our option, be due and payable as of the date such employer becomes a participating employer. The premium will cover the period which begins on that date and ends on the day before the next premium due date.

## Grace in Payment of Premiums - Termination of Policy

A grace period of 31 days, without interest charge, will be allowed the policyholder for each premium payment except the first. If any premium with respect to the employees of a participating employer is not paid before the end of the grace period, such employees' coverage under this policy automatically ends at the end of the grace period. However, if the policyholder gives us written notice in advance of an earlier termination date during the grace period, such employees' coverage under this policy ends as of such earlier date.

If the coverage of the employees of a participating employer ends during or at the end of the grace period, the policyholder will still owe us premium for all the time coverage was in force with respect to such employees during the grace period.

This policy ends immediately on any date when an insurance coverage under this policy ends and, as a result, no benefits remain in effect under this policy.

### **All Options**

#### **Term of Policy - Renewal Privilege**

This policy is issued for a term of one (1) year from the policy date shown on the first page of this policy. All policy years and policy months will be calculated from the policy date. All periods of insurance hereunder will begin and end at 12:01 A.M. Standard Time at the policyholder's place of business.

If this policy provides coverage on a non-contributory basis, 100% of the employees eligible for insurance must be enrolled for coverage. If dependent coverage is provided on a non-contributory basis, all eligible dependents must be enrolled.

The policyholder may renew this policy for a further term of one (1) year, on the first and each subsequent policy anniversary. All renewals are subject to the payment of premiums then due, computed as provided in this policy's "Premiums" section.

However, we have the right to decline to renew this policy, or any coverage hereunder on any policy anniversary or premium due date, if, on that date: (a) less than 10 employees are insured under this policy; or (b) with respect to a non-contributory policy, less than 100% of those employees eligible are insured under this policy; or (c) with respect to a contributory policy, less than 75% of those employees eligible are insured under this policy.

P140.0626

If this policy provides dependents coverage, we may decline to renew such coverage on any policy anniversary or premium due date, if: (a) with respect to a non-contributory policy, less than 100% of all eligible dependents are enrolled for coverage under this policy; or (b) with respect to a contributory policy, less than 75% of those employees eligible for dependents coverage are insured as such.

The policyholder may cancel this policy at any time by giving us 31 days advance written notice. This notice must be sent to our Home Office. And the employer will owe us all unpaid premiums for the period this plan is in force.

#### **The Contract**

The entire contract between the Guardian and the policyholder consists of this policy, and the policyholder's application, a copy of which is attached hereto or endorsed hereon.

We can amend this policy at any time, without the consent of the insured employees or any other person having a beneficial interest therein, as follows:

We can amend this policy: (a) upon written request made by the policyholder and agreed to by the Guardian; (b) on any date our obligation under this policy with respect to a policyholder is changed because of statutory or other regulatory requirements; or (c) if this policy supplements, or coordinates with benefits provided by any other insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date our obligation under this policy is changed because of a change in such other benefits.

If we amend the policy, except upon request made by the policyholder, we must give the policyholder written notice of such amendment.

Any amendments to this policy will be without prejudice to any claim arising prior to the date of the change.

No person, except by a writing signed by the President, a Vice President or a Secretary of The Guardian, has the authority to act for us to: (a) determine whether any contract, policy or certificate of insurance is to be issued; (b) waive or alter any provisions of any insurance contract or policy, or any requirements of The Guardian; or (c) bind us by any statement or promise relating to the insurance contract issued or to be issued; or (d) accept any information or representation which is not in a signed application.

#### **Clerical Error - Misstatements**

Neither clerical error by the policyholder, a participating employer or the Guardian in keeping any records pertaining to insurance under this policy, nor delays in making entries thereon, will invalidate insurance otherwise validly in force or continue insurance otherwise validly terminated. However, upon discovery of such error or delay, an equitable adjustment of premiums will be made.

Premium adjustments involving return of unearned premium to the policyholder will be limited to the period of 90 days preceding the date of our receipt of satisfactory evidence that such adjustments should be made.

If the age of an employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not an insurance risk would have been accepted by us, or the amount of insurance, the true facts will be used in determining whether insurance is in force under the terms of this policy, and in what amount.

#### **Statements**

No statement will void the insurance under this policy, or be used in defense of a claim hereunder unless: (a) in the case of the policyholder, it is contained in the application signed by him; or (b) in the case of a covered person, it is contained in a written instrument signed by him.

All statements will be deemed representations and not warranties.

#### **Assignment**

An employee's right to assign any interest under this policy is governed as follows:

- With respect to any death benefits (including any basic term life, supplemental term life, optional term life or accidental death and dismemberment coverages provided by this policy), the employee may, subject to the following conditions, assign all rights or interest in such insurance which he now has, or may later acquire.

The assignment of an employee's group term life insurance is irrevocable and absolute in form, for no value. The employee retains no further interest in such insurance.

The assignment may be made only to one of the following: The employee's spouse, child, grandchild, parent, grandparent, brother or sister. It may also be made to the trustee of a trust established for the benefit of one or more of these people.

We will not be charged with notice of any assignment of any interest under this policy until the original assignment has been accepted and filed with us at our Home Office. And we assume no responsibility as to the validity or effect of any such assignment.

- With respect to accident and health insurance, both the employee's certificate and his right to insurance benefits under this policy are not assignable. However, the employee may direct us, in writing, to pay hospital, surgical, major medical, or dental benefits to the recognized provider who provided the covered service for which benefits became payable. We may honor such request at our option. But, the employee may not assign his right to take legal action under this policy to such provider. And we assume no responsibility as to the validity or effect of any such direction.

### **Assignment By Policyholder or Participating Employer**

Assignment or transfer of the interest of the policyholder or of a participating employer under this policy will not bind us without our written consent thereto.

### **Dividends**

The portion, if any, of the divisible surplus of the Guardian allocable to this policy at each policy anniversary will be determined annually by the Board of Directors of the Guardian and will be credited to this policy as a dividend on such anniversary, provided this policy is continued in force by the payment of all premiums to such anniversary.

Any dividend under this policy will be paid to the policyholder in cash, or at the option of the policyholder it may be applied to the reduction of the premiums then due.

In the event that the employees are contributing toward the cost of the coverage under any group policy issued to the policyholder and the aggregate dividends under this policy and any other group policy or policies issued to the policyholder are in excess of the policyholder's share of the aggregate cost, such excess will be applied by the policyholder for the sole benefit of the employees.

Payment of any dividend to the policyholder will completely discharge our liability with respect to the dividend so paid.

### **Employee's Certificate**

We will issue to the policyholder, for delivery to each employee insured under this policy, a certificate of coverage. The certificate will state the essential features of the insurance to which the employee is entitled and to whom the benefits are payable. But the certificate does not constitute a part of this policy and will in no way modify any of the terms and conditions set forth in this policy.

In the event this policy is amended, and such amendment affects the material contained in the certificate of coverage, a rider or revised certificate reflecting such amendment will be issued to the policyholder for delivery to affected employees.

### **Claims of Creditors**

Except when prohibited by the laws of the jurisdiction in which this policy was issued, the insurance and other benefits under this policy will be exempt from execution, garnishment, attachment, or other legal or equitable process, for the debts or liabilities of the covered persons or their beneficiaries.

## Records - Information To Be Furnished.

The policyholder must keep a record of the insured employees containing, for each employee, the essential particulars of the insurance which apply to the employee. The policyholder must periodically forward to us, on our forms, such information concerning the employees in the classes eligible for insurance under this policy as may reasonably be considered to have a bearing on the administration of the insurance under this policy and on the determination of the premium rates. For benefits which are based on an employee's salary, changes in an employee's salary must promptly be reported to us. The policyholder's payroll and other such records which have a bearing on the insurance must be furnished to us at our request at any reasonable time.

## Accident And Health Claims Provisions

An employee's right to make a claim for any accident and health benefits provided by this plan is governed as follows:

**Notice:** The employee must send us written notice of an injury or sickness for which a claim is being made within 20 days of the date the injury occurs or the sickness starts. This notice should include his name and plan number.

**Proof of Loss:** We'll furnish the employee with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the injury or sickness that is the basis of the claim as proof of loss. The employee must detail the nature and extent of the loss for which the claim is being made. He must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, the employee must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, he must send us written proof of loss within 90 days of the date we request. For any other loss, he must send us written proof within 90 days of the loss.

**Late Notice or Proof:** We won't void or reduce a claim if the employee can't send us notice or proof of loss within the required time. But he must send us notice and proof as soon as reasonably possible.

**Payment of Benefits:** We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided the employee submits periodic written proof of loss as stated above. We'll pay all other accident and health benefits to which the employee's entitled as soon as we receive written proof of loss.

We pay all accident and health benefits to the employee, if he is living. If he's not living, we have the right to pay all accident and health benefits, except dismemberment benefits, to one of the following: (a) his estate; (b) his spouse; (c) his parents; (d) his children; (e) his brothers and sisters; or (f) any unpaid provider of health care services. See " Employee Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When the employee files proof of loss, he may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell the employee that a particular provider must provide such care. And the employee may not assign his right to take legal action under this plan to such provider.

**Limitation of Actions:** The employee can't bring a legal action against this plan until 60 days from the date he files proof of loss. And he can't bring legal action against this plan after three years from the date he files proof of loss.

**Workers' Compensation:** The accident and health benefits provided by this plan are not in place of and do not affect requirements for coverage by Worker's Compensation.

