Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*, as explained below under "Other Conditions". And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 750 hours per year), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

CGP-3-EC-90-1.0

B264.2490-R

When Your Coverage Starts

Employee benefits that don't require *proof* that you are insurable are scheduled to start on your effective date.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, your effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

When Your Coverage Ends Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement and the end of employment.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this *plan*, or when this *plan* ends for all employees. And it ends when this *plan* is changed so that benefits for the class of employees to which you belong ends.

It ends on the date you have been outside the United States for six months in any twelve month period.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

If your active service ends because you go on a sabbatical leave of absence, that your employer has approved, your insurance may be continued, subject to continued payment of premium, until the earlier of: (a) the end of the employer approved sabbatical leave of absence; and (b) twelve months following the date the approved sabbatical leave of absence begins. If you become disabled under this *plan* while your coverage is being continued during a temporary layoff or leave of absence, your eligibility for benefits will be governed by all the terms of this *plan*.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence

All Options

Important Notice This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

Continuation of Coverages Life and accidental death and dismemberment coverages may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue these coverages.

If Your Group Insurance Would End Group life and accidental death and dismemberment insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

When Continuation Ends Coverage may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence (Cont.)

- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.
- The end of the period for which the premium has been paid.

Definitions As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to active duty in the Armed Forces of the United States.

- **Covered Servicemember:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a serious injury or illness: (a), is undergoing medical treatment, recuperation, or therapy; (b) is otherwise in outpatient status; or (c) is otherwise on the temporary disability retired list.

Dependent Life Coverage (Cont.)

Eligible Dependents For Basic Dependent Life Benefits Your *eligible dependents* are: your legal spouse and your unmarried dependent children from birth until their 22nd birthday, and your unmarried dependent children from age 22 until their 25th birthday, who are enrolled as full-time students at accredited schools.

Your domestic partner will be treated as a spouse and will be eligible for Dependent Life coverage under this plan. Coverage will be subject to the domestic partner written requirements, if any, established by your Employer and in accordance with any applicable state law and all the terms of this Plan.

The domestic partner's dependent children will be eligible under this plan on the same basis as if the children were the employee's dependent children.

Coverage for the domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a domestic partner. The employee may not enroll another domestic partner for a period of 12 months from the date of the previous termination.

The domestic partner and his or her children will not be eligible for conversion of Life Insurance coverage described under the "Converting This Dependent Term Life Insurance.

Adopted Children And Step-Children Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted from the time the child is placed in your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

Dependents Not Eligible We exclude any dependent who is on active duty in any armed force.

Proof Of Insurability We require *proof* that a dependent is insurable, if you: (a) enroll a dependent and agree to make the required payments after the end of the *enrollment period*; (b) in the case of a newly acquired dependent, other than the first newborn child, have other eligible dependents who you have not elected to enroll; or (c) in the case of a *newly acquired dependent*, have other *eligible dependents* whose coverage previously ended because you failed to make the required contributions, or otherwise chose to end such coverage.

A dependent is not insured by any part of this *plan* that requires such *proof* until you give us this *proof*, and we approve it in writing.

If the dependent coverage ends for any reason, including failure to make the required payments, your dependents won't be covered by this *plan* again until you give us new *proof* that they're insurable and we approve that *proof* in writing.

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A newly *acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the date the newly acquired dependent is first eligible, if you notify us and agree to make any additional payments within 31 days after the date the dependent becomes eligible. If you do this more than 31 days after the date the dependent becomes eligible, a *newly acquired dependent* will be covered from the date you notify us and agree to make any additional payments.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. A copy of the approved application is furnished to you.

Exception If a dependent, other than a newborn child, is confined to a *hospital* or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your employee coverage ends. Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

The preceding reduction also applies to an employee's initial insurance amount if his or her insurance starts after he or she reaches age 65 but before he or she reaches age 70.

If an employee is less than age 70 when his or her insurance under this plan starts, the employee's insurance amount is reduced, when he or she reaches age 70, by 65% of the amount which otherwise applies to his or her classification and/or option. But in no case will such reduced amount be less than \$1,000.00.

The preceding reduction also applies to an employee's initial insurance amount if his or her insurance starts after he or she reaches age 70.

Your Group Term Life Insurance

Basic Life Benefit If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.

Proof of Death We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

Your Beneficiary You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving your *employer* written notice, unless you've assigned this insurance. But the change won't take effect until your *employer* gives you written confirmation of the change.

If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

Assigning Your Life Insurance If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your *employer* for details or write to us.

Payment to a Minor or Incompetent If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

Payment of Funeral or Last Illness Expenses We have the option of paying up to \$250.00 of this insurance to any person who incurs expenses for your funeral or last illness.

Settlement Option If you or your beneficiary ask us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depend on what we offer at the time the request is made.

Portability Privilege

- Applicability** This provision applies only to this plan's employee and dependent Basic group term life insurance. It does not apply to supplemental life insurance, if any is included in this plan. And it does not apply to Accidental Death and Dismemberment with Catastrophic Loss Insurance.
- Important Restriction** You may not elect a portable certificate of coverage unless you have been covered by this group plan, or the one it replaced, for employee Basic group term life insurance for at least three consecutive months prior to the date your coverage under this plan ends.
- Portability Of Basic Group Term Life Insurance** You may elect to continue all or part of your employee Basic group term life insurance and dependent Basic group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.
- You