### **When Employee Coverage Starts**

An employee must be fully capable of performing the major duties of his or her regular occupation for the employer on a full-time basis at 12:01 A.M. Standard Time for his or her place of residence on the date his or her coverage is scheduled to start. Also he or she must have met all of the conditions of eligibility which apply to him or her. If an employee is not fully capable of performing the major duties of his or her regular occupation on his or her scheduled effective date, we will postpone the start of his or her coverage. We will postpone coverage until he or she is so capable and is working his or her regular numbers of hours for one full day, with the expectation that he or she could do so for one full week.

Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if the employee was performing the major duties of his or her regular occupation and working his or her regular number of hours on his or her last regularly scheduled work day, that employee's coverage will start on the scheduled effective date. However, any coverage or part of coverage for which an employee must elect and pay all or part of the cost, will not start if the employee is on an approved leave and such coverage or part of coverage was not previously in force for the employee under a prior plan which this plan replaced.

Whether an employee must pay all or part of the cost of employee coverage, he or she must elect to enroll and agree to make the required payments. If he or she does this on or before the eligibility date, or within 31 days of his or her eligibility date, coverage is scheduled to start on the eligibility date. However, if he or she elects to enroll and agrees to make the required payments more than 31 days after his or her eligibility date, his or her coverage won't start until he or she sends us proof that he or she is insurable. Once we've approved it, his or her coverage is scheduled to start on the effective date shown in the endorsement section of his or her application.

Any part of an employee's coverage which is subject to proof that he or she is insurable won't start unless he or she sends this proof to us, and we approve it in writing. Once we have approved it, that part of his or her coverage is scheduled to start on the effective date shown in the endorsement section of his or her application.

**When Employee Coverage Ends**

**When Employee Coverage Ends:** Except as explained in the "When Active Service Ends" section of this plan, an employee's insurance will end on the first of the following dates:

- the date an employee's active full-time service ends for any reason. Such reasons include disability, death, retirement and the end of employment.
- the date an employee stops being an eligible employee under this plan.
- the date an employee is no longer working in the United States, or working outside of the United States for a United States base employer in a country or region approved by the Employer and Guardian.
- the date the group plan ends, or is discontinued for a class of employees to which the employee belongs.
- the last day of the period for which required payments are made for the employee.

**When Active Service Ends:** You may continue an employee's life and dismemberment insurance under this plan after his active service with you ends only as follows:

- If an employee's active service ends because he is disabled you may continue his insurance subject to all of the terms of this plan.
- If an employee's active service ends because he goes on a leave of absence or is laid off, you may continue his insurance for the rest of the policy month in which the leave or layoff starts, plus 06 more full policy month(s). However, if the employee joins any armed force before this period ends, you may continue his insurance until the date he becomes a member of such armed force.
- If you continue an employee's benefits under this plan as set forth above, it must be based on a plan which prevents individual selection by you.
- And, any such continuation is subject to the payment of premiums, and to all of the other terms and conditions of this plan.
- The amount of an employee's insurance during any such continuation will be the amount in force on his last day of active service, subject to any reductions that would have otherwise applied if he had remained an active employee.
- If an employee's active full-time service ends because he or she goes on a sabbatical leave of absence that you have approved, you may continue his or her insurance, subject to continued payment of premium, until the earlier of: (a) the end of the employer approved sabbatical leave of absence; and (b) twelve months following the date the approved sabbatical leave of absence begins. If an employee becomes disabled under this plan while his or her coverage is being continued during a sabbatical leave of absence, his or her eligibility for benefits will be governed by all the terms of this plan.

### **An Employee's Right To Continue Group Life and Accidental Death and Dismemberment Insurance During A Family Leave Of Absence**

**Important Notice:** This section may not apply to your plan. The employee must contact you to find out if you must allow for a leave of absence under federal law. In that case the section applies.

**Which Coverages Can Be Continued:** Life and accidental death and dismemberment coverages may be continued, under a uniform, non-discriminatory policy applicable to all employees. The employee must contact you to find out if he or she may continue these coverages.

**If An Employee's Group Insurance Would End:** Group life and accidental death and dismemberment insurance may normally end for an employee because he or she ceases work due to an approved leave of absence. But, the employee may continue his or her group life and accidental death and dismemberment insurance coverages if the leave of absence has been granted: (a) to allow the employee to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the employee's own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The employee will be required to pay the same share of the premium as he or she paid before the leave of absence.

**When Continuation Ends:** Insurance may continue until the earliest of the following:

- The date the employee returns to active work.
- In the case of a leave granted to the employee to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to the employee under this section for all reasons. If the employee takes an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which the Employer's Plan is terminated or the employee is no longer eligible for coverage under this Plan.
- The end of the period for which the premium has been paid.

**Definitions:** As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to active duty in the Armed Forces of the United States.
- **Contingency Operation:** This term means a military operation that: (a) is designated by the Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or (b) results in the call or order to, or retention on, active duty of members of the uniformed services under any provision of law during a war or during a national emergency declared by the President or Congress.
- **Covered Servicemember:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a serious injury or illness: (a), is undergoing medical treatment, recuperation, or therapy; (b) is otherwise in outpatient status; or (c) is otherwise on the temporary disability retired list.
- **Next Of Kin:** This term means the nearest blood relative of the employee.

- **Outpatient Status:** This term means, with respect to a covered servicemember, that he or she is assigned to: (a) a military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- **Serious Injury Or Illness:** This term means, in the case of a covered servicemember, an injury or illness incurred by him or her in line of duty on active duty in the Armed Forces that may render him or her medically unfit to perform the duties of his or her office, grade, rank, or rating.

**When Dependent Coverage Starts:** In order for an employee's dependent coverage to begin he must already be insured for employee coverage or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this plan, the date an employee's dependent coverage starts depends on when he elects to enroll his initial dependents and agrees to make any required payments.

If the employee does this on or before his eligibility date, the dependent's coverage is scheduled to start on the later of the employee's eligibility date and the date the employee becomes insured for employee coverage.

If the employee does this within the enrollment period, the coverage is scheduled to start on the date the employee becomes insured for employee coverage.

If the employee does this after the enrollment period ends, the employee's dependent coverage is subject to proof of insurability and won't start until we approve that proof in writing.

Once an employee has dependent coverage for his initial dependents, he must notify us when he acquires any new dependents and agree to make any additional payments required for their coverage.

A newly acquired dependent will be covered for those dependent benefits not subject to proof of insurability from the date the newly acquired dependent is first eligible, if the employee notifies us and agrees to make any additional payments within 31 days after the date the dependent becomes eligible. If the employee does this more than 31 days after the date the dependent becomes eligible, a newly acquired dependent will be covered from the date the employee notifies us and agrees to make any additional payments.

If proof of insurability is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of the employee's application, provided that the employee sends us the proof we require; and we approve that proof in writing.

A copy of the approved application is furnished to the employee.

**When Dependent Coverage Ends:** Dependent coverage ends for all of an employee's dependents when his employee coverage ends. Dependent coverage also ends for all of an employee's dependents when the employee stops being a member of a class of employees eligible for such coverage. And it ends when this plan ends, or when dependent coverage is dropped from this plan for all employees or for an employee's class.

If an employee is required to pay part of the cost of dependent coverage, and he fails to do so, his dependent coverage ends. It ends on the last day of the period for which he made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an eligible dependent. This happens to a child at 12:01 a.m. on the date the child attains this plan's age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

### **Employee Group Term Life Insurance**

**Basic Life Benefit:** If an employee dies while insured for this benefit, we'll pay his beneficiary the amount shown in the schedule.

**Proof of Death:** We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

**The Beneficiary:** The employee decides who gets this insurance if he dies. He should have named his beneficiary on his enrollment form. The employee can change his beneficiary at any time by giving the employer written notice, unless he's assigned this insurance. But, the change won't take effect until the employer gives the employee written confirmation of the change.

If the employee named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone he named dies before he does, that person's share will be divided equally by the beneficiaries still alive, unless the employee has told us otherwise.

If there is no beneficiary when an employee dies, we'll pay this insurance to one of the following: (a) his estate; (b) his spouse; (c) his parents; (d) his children; or (e) his brothers and sisters.

**Assigning This Life Insurance:** If an employee assigns this insurance, he permanently transfers all his rights under this insurance to the assignee. Only one of the following can be an assignee: (a) his spouse; (b) one of his parents or grandparents; (c) one of his children or grandchildren; (d) one of his brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

We suggest the employee speak to his lawyer before he makes any assignment. If he decides he wants to assign this insurance, he should ask the employer for details or write to us.

**Payment to a Minor or Incompetent:** If the employee's beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports his beneficiary.

**Payment of Funeral or Last Illness Expenses:** We have the option of paying up to \$250.00 of this insurance to any person who incurred expenses for the employee's funeral or last illness.

**Settlement Option:** If the employee or his beneficiary asks us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

### **Portability Privilege**

**Applicability:** This provision applies only to this plan's employee and dependent Basic group term life insurance. It does not apply to supplemental life insurance, if any is included in this plan. And it does not apply to Accidental Death and Dismemberment with Catastrophic Loss Insurance.

**Important Restriction:** No employee may elect a portable certificate of coverage unless he or she has been covered by this group plan, or the one it replaced, for employee Basic group term life insurance for at least three consecutive months prior to the date his or her coverage under this plan ends.

**Portability of Basic Group Term Life Insurance:** An employee may elect to continue all or part of his or her employee Basic group term life insurance and dependent Basic group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.

The employee may port his or her coverage if coverage under this plan ends because he or she: (a) has terminated employment; or (b) stops being a member of an eligible class of employees.

The employee may not port his or her coverage or coverage for any of his or her dependents, if he or she: (a) has reached his or her 70th birthday on the day coverage under this plan ends; or (b) is eligible for this plan's Basic Group Term Life Insurance Extended Life Benefit.

The employee may not port his or her coverage or coverage for any of his or her dependents if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group plan.

The employee may port: (a) the full amount(s) of his or her Basic term life insurance as of the day his or her coverage under this plan ends, or (b) 50% of such amount, if such amount under this plan is at least \$50,000.00.

The employee may port: (a) the full amount(s) of his or her dependent Basic term life insurance as of the day his or her coverage under this plan ends; or (b) 50% of such amount(s) if: (i) his or her dependent spouse amount under this plan is at least \$5,000.00; and (ii) his or her dependent child amount under this plan is at least \$2,000.00. However, if the employee ports the full amount of his or her insurance, any dependent amount(s) ported must be a full amount. And, if the employee elects to port 50% of his or her insurance, any dependent amount(s) ported must be 50% of such amount(s).

The employee may port: (a) his or her insurance only; (b) his or her insurance and insurance of his or her covered spouse; (c) his or her insurance and the insurance of all of his or her covered dependents; or (d) if the employee is a single parent, his or her insurance and the insurance of all of his or her covered dependent children. No other combinations will be allowed.

To be eligible to port, a dependent must be insured as of the day the employee's coverage under this plan ends.

**If An Employee Dies While Insured:** If an employee dies while insured for dependent Basic term life insurance, the employee's spouse may port the insurance of the employee's dependents as described above. But, the spouse and dependents must be insured on the date of death. No dependents will be allowed to port if: (a) there is no surviving spouse; or (b) the surviving spouse has reached his or her 70th birthday on the day the employee dies.

**The Portable Certificate of Coverage:** The employee or surviving spouse can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group plan.

The premium for the portable certificate of coverage will be based on: (a) the employee's and/or dependent's rate class under this plan; and (b) the employee's or surviving spouse's age bracket as shown in the Basic Life Portability Coverage Premium Notice.

**How to Port:** To get a portable certificate of coverage, the employee or surviving spouse must: (a) apply to us in writing; and (b) pay the required premium. He or she has 31 days from the date his or her coverage under this plan ends to do this. We won't ask for proof that he or she is insurable.

**Defined Term:** As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

## **All Options**

### **Information About Conversion and Portability**

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

### **THE FOLLOWING PROVISION APPLIES TO EMPLOYEE BASIC TERM LIFE INSURANCE:**

## **All Options**

### **Converting This Group Term Life Insurance**

**If Employment or Eligibility Ends:** The employee's group life insurance ends if: (a) his or her employment ends; or (b) he or she stops being a member of an eligible class of employees. If either happens, the employee can convert his or her group life insurance to an individual life insurance policy. Conversion choices are based on the employee's disability status.

If the employee is not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", he or she can convert to a permanent life insurance policy. The employee can convert the amount for which he or she was covered under this plan, less any group life benefits he or she becomes eligible for in the 31 days after this insurance ends.

If the employee: (a) is disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) has not yet been approved for the Extended Life Benefit, he or she can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". The employee can convert the full amount for which he or she was covered under this plan.

If the disabled employee is later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**If The Group Plan Ends or Group Life Insurance Is Dropped:** The employee's group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for his or her class. If either happens, the employee may be eligible to convert as explained below. Conversion choices are based on the employee's disability status.

If the employee: (a) is not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) the employee has been insured by a Guardian group life plan for at least five years, he or she can convert to a permanent life insurance policy. But, the amount the employee can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of his or her insurance under this plan, less any group life benefits he or she becomes eligible for in the 31 days after this insurance ends.

If the employee: (a) is disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) has not yet been approved for the Extended Life Benefit, he or she can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. The employee can convert the full amount for which he or she was covered under this plan.

If the disabled employee is later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**The Converted Policy:** The premium for the converted policy will be based on the employee's age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

**Interim Term Insurance:** If the employee: (a) is disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) has not yet been approved for the Extended Life Benefit, the employee has the option to convert his or her coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date the employee becomes disabled. During this year, if the employee is approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, we have not approved the employee for the Extended Life Benefit, he or she must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on the employee's age as of the date he or she converts from the interim term insurance policy.

**How and When to Convert:** To get a converted policy, the employee must apply to us in writing and pay the required premium. He or she has 31 days after his or her group life insurance ends to do this. We won't ask for proof that he or she is insurable.

**Death During the Conversion Period:** If an employee dies in the 31 days allowed for conversion, we'll pay his or her beneficiary the amount he or she could have converted. We'll pay whether or not he or she applied for conversion.

## **Employee Accelerated Life Benefit**

**IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. THE EMPLOYEE SHOULD CONSULT WITH HIS OR HER TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.**

**PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO THE EMPLOYEE.**

**Accelerated Life Benefit:** If an employee has a medical condition that is expected to result in his or her death within 12 months, such employee may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of an employee's group term life insurance made to him or her before he or she dies.

We subtract the gross amount paid to an employee as an Accelerated Life Benefit from the amount of his or her group term life insurance under this plan. The remaining amount of his or her group term life insurance is permanently reduced by the gross amount paid to the employee.

By "group term life insurance" we mean any Employee Basic Group Term Life Insurance for which an employee is insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than the employee or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the six month period after the date the employee applies for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by an employee, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in the employee's death within 12 months.

The employee may use the Accelerated Life Benefit in any way he or she chooses. But he or she may receive only one Accelerated Life Benefit during his or her lifetime. If he or she lives longer than 12 months, or if he or she recovers from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to the employee's remaining group term life insurance. And the employee may not receive another Accelerated Life Benefit if he or she has a relapse or develops another terminal condition.

**Maximum Benefit Amount:** The amount of the Accelerated Life Benefit for which the employee may apply is based on the amount of such employee's group term life insurance for which he or she is insured on the day before he or she applies for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$100,000.00; or (b) 50% of the inforce amount.

**Discount:** The amount for which the employee applies is discounted to the present value in six months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which the employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

**Processing Fee:** A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing an employee's Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to the employee.

**Payment of An Accelerated Life Benefit:** If we approve an employee's application for an Accelerated Life Benefit, we pay the amount he or she has elected, less the discount and the processing fee. We pay the benefit to the employee in one lump sum. And what we pay is subject to all of the other terms of this plan.

**How And When To Apply:** To receive the Accelerated Life Benefit, the employee must send us written proof from a licensed doctor who is operating within the scope of his or her license that the employee's medical condition is expected to result in such employee's death within 12 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

We can have the employee examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve an employee to receive an Accelerated Life Benefit, we give the employee a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which the employee is eligible; and (b) the amount by which the employee's group term life insurance will be reduced if he or she elects to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Even if an employee is receiving an Extended Life Benefit under this plan, he or she can still apply for an Accelerated Life Benefit. However, once an employee converts his or her group term life insurance, the terms of the converted life policy will apply. Any amount to which the employee could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to the employee.

Please read "The Employee's Remaining Group Term Life Insurance" provision for restrictions that may apply.

**If An Employee Has Assigned His or Her Group Term Life Insurance:** If an employee has already assigned his or her group term life insurance, according to the terms of this plan, he or she can't apply for an Accelerated Life Benefit.

**If The Employee Is Incompetent:** If the employee is determined to be legally incompetent, the person the court appoints to handle the employee's legal affairs may apply for the Accelerated Life Benefit for the employee.

**The Employee's Remaining Group Term Life Insurance:** The remaining amount of group term life insurance for which an employee is covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to the employee's insurance. Applicable cutbacks are applied to the amount of group term life insurance for which the employee is insured on the day before he or she applies for the Accelerated Life Benefit.

The premium cost of the employee's remaining coverage is based on the amount of his or her group term life insurance for which he or she is insured on the day before he or she applies for the Accelerated Life Benefit.

The employee may be required to provide proof of insurability for increased amounts. If he or she is, we must approve that proof in writing before the employee is covered for the new amount.

The total amount of group term life insurance the beneficiary would otherwise receive upon the employee's death is reduced by the gross amount of the Accelerated Life Benefit paid to the employee.

If the employee dies after electing the Accelerated Life Benefit, but before we send the benefit to him or her, the beneficiary will receive the amount of the employee's group term life insurance for which such employee is insured on the day before he or she applies for the Accelerated Life Benefit.

**Restrictions:** We will not pay an Accelerated Life Benefit to an employee who:

- is required by law to use the payment to meet the claims of creditors, whether or not the employee is in bankruptcy; or
- is required by court order to pay all or part of the benefit to another person; or
- is required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- loses his or her coverage under the group plan for any reason after he or she elects the Accelerated Life Benefit but before we pay such benefit to him or her.

#### **Extended Life Benefit With Waiver of Premium**

**Important Notice:** This section applies to the employee's basic life benefit. But, it does not apply to his or her accidental death and dismemberment benefits; nor to any of his or her dependent's insurance under this group plan. In order to continue dependent basic life insurance, the employee must convert his or her dependent coverage to an individual permanent policy.

**If an Employee is Disabled:** An employee is disabled if he or she meets the definition of total disability, as stated below. If a disabled employee meets the requirements in the "How and When to Apply" provision, we'll extend his or her basic life insurance under this section without payment of premiums from you or the employee.

Total Disability or Totally Disabled means, due to sickness or injury, an employee is:

- (a) not able to perform any work for wages or profit; and
- (b) he or she is receiving regular doctor's care appropriate to the cause of disability.

**How and When To Apply:** To apply for this extension, the employee must submit satisfactory written medical proof of his or her total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) the employee lacked the legal capacity to file the claim; or (b) it was not reasonably possible for the employee to file the claim.

Also, in order to be eligible for this extension, the employee must:

- (a) become totally disabled before he or she reaches age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

The employee is encouraged to apply for this benefit immediately upon the onset of disability.

**Continued Eligibility For Extended Life Benefit:** We may require periodic written proof that the employee remains totally disabled to maintain this extension. This written proof of the employee's continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require the employee to take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended his or her life benefits. But after two years, we can't have the employee examined more than once a year.

**Until We've Approved an Employee for this Extended Life Benefit:** An employee's life insurance under the group plan may end after he or she's become totally disabled, but before we've approved him or her for this extension. During this time period, the employee may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until the employee is approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates and the employee is totally disabled and eligible, but not yet approved, for this extended benefit, the employee must convert to an individual permanent or term policy and remain insured under such policy until he or she is approved by us for the extended benefit.

Converting does not stop the employee from claiming his or her rights under this section. But if he or she converts and we later approve him or her for this extended benefit, we'll cancel the converted policy as of our approval date. Once an employee is approved for this extended benefit, his or her group term life coverage will be reinstated at no further cost to you or the employee.

**When This Extension Begins:** Once approved by us, an employee's extended benefit will be effective on the later of:

- (a) 09 continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve the employee for this benefit.

### **All Options**

**When This Extension Ends:** An employee's extension will end on the earliest of:

- (a) the date he or she is no longer disabled;
- (b) the date we ask an employee to be examined by our doctor, and he or she refuses;
- (c) the date the employee does not give us the proof of disability we require;
- (d) the date the employee is no longer receiving regular doctor's care appropriate to the cause of disability;  
or
- (e) the day before the date the employee reaches age 65.

If the extension ends, and the employee is not insured by the group plan again as an active full-time employee, the employee can convert as if his or her employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

**If an Employee Dies While Covered By This Extension:** If an employee dies while covered by this extension we'll pay his or her beneficiary the amount for which he or she was covered as of his or her last day of active full-time work, subject to all reductions which would have applied had he or she stayed an active employee.

**Proof of Death:** We'll pay as soon as we receive:

- (a) written proof of the employee's death, that is acceptable to us; and
- (b) medical proof that the employee was continuously disabled until his or her death. This must be sent within one year of the employee's death.

**COMPUTATION OF GROUP LIFE INSURANCE PREMIUMS**

**Definitions:**

"Plan" means the Guardian group life insurance plan purchased by the employer.

"We", "us", and "our" mean the Guardian Life Insurance Company of America.

"You" and "your" mean the employer who purchased this plan.

**How Group Life Rates Are Computed:**

The "Table of Individual Rates" shown below will, subject to our rating methods, be used in computing the premium charges for this plan's group life insurance. As stated in this plan's "Premiums" section, we can change that table.

When this plan's group life insurance starts, we'll compute a preliminary monthly rate. We do this by: (1) multiplying the individual rates by the amounts of insurance in force at the respective ages, nearest birthday, of all employees; and (2) dividing the result by the total amount of insurance in force. Using the characteristics of your group, and our rating methods, we'll modify such preliminary rate and compute your final premium rate.

We may also compute your final premium rate by any other method we and you agree upon, which produces approximately the same total premium.

**If We Provide Supplemental Term Life Insurance:** If we provide Supplemental Term Life Insurance, we'll use the employee's rated age to compute premium rates, if the employee is placed in a substandard class.

**If You Pay Monthly Premiums:** If you pay monthly premiums, each monthly payment will be equal to the product of the total amount of insurance in force on the premium's due date and the monthly rate in effect for each employee.

**If You Pay Annual, Semi-Annual, or Quarterly Premiums:** If you pay annual, semi-annual or quarterly premiums, we'll compute the applicable rate by multiplying the monthly rate so obtained by 11.823, 5.956, or 2.985, respectively.

### **DEPENDENT TERM LIFE INSURANCE**

**The Benefit:** If one of an employee's dependents dies while insured for this benefit, we pay the amount shown in the schedule. We pay this in a lump sum when we receive written proof of death. The proof should be sent to us as soon as possible.

We pay the employee, if he's living. If the employee is not living, and the dependent was his child, we pay the employee's spouse. If the spouse is not living, we pay the child's living brothers and sisters in equal shares. If there are none, we pay the child's estate. If the dependent was the employee's spouse, we pay the spouse's estate.

**Payment to a Minor or Incompetent:** If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

**Incontestability:** We can't dispute any medical statements made in the application after a dependent has been insured for these benefits for two years.

### **Converting This Dependent Term Life Insurance**

**If the Employee's Group Life Insurance Ends or He Stops Being Eligible:** Dependent term life insurance ends for all of an employee's dependents when his group life insurance ends. The employee's insurance ends when: (a) his active full-time employment ends; (b) he stops being a member of a class of employees eligible for employee group life insurance; (c) his group life insurance is extended under the Extended Life Benefit provision; or (d) he dies.

Dependent term life insurance also ends when an employee stops being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his insurance.

**If This Plan Ends or Life Insurance is Dropped:** Dependent term life insurance also ends for all of an employee's dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for the employee's class.

If one of the above happens, and an employee's dependents have been insured by a Guardian group life plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$2,000; and (b) the amount of his insurance under this plan less any group life benefits he becomes eligible for in the 31 days after this insurance ends.

**If a Dependent Stops Being Eligible:** A dependent's term life insurance ends when he stops being an eligible dependent. This happens to a child when he reaches the limiting age shown in the schedule or when he marries. And it happens to a spouse when a marriage ends in legal divorce or annulment. If a dependent stops being eligible, that dependent can convert all or part of his insurance.

**The Converted Policy:** The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write us for details.

**How and When to Convert:** To get a converted policy, the dependent must apply to us in writing and pay the required premium. He has 31 days after his group insurance ends to do this. We won't ask for proof that he's insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him.

**Death During the Conversion Period:** If a dependent dies in the 31 days allowed for conversion, we pay the amount he could have converted, as stated above. We do this whether or not he applied for conversion.

### **When Employee Coverage Starts**

An employee must be fully capable of performing the major duties of his or her regular occupation for the employer on a full-time basis at 12:01 A.M. Standard Time for his or her place of residence on the date his or her coverage is scheduled to start. Also he or she must have met all of the conditions of eligibility which apply to him or her. If an employee is not fully capable of performing the major duties of his or her regular occupation on his or her scheduled effective date, we will postpone the start of his or her coverage. We will postpone coverage until he or she is so capable and is working his or her regular numbers of hours for one full day, with the expectation that he or she could do so for one full week.

Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if the employee was performing the major duties of his or her regular occupation and working his or her regular number of hours on his or her last regularly scheduled work day, that employee's coverage will start on the scheduled effective date. However, any coverage or part of coverage for which an employee must elect and pay all or part of the cost, will not start if the employee is on an approved leave and such coverage or part of coverage was not previously in force for the employee under a prior plan which this plan replaced.

Whether an employee must pay all or part of the cost of employee coverage, he or she must elect to enroll and agree to make the required payments. If he or she does this on or before the eligibility date, or within 31 days of his or her eligibility date, coverage is scheduled to start on the eligibility date. However, if he or she elects to enroll and agrees to make the required payments more than 31 days after his or her eligibility date, his or her coverage won't start until he or she sends us proof that he or she is insurable. Once we've approved it, his or her coverage is scheduled to start on the effective date shown in the endorsement section of his or her application.

Any part of an employee's coverage which is subject to proof that he or she is insurable won't start unless he or she sends this proof to us, and we approve it in writing. Once we have approved it, that part of his or her coverage is scheduled to start on the effective date shown in the endorsement section of his or her application.

## **All Option A for Class 1**

### **When Employee Coverage Ends**

**When Employee Coverage Ends:** An employee's long term disability insurance under this plan will end on the first of the following dates:

- the date an employee's active full-time service ends for any reason, except as noted below under "Coverage During Temporary Layoff or Leave of Absence".
- the date an employee stops being an eligible employee under this plan.
- the date an employee is no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- the date the group plan ends, or is discontinued for a class of employees to which the employee belongs.
- the last day of the period for which required payments are made for the employee.

However, if an employee is disabled, as defined by this plan when his or her active full-time service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the plan; and (ii) benefits are not excluded due to application of this plan's pre-existing condition provision; and (b) the period for which benefits are payable under the plan.

### **Coverage During Temporary Layoff or Leave of Absence**

If an employee's active full-time service ends because he or she is laid off or goes on a leave of absence you have approved, you may continue his or her insurance, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or employer approved leave of absence; and (b) 60 days following the date the temporary layoff or approved leave of absence begins. If an employee becomes disabled under this plan while his or her coverage is being continued during a temporary layoff or leave of absence, his or her eligibility for benefits will be governed by all the terms of this plan.

### **Coverage During Sabbatical Leave of Absence**

If an employee's active full-time service ends because he or she goes on a sabbatical leave of absence that you have approved, you may continue his or her insurance, subject to continued payment of premium, until the earlier of: (a) the end of the employer approved sabbatical leave of absence; and (b) twelve months following the date the approved sabbatical leave of absence begins. If an employee becomes disabled under this plan while his or her coverage is being continued during a sabbatical leave of absence, his or her eligibility for benefits will be governed by all the terms of this plan.

## **Option B for Class 2**

### **When Employee Coverage Ends**

**When Employee Coverage Ends:** An employee's long term disability insurance under this plan will end on the first of the following dates:

- the date an employee's active full-time service ends for any reason, except as noted below under "Coverage During Temporary Layoff or Leave of Absence".
- the date an employee stops being an eligible employee under this plan.
- the date an employee is no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- the date the group plan ends, or is discontinued for a class of employees to which the employee belongs.
- the last day of the period for which required payments are made for the employee.

However, if an employee is disabled, as defined by this plan when his or her active full-time service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the plan; and (ii) benefits are not excluded due to application of this plan's pre-existing condition provision; and (b) the period for which benefits are payable under the plan.

#### **Coverage During Temporary Layoff or Leave of Absence**

If an employee's active full-time service ends because he or she is laid off or goes on a leave of absence you have approved, you may continue his or her insurance, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or employer approved leave of absence; and (b) 60 days following the date the temporary layoff or approved leave of absence begins. If an employee becomes disabled under this plan while his or her coverage is being continued during a temporary layoff or leave of absence, his or her eligibility for benefits will be governed by all the terms of this plan.

#### **Gap/Transition Periods:**

Eligibility for coverage will be continued for an employee who leaves to take a new assignment in another UU congregation or a minister who is transitioning between congregations provided they return to employment within 6 months from the date of leave. This will be subject to continued payment of premium. If an employee becomes disabled under this plan while coverage is being continued during the leave to a new assignment or transition between congregations, his or her eligibility will be governed by all the terms of this plan.

### **An Employee's Right To Continue Group Long Term Disability Income Insurance During A Family Leave Of Absence**

**Important Notice:** This section may not apply to your plan. The employee must contact you to find out if you must allow for a leave of absence under federal law. In that case the section applies.

**Which Coverage Can Be Continued:** Long Term Disability income coverage may be continued, under a uniform, non-discriminatory policy applicable to all employees. The employee must contact you to find out if he or she may continue this coverage.

**If An Employee's Group Insurance Would End:** Group long term disability income insurance may normally end for an employee because he or she ceases work due to an approved leave of absence. But, the employee may continue his or her group long term disability income insurance coverage if the leave of absence has been granted: (a) to allow the employee to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the employee's own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The employee will be required to pay the same share of the premium as he or she paid before the leave of absence.

**When Continuation Ends:** Insurance may continue until the earliest of the following:

- The date the employee returns to active work.
- In the case of a leave granted to the employee to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to the employee under this section for all reasons. If the employee takes an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which the Employer's Plan is terminated or the employee is no longer eligible for coverage under this Plan.
- The end of the period for which the premium has been paid.

- (c) The date he or she earns, or is able to earn, the maximum earnings allowed while *disabled* under this *plan*.
- (d) The date he or she is able to perform the major duties of his or her *own occupation* on a full-time basis with *reasonable accommodation*.
- (e) After the *own occupation* period, the date he or she is able to perform the major duties of any *gainful work* on a full-time basis with *reasonable accommodation*.
- (f) The date he or she has been outside the United States and/or Canada for more than 2 months in a 12 month period.
- (g) The date he or she dies.
- (h) The end of the *maximum payment period*.
- (i) The date no further benefits are payable under any provision in this *plan* that limits the *maximum payment period*.
- (j) The date he or she is no longer receiving *regular and appropriate care* from a *doctor*.
- (k) The date payments end in accord with a *rehabilitation agreement*.

**All Options**

**Maximum Payment Period:** The *maximum payment period* is the longest time that benefits are paid by this *plan* for a covered person's *disability*. It is determined by the table shown below.

But, it may be less than that shown due to: (a) the nature of the covered person's *disability*; (b) the date the covered person was first treated for the cause of his or her *disability*; and (c) the length of time the covered person has been insured by this *plan*. See "Disabilities with a Limited Maximum Payment Period" and "Pre-Existing Conditions."

**Recurring Disability:** Benefits from this *plan* end if a covered person ceases to be *disabled*. But, a later *disability* may be treated as a *recurring disability*, if all of the terms listed below are met:

- (a) The covered person must return to *active work* right after his or her benefits end;
- (b) The *disability* must recur less than six months after the covered person was last entitled to benefits;
- (c) The later *disability* must be due to the same or related cause of the covered person's earlier *disability*;
- (d) This *plan* must not end during the covered person's return to *active work*;
- (e) The covered person must not become covered under any other similar group income replacement plan during the time he or she returns to *active work*;
- (f) During the time the covered person returns to *active work*, he or she must: (i) stay insured by this *plan*; and (ii) premium payments must be made on his or her behalf; and
- (g) The covered person's benefits must not have ended because he or she has used up the *maximum payment period*.

If the later *disability* is a *recurring disability*, the covered person will not need to complete a new *elimination period*. The *recurring disability* will be subject to all the terms of the *plan* in effect on the date the earlier *disability* began.

If all of the terms listed above are not met, the later *disability* will be treated as a new period of *disability*. The covered person will be required to complete a new *elimination period*. The new period of *disability* will be subject to all the terms of the *plan* in effect on the date the new period of *disability* occurs.

**Calculation of Monthly Benefit:** A covered person's benefit is governed by the terms of the *plan* in effect on the date *disability* occurs. Any changes to this *plan* that take place: (a) while the covered person is *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect his or her benefit.

We calculate a covered person's *gross monthly benefit* according to the Schedule of Benefits.

From the covered person's *gross monthly benefit*, subtract the amount of any income listed in Other Income Benefits that he or she receives or is entitled to receive. The result is his or her *monthly benefit*.

**Redetermination:** This plan redetermines *insured earnings* for each covered person on the date a change in a covered person's *insured earnings* occurs. The *plan sponsor* must report updates to all covered persons' *insured earnings* as they occur. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

## All Options

**Other Income Benefits:** A covered person may receive, or be entitled to receive, income shown in the list below. We will reduce his or her *gross monthly benefit* by such other income benefits to determine his or her *monthly benefit* from this *plan*.

- Commissions or monies: (1) received; (2) payable but deferred; or (3) paid after *disability* benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; and (d) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) the *employer*. This includes payments made by a group life insurance plan due to the covered person's *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan; but, if the other group plan was in force prior to this *plan*, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.
- Income from a sick leave, salary continuance or Paid Time Off plan, but only to the extent that such income plus the amount of the covered person's *gross monthly benefit* is more than 100% of his or her *insured earnings*. This applies whether such plan is sponsored on a formal or informal basis. This includes donated, lump sum and recurrent payments of accrued sick leave benefits. But, if a covered person is working while *disabled*, we will account for such income as described in this *plan's* "Adjustment of Monthly Benefit for Disability Earnings".
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) the covered person is entitled; and (ii) his or her spouse and children are entitled due to the covered person's disability;
  - (b) All unreduced retirement benefits for which: (i) the covered person is entitled; and (ii) his or her

spouse and children are entitled due to the covered person's entitlement; and

- (c) All reduced retirement benefits paid to: (i) the covered person; and (ii) his or her spouse and children due to the covered person's receipt of such benefits.

We do not reduce the covered person's *gross monthly benefit* by the retirement benefits described in (b) and (c) above, to the extent that the covered person and his or her dependents were entitled to receive such income prior to the start of disability. We will reduce the *gross monthly benefit* by marginal increases in such income the covered person and his or her dependents were entitled to receive after *disability* begins.

We will reduce the covered person's *gross monthly benefit* by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce the covered person's *gross monthly benefit* by benefits referred to in (a), (b) and (c) above to which his or her spouse and children are entitled due to the covered person's receipt of, or entitlement for, disability benefits. We do this without regard to: (a) his or her marital status; (b) where he or she lives; (c) where his or her spouse lives; (d) where his or her child lives; or (e) any custody arrangements made on behalf of his or her child.

- Income of the type that is included in a covered person's *insured earnings* for purposes of determining his or her *gross monthly benefit* under this *plan*.
- That portion of *retirement plan retirement benefits* which the *employer* funds.
- That portion of *retirement plan disability benefits* which the *employer* funds.
- *Retirement benefits* or *retirement plan disability benefits*, due to the covered person's disability, from any *government plan* other than those shown above.
- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If the covered person receives a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when the covered person's *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from the covered person's *employer* as part of a termination or severance agreement.

We integrate a covered person's *gross monthly benefit* with income shown above that he or she is entitled to receive without regard to the reason he or she is entitled to receive it.

Our right to reduce a covered person's benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

### **All Options**

**Other Income Not Subject to Deduction:** We will not reduce a covered person's *gross monthly benefit* by any income he or she receives or is entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;

- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans;

**Lump Sum Payments of Other Income:** Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine a covered person's *monthly benefit*. If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the expected remaining number of months for which the covered person would be entitled to benefits from this *plan*, based on the proof of loss submitted to us.

**Cost of Living Freeze:** A covered person may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce his or her *monthly benefit* by the amount of such increase.

**Application for Other Income:** A covered person must apply for other income benefits to which he or she may be entitled. If these benefits are denied, the covered person must appeal until: (a) all possible appeals have been made; or (b) we notify him or her that no further appeals are required.

If we feel the covered person is entitled to receive such income benefits, we will estimate the amount due to him or her and his or her spouse and children. We will take this estimated amount into account when we determine the covered person's *monthly benefit*. But, we will not take this estimated amount into account if he or she signs our reimbursement agreement. In this agreement the covered person promises: (a) to apply for any benefits for which he or she may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce the covered person's *gross monthly benefit* by an estimated amount, we will adjust his or her *monthly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid the covered person, we pay the full amount of the underpayment in a lump sum.

We will assist the covered person in applying for other income benefits.

### **All Options**

**Adjustment of Monthly Benefit for Disability Earnings:** We adjust the *monthly benefit* for *disability earnings* as follows.

For each of the first 24 months of payments, following the date the covered person first has *disability earnings*, add his or her *gross monthly benefit* and his or her *disability earnings*.

- If the sum is not more than 100% of the covered person's indexed *insured earnings*, we do not reduce his or her *monthly benefit*.
- If the sum is more than 100% of the covered person's indexed *insured earnings*, we reduce his or her *monthly benefit* by the amount over 100% of his or her indexed *insured earnings*.

For each month thereafter, we pay the greater of the amount calculated under Method 1 or Method 2.

#### *Method 1:*

- If the covered person's *disability earnings* are less than 20% of his or her indexed *insured earnings*, we do not reduce his or her *monthly benefit*.
- If the covered person's *disability earnings* are 20% or more of his or her indexed *insured earnings*, we

reduce his or her *monthly benefit* by 50% of his or her *disability earnings*.

*Method 2:*

- (a) Subtract the covered person's *disability earnings* from his or her indexed *insured earnings*.
- (b) Divide the result in (a) above by the covered person's indexed *insured earnings*.
- (c) Multiply the result in (b) above by the covered person's *monthly benefit*. This is the amount we pay.

If a covered person's *disability earnings* fluctuate widely from month to month, we may adjust his or her *monthly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using the covered person's most current month's *disability earnings* and the prior two months *disability earnings*.

**Maximum Allowable Disability Earnings:** This *plan* limits the amount of income a covered person may earn, or may be able to earn, and still be considered *disabled*.

If the covered person's *disability earnings* are more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if he or she is able to earn more than the limit shown below:

- (a) During the *elimination period* and the *own occupation* period, the limit is 80% of the covered person's indexed *insured earnings*.
- (b) After this *plan* has paid benefits for 24 months in a row, the limit is 60% of the covered person's indexed *insured earnings*.

GP-1-LTD07-5.0

P383.0293

**All Options**

**Indexing:** We apply an indexing factor to a covered person's *insured earnings* on the date he or she has received 12 consecutive monthly payments and each anniversary thereafter. This factor increases the amount of income the covered person may earn and still be considered *disabled*. This adjustment does not increase his or her *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

To make the first adjustment, we multiply the covered person's *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of his or her last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the *CPI-W* from the prior December.

**Minimum Payment:** The minimum monthly payment for *disability* under this *plan* is the larger of: (a) 10% of the covered person's *gross monthly benefit*; or (b) \$100.00.

**Limitations and Exclusions**

**Disabilities with a Limited Maximum Payment Period:** We limit the *maximum payment period*, if the covered person is *disabled* due to: (a) a *mental illness*; or (b) drug or alcohol abuse. However, if the covered person has a coexistent condition, not subject to the limitations in this section, which is *disabling* in and of itself, we will not limit benefits as described below.

The *maximum payment period* for all periods of *disability* due to: (a) a *mental illness*; or (b) drug or alcohol abuse is 24 months. This is a combined maximum for all such conditions and all periods of *disability*.

No benefits will be paid for *disability* due to a *mental illness* or drug or alcohol abuse if the covered person is not receiving treatment for the cause of the *disability* from a provider, or in a facility that is: (a) licensed by the state to provide treatment for such condition; and (b) accredited or approved by the Joint Commission on the Accreditation of Health Care Facilities or Medicare.

If payments under this *plan* would end due to the limits in this section, we may extend such payments, as shown below. But, the covered person must meet all of the following conditions: (a) he or she must be *disabled* due to a condition named above; (b) he or she must be an inpatient in a qualified institution because of his or her *disability*; and (c) he or she must have been treated as an inpatient for at least 14 days in a row. In such case, we extend payments until the earliest of: (i) 90 days from the date of his or her discharge; (ii) the end of this *plan's maximum payment period*; or (iii) the date his or her *disability* ends.

The term "qualified institution" means a legally operated hospital or other public or private facility licensed to provide inpatient medical care and treatment for the cause of the covered person's *disability*.

### **All Options**

**Pre-Existing Conditions:** A pre-existing condition is an *injury* or *sickness*, whether diagnosed or misdiagnosed, and any symptoms thereof, for which, in the look back period, a covered person:

- (a) receives advice or treatment from a *doctor*;
- (b) undergoes diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a *doctor*;
- (c) is prescribed or takes prescription drugs; or
- (d) receives other medical care or treatment, including consultation with a *doctor*.

The "look back period" is the three months before the latest of: (a) the effective date of the covered person's insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in the covered person's benefit election that increases the benefit payable by this *plan*.

No benefits are payable for *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition; unless the *disability* starts after the covered person completes at least one full day of *active work* after the date he or she is insured under this *plan* for 12 months in a row.

A covered person's *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in his or her benefit election which increases the benefit payable by this *plan*. In this case, the covered person's benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if the covered person's *disability* starts after he or she completes at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before the covered person's insurance under this *plan*.

**Prior Coverage Credit:** If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to a covered person. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If the covered person: (a) was covered under the old plan when it ended; (b) enrolls for insurance under this *plan* on or before this *plan's* effective date; and (c) is *actively working* on the effective date of this *plan*; but (d) has not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit a covered person's *maximum monthly benefit* under this *plan* if: (a) it is more than the maximum monthly benefit for which he or she was insured under the old plan; (b) he or she becomes *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to the amount the covered person would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

### **All Options**

**Exclusions:** This *plan* does not pay benefits for *disability* caused by, or related to:

- (a) war or act of war. War includes, but is not limited to, declared war, and armed aggression by one or more countries resisted on orders of any other country, combination of countries or international organization. Act of war means any act peculiar to military, naval or air operations in time of war. Military includes persons serving on active, Reserve and Guard duty;
- (b) service in the military. Military includes persons serving on active, Reserve and Guard duty;
- (c) a covered person taking part in a riot or civil disorder;
- (d) a covered person's commission of, or attempt to commit a felony, for which he or she has been convicted;
- (e) the covered person's voluntary use of any poison, chemical, prescription or non-prescription drug or controlled substance unless: (a) it was prescribed for him or her by a *doctor*; and (b) it was used as prescribed. In the case of a non-prescription drug, we do not pay for any loss resulting from or contributed to by the covered person's use in a manner inconsistent with package instructions. A controlled substance is anything called a controlled substance in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970, as amended from time to time; or
- (f) intentional self-inflicted injuries.

We do not pay any benefits for any period of *disability*:

- (1) during which the covered person is confined to a facility as a result of his or her conviction of a crime;
- (2) during which the covered person is receiving medical treatment or care outside the United States or Canada unless expressly authorized by us;
- (3) which starts before the covered person is insured by this *plan*; or
- (4) during which the covered person's loss of earnings is not solely due to his or her *disability*.

#### **Services**

**Social Security Assistance:** This *plan* requires all *disabled* covered persons to apply for Social Security benefits. (See the "Application for Other Income" section of this *plan*.) If we believe a covered person to be eligible for such benefits, we may offer to assist him or her in applying for them. Receiving Social Security benefits will protect a covered person's earnings record for retirement and enable him or her to qualify for Medicare coverage after 24 months.

Services we can provide include:

- (a) Help in completing the covered person's application for such benefits, and any related forms;
- (b) Assistance finding suitable legal counsel; and
- (c) Copies of medical and vocational data needed to file the covered person's claim.

We may also provide these and other services if a covered person's benefits are under review for possible termination by the Social Security Administration.

The covered person must apply for all income benefits for which he or she may be eligible, whether or not he or she uses our help. Using our help does not cancel the covered person's duties shown in the "Application for Other Income" section of this *plan*.

**Rehabilitation and Case Management:** We will review the covered person's *disability* to see if certain services are likely to help him or her return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer the covered person a *rehabilitation program*.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) the covered person; (2) us; and (3) the covered person's *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of the covered person's work potential;
- (b) coordination and transition planning with an employer for the covered person's return to work;
- (c) consulting with the covered person's *doctor* on his or her return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining; and
- (f) assistance with family care expenses a covered person incurs in order to participate in a *rehabilitation program*. (See the "Dependent Care Expenses" section of this *plan*.)

We have the right to determine which services are appropriate.

If the covered person accepts the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *monthly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *monthly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date the covered person's benefits from this *plan* end;
- (b) The date the covered person violates the terms of the *rehabilitation agreement*;
- (c) The date the covered person ends the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If the covered person ends a *rehabilitation program* without our consent, he or she must repay any enhanced benefits paid.

**Dependent Care Expenses:** While a covered person is participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) the covered person incurs expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

A qualified dependent is: (a) dependent upon the covered person for main support and maintenance; and (b) under the age of fourteen and a covered person's: (i) biological child; (ii) lawfully adopted child; (iii) stepchild; or (iv) any other child who is living with him or her in a regular parent-child relationship; or (c) a family member age 14 or over who is physically or mentally incapable of caring for him or herself; or (c) a family member age 14 or over who is physically or mentally incapable of caring for him or herself.

The dependent care expense benefit will be the lesser of: (a) \$350 per month per qualified dependent; not to exceed \$1,000 per month for all qualified dependents combined; and (b) the actual monthly day care expense incurred by the covered person.

We will stop paying the dependent care expense benefit on the earlier of the date the covered person is no longer: (a) incurring dependent care expenses for a qualified dependent; (b) participating in a *rehabilitation program*; or (c) entitled to receive a *monthly benefit* from this *plan*.

**Worksite Modification Benefit:** In order to accommodate a covered person's *disability*, an employer may incur a cost to modify his or her worksite. We make this payment if we agree that the modification will enable the covered person to: (a) return to work; or (b) remain at work.

**Early Intervention Services:** This *plan* includes Early Intervention services as part of our disability management program. The intent of these services is to: (a) assist *disabled* persons in reaching better outcomes; and (b) support the *employer's* absence management goals by promoting stay-at work and return-to work agendas where possible.

The key to success of an early intervention program is prompt notification of work absences which have the potential to exceed this *plan's elimination period*. With prompt notification, we are able to more effectively manage the potential claim.

When a covered person is *disabled* from one of the conditions listed below, a long term disability claim form should be completed as soon as possible following the date of *disability*. To facilitate an immediate intervention, the form should be submitted to us within one week of the date the covered person's *disability* begins.

- Chronic fatigue conditions, including Epstein-barr syndrome
- *Mental illness*
- repetitive motion syndromes or injuries
- Fibromyalgia
- Back pain/strain
- Neck pain/strain
- Chronic pain
- Diabetes
- Cardiovascular conditions

Upon receipt of the completed claim form, we will determine whether the claim is appropriate for Early Intervention services. The covered person will be notified of our decision. Examples of services, which we may provide, at our discretion, include, but are not limited to: (a) job accommodation; (b) ergonomic adjustments to workstations; (c) proactive case management consultations with a *disabled* covered person's *doctor* or other providers of medical care.

**The Survivor Benefit:** We may pay a survivor benefit if a covered person dies after he or she: (a) had been *disabled* for at least six months in a row; and (b) was entitled to receive at least one full *monthly benefit*. When we receive proof of the covered person's death, we pay his or her eligible survivor a lump sum benefit.

We pay a benefit equal to 6 times the amount of the covered person's last *gross monthly benefit* after it is reduced by *disability earnings*. But, we first apply such benefit to reduce any overpayment he or she may owe us.

If the covered person has no eligible survivor, no survivor benefit is paid.

The covered person's eligible survivor is his or her spouse, if living.

If the covered person's spouse is not living, his or her eligible survivor is his or her: (a) unmarried child under age 20; and (b) unmarried child under age 26 who is enrolled as a full-time student at an accredited school. If there is more than one such child when the covered person dies, this benefit will be paid to each child in equal shares.

**Accelerated Survivor Benefit:** If a covered person has a terminal illness, we may accelerate payment of this *plan's* survivor benefit.

For purposes of the accelerated survivor benefit, a terminal illness means a medical condition that is expected to result in the covered person's death within 6 months.

To receive an accelerated survivor benefit, the covered person must: (a) be entitled to receive a *monthly benefit* from this *plan*; (b) request this benefit in writing; and (c) provide written proof of terminal illness from a *doctor*. However, we will not pay an accelerated survivor benefit if there are less than 6 months remaining in the *maximum benefit period*.

If the covered person elects to receive an accelerated survivor benefit, no survivor benefit is payable upon his or her death.

**Income Recovery Benefit:** This *plan* may pay an Income Recovery Benefit, if *monthly benefits* cease because a covered person is no longer *disabled*.

To be eligible for the Income Recovery Benefit, the covered person must be:

- (a) able to perform the major duties of his or her *own occupation*; or
- (b) if this *plan* has already paid benefits for the *own occupation* period, able to perform the major duties of any *gainful occupation*; and
- (c) working in his or her *own occupation* the same number of hours as he or she did prior to *disability*; and
- (d) unable to earn this *plan's* maximum allowable disability earnings, due to the *sickness* or *injury* which caused the prior *disability*.

We pay this benefit monthly, in arrears. We determine the amount we pay in two steps. In step one, we compute the following: (a) the covered person's *gross monthly benefit* as of the last month he or she was *disabled* under the terms of this *plan*; less (b) any other income this *plan* integrates with that he or she is entitled to receive. In step two we make a current earnings adjustment. We add: (a) the covered person's *gross monthly benefit* as of the last month he or she was *disabled* under the terms of this *plan*; and (b) his or her current disability earnings. If such sum exceeds 100% of the covered person's insured earnings, we pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, we pay the amount in step one.

We stop paying this benefit on the earliest of:

- (a) the date the covered person is able to earn this *plan's* maximum allowable *disability earnings*;

- (b) the date the covered person becomes *disabled*;
- (c) the date the covered person stops working;
- (d) the date 12 consecutive months after the first Income Recovery Benefit is paid; or
- (e) the end of the *maximum payment period*.

We will not pay more than 12 monthly Income Recovery Benefit payments following any one period of disability, including any *recurrent disability*

### **Claim Provisions**

**Authority:** We have the sole discretionary authority to: (a) interpret the terms of this *plan*; and (b) determine a covered person's eligibility for: (i) coverage; and (ii) benefits under the *plan*. All such determinations are conclusive and binding, except that they may be modified or reversed by a court or regulatory agency with appropriate jurisdiction.

**Notice:** A covered person must send us written notice of his or her intent to file a claim under this *plan* as described in "Accident and Health Claims Provisions."

For details, the covered person can call Guardian at 1-800-538-4583.

**Proof of Loss:** When we receive a covered person's notice, we will provide him or her with a claim form for filing proof of loss. This form requires data from the *employer*, the covered person, and the *doctor(s)* treating the covered person for his or her *sickness* or *injury*. Proof of loss must be given to us within the time stated in "Accident and Health Claims Provisions." If the covered person does not receive a claim form within 15 days of the date he or she sent his or her notice, he or she should send us written proof of loss without waiting for the form.

Proof of loss, provided at the covered person's expense, consists of the following. Failure to provide this information may delay, suspend, reduce or terminate the covered person's benefits.

- (a) The date *disability* began;
- (b) The covered person's last day of *active work*;
- (c) The cause of *disability*;
- (d) The extent of *disability*, including limitations and restrictions preventing the covered person from performing the major duties of his or her *own occupation* and any *gainful occupation*.
- (e) If the covered person's occupation requires that he or she carry liability or malpractice insurance, any changes to such insurance that become effective on or after the date of *disability*;
- (f) *Objective medical evidence* in support of the covered person's limitations and restrictions, beginning with the date *disability* began;
- (g) The prognosis of *disability*;
- (h) The name and address of all *doctors*, hospitals and health care facilities where the covered person has been treated for his or her *disability* since the date *disability* began;
- (i) Proof that the covered person: (i) is currently; and (ii) has been receiving *regular and appropriate care* from a *doctor*, from the date *disability* began;
- (j) Proof of *insured earnings*, and, if applicable, *disability earnings*;
- (k) Payroll or absence data from the *employer* for the three months prior to the date *disability* began, or other period we specify;
- (l) Proof of application for all other sources of income to which the covered person may be entitled, that may affect his or her payment from this *plan*; and

(m) Proof of receipt of other income that may affect the covered person's payment from this *plan*.

The covered person must provide *objective medical evidence* from a *doctor* who is not him or herself, his or her spouse, child, parent, sibling or business associate.

Proof of *insured earnings* and *disability earnings* may consist of: (1) copies of the covered person's W-2 forms; (2) payroll records from the covered person's employer(s); (3) copies of the covered person's U.S. Individual Income Tax Returns; (4) copies of the U.S. income tax returns from any business in which the covered person holds an ownership or shareholder interest; (5) a statement from a certified public accountant; (6) copies of any income records accepted or required by the I.R.S; or (7) any other records we deem necessary.

Proof of loss and other claim data should be submitted to:

The Guardian Life Insurance Company of America  
Group Long Term Disability Claims Department  
P.O. 14331  
Lexington, KY 40512

**Authorization Required:** The covered person must provide us with written, unaltered authorizations to obtain medical, financial, vocational, occupational, and governmental information required to determine our liability under this *plan*. The covered person must provide us with such authorizations as often as we may require, in order that they remain current. Failure to provide such authorizations may delay, suspend or terminate the covered person's benefits.

**Right to Request Medical, Financial or Vocational Assessment:** We may ask a covered person to take part in a medical, financial, vocational or other assessment that we feel is necessary to determine whether the terms of the *plan* are met. We may require this as often as we feel is reasonably necessary. We will pay for all such assessments. But, if the covered person postpones a scheduled assessment without our approval, the covered person will be responsible for any rescheduling fees. If the covered person does not take part in or cooperate with the assessment, we have the right to stop or suspend his or her payments under this *plan*.

**Ongoing Proof of Loss:** To continue to receive payments from this *plan*, a covered person must give us current proof of loss as often as we may reasonably require. Ongoing proof of loss must be provided to us within 30 days of the date we request it.

**Payment of Benefits:** We pay benefits to the covered person, if he or she is legally competent. If he or she is not, we pay benefits to the legal representative of his or her estate. Benefits are paid in US dollars.

We pay benefits once each month at the end of the period for which they are payable.

No benefits are payable for this *plan's elimination period*.

Benefits to which the covered person is entitled may remain unpaid at his or her death. Such benefits may be paid at our discretion to: (a) his or her estate; or (b) his or her spouse, parents, children, or brothers and sisters.

**Partial Month Payment:** A covered person may be *disabled* for only part of a month. In this case, we compute his or her payment as 1/30th of the benefit to which he or she would be entitled for the full month times the number of days he or she is *disabled*. Payment will not be made for more than 30 days in any month.

**Overpayment Recovery:** If we overpaid a covered person, he or she must repay us in full. We have the right to reduce his or her payment or apply any benefits payable, including the minimum payment, toward recovery of the overpayment.

## All Options

**Disability or Disabled:** These terms mean that a current *sickness* or *injury* causes physical or mental impairment to such a degree that the covered person is:

- (1) During the *elimination period* and the *own occupation* period, not able to perform, on a full-time basis, the major duties of his or her *own occupation*.
- (2) After the end of the *own occupation* period, not able to perform, on a full-time basis, the major duties of any *gainful work*.

The covered person is not *disabled* if he or she earns, or is able to earn, more than this *plan's* maximum allowed *disability earnings*.

The covered person may be required, on average, to work more than 40 hours per week. In this case, he or she is not *disabled* if he or she is able to work for 40 hours per week.

Neither: (a) loss of a professional or occupational license; or (b) receipt of or entitlement to Social Security disability benefits; in and of themselves constitute *disability* under this *plan*.

## All Options

**Disability Earnings:** The monthly income a covered person earns from working while *disabled*. It includes salaries, wages, commissions, bonuses and any other compensation earned or accrued while working including pension, profit sharing contributions, sick pay, paid time off, holiday and vacation pay. When the covered person has an ownership interest in the business, *disability earnings* also includes business profits, attributable to him or her, whether received or not. It includes any income the covered person earns while *disabled* and returns to his or her *employer*, partnership, or any other similar business arrangement to cover any business or overhead expenses. If the covered person has the ability to work on a *part-time* or full-time basis, following the earlier of the date he or she: (a) has been terminated from employment with the *employer*; (b) has been *disabled* for 12 months in a row; or (c) has been offered a job or workplace modification by the *employer* and he or she does not return to work; *disability earnings* also includes *maximum capacity earnings*.

**Doctor:** Any medical practitioner we are required by law to recognize. He or she must: (a) be properly licensed or certified by the laws of the state where he or she practices; and (b) provide services that are within the lawful scope of his or her practice.

**Elimination Period:** The period of time a covered person must be *disabled*, due to a covered *disability*, before this *plan's* benefits are payable.

Any days during which the covered person returns to work earning more than 80% of his or her *insured earnings* will not count toward the *elimination period*. If he or she is or becomes eligible under any other similar group income replacement plan while he or she is working during the *elimination period*, he or she will not be entitled to benefits from this *plan*.

We do not require a covered person to complete an *elimination period* if: (a) he or she was covered under a similar income replacement plan the *plan sponsor* had with another insurer on the day before this plan starts; (b) the covered person's disability would have been a recurring disability under the prior plan had it remained in effect.

**Employer:** The business entity that employs a covered person and is: (a) the plan sponsor; or (b) associated with the plan sponsor.

**Gainful Occupation or Gainful Work:** Work for which a covered person is, or may become, qualified by: (a) training; (b) education; or (c) experience. When a covered person is able to perform such work on a full-time basis, he or she can be expected to earn at least 60% of his or her indexed *insured earnings* within 12 months of returning to work.

**Government Plan:** Any of the following: (1) the United States Social Security Act; (2) the Railroad Retirement Act; (3) the Canadian Pension Plan; or (4) any other plan provided under the laws of a state, province or any other political subdivision. It also includes: (a) any public employee retirement plan; or (b) any plan provided in place of the above named plan or acts. It does not include: (i) any Workers' Compensation Act or similar law; (ii) the Jones' Act; (iii) the Longshoreman's and Harbor Workers' Compensation Act; or (iv) the Maritime Doctrine of Maintenance, Wages, or Cure.

**Gross Monthly Benefit:** This *plan's monthly benefit* before it is integrated with other income and earnings.

### **All Options**

**Insured Earnings:** Only a covered person's earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of the covered person's *insured earnings* as of the Redetermination date immediately prior to the start of his or her *disability*. See the "Redetermination" section of this *plan*.

#### For Partners and S Corporation Shareholders:

*Insured earnings* means the sum of the amounts listed below, divided by 12.

- (a) His or her compensation as an employee or S Corporation shareholder, as reported on his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) His or her non-passive income (loss) from trade or business as reported on Schedule E-Part II of his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on his or her Return; and
- (c) His or her contributions during the prior calendar year, deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

The covered person may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, the covered person's earnings are based on the monthly average of the sum of the listed amounts, averaged for the full number of months that he or she was a partner or an S Corporation shareholder during such calendar year.

### For Sole Proprietors:

*Insured earnings* means: (a) the average monthly net profit as determined from Schedule C - Part II of the covered person's Federal Income Tax Returns, Form 1040, for the prior calendar year; plus (b) the covered person's average monthly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Monthly net profit is calculated as gross income less total expenses. The covered person may not have been a sole proprietor for the previous calendar year. In this case, we calculate average monthly net profit and average monthly contributions using the full number of months that he or she was a sole proprietor during such calendar year.

### For All Other Covered Persons:

**Class 1:** *Insured earnings* means: (a) a covered person's base monthly salary; plus (b) the average of his or her overtime for the previous 12 months, or length of employment with the *employer*, if less, and (c) housing allowance as reported by the employer. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* excludes expense accounts, stock options and any other extra compensation. If the covered person is paid hourly, we calculate monthly earnings based on actual hours worked or billed in the two months before the start of his or her *disability*. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

**Class 2:** *Insured earnings* means: (a) a covered person's base monthly salary; plus (b) housing allowance as reported on the prior calendar year W-2 form in box 14. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* excludes overtime pay, expense accounts, stock options and any other extra compensation. If the covered person is paid hourly, we calculate monthly earnings based on actual hours worked or billed in the two months before the start of his or her *disability*. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

After the *own occupation* period, the income a covered person could earn if working to the fullest extent he or she is able to in any *gainful occupation*. We decide the fullest extent of work a covered person is able to do based on objective data provided by any or all of the following sources: (a) his or her treating doctor; (b) impartial medical or vocational exams; (c) peer review specialists; (d) functional capacities exams; and (e) other medical and vocational specialists whose area of expertise is appropriate to the covered person's disability.

**Mental Illness:** Means any mental disorder, regardless of cause, listed in the Diagnostic and Statistical Manual of Mental Disorders (DSM) currently in use by the American Psychiatric Association (APA). A *mental illness* may be: (a) caused by; (b) contributed to by; or (c) result in; physical, biological or chemical factors or symptoms. For purposes of this *plan*, *mental illness* does not include: (a) irreversible dementia caused by Alzheimer's disease, stroke, trauma or viral infection; or (b) any other condition not typically treated by a psychiatrist, clinical psychologist or other qualified mental health practitioner with psychotherapy or psychotropic drugs.

**Monthly Benefit:** This *plan's gross monthly benefit* reduced by other income. If a covered person is working while *disabled*, his or her *monthly benefit* will be further reduced based on the amount of his or her *disability earnings*.

**Objective Medical Evidence:** May include but is not limited to: (a) diagnostic testing; (b) laboratory reports; and (c) medical records of a *doctor's* exam documenting: (i) clinical signs; (ii) presence of symptoms; and (iii) test results consistent with generally accepted medical standards supported by nationally recognized authorities in the health care field.

**Reasonable Accommodation:** Any modification or adjustment to: (i) a job; (ii) an employment practice; (iii) a work process; or (iv) the work place; that an employer willingly provides. The modification or adjustment must make it possible for a *disabled* person to: (1) reach the same level of performance as a similarly situated non-disabled person; or (2) enjoy equal benefits and privileges of employment as are available to a similarly situated non-disabled person. The modification or adjustment must not place an undue hardship on the employer.

**Recurring Disability:** A later *disability* that: (a) is related to an earlier *disability* for which this *plan* paid benefits; and (b) meets the conditions described in "Recurring Disability."

**Regular and Appropriate Care:** Means, with respect to a covered person's: (a) disabling condition; and (b) any other condition which, if left untreated, would adversely affect his or her disabling condition; he or she(i) visits a *doctor* as frequently as medically required, according to generally accepted medical standards, to effectively manage these conditions; and (ii) is receiving the most appropriate treatment, according to generally accepted medical standards, designed to achieve maximum medical improvement in these conditions. As of January 1, 2014, this plan is amended, as explained below, with respect to any of this plan's provisions.

As used in this rider:

"Covered Person" means an employee or dependent, including the legal representative of a minor or incompetent, insured by this plan.

"Reasonable pro-rata Expenses" are those costs, such as lawyers fees and court costs, incurred to effect a third party payment, expressed as a percentage of such payment.

"Third Party" means anyone other than The Guardian, the employer or the covered person.

We will not pay any benefits under this plan, to or on behalf of a covered person, who has received payment in whole or in part from a third party, or its insurer for past or future medical or dental charges or loss of earnings, resulting from the negligence, intentional act, or no-fault tort liability of a third party.

If a covered person makes a claim to us for medical, dental or loss of earnings benefits under this plan prior to receiving payment from a third party or its insurer, the covered person must agree, in writing, to repay us from any amount of money they receive from the third party, or its insurer.

The repayment will be equal to the amount of benefits paid by us. However, the covered person may deduct the reasonable pro-rata expenses, incurred in effecting the third party payment, from the repayment to us.

The repayment agreement will be binding upon the covered person whether: (a) the payment received from the third party, or its insurer, is the result of a legal judgement, an arbitration award, a compromise settlement, or any other arrangement; or (b) the third party, or its insurer, has admitted liability for the payment; or (c) the medical or dental charges or loss of earnings are itemized in the third party payment.

This rider is a part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.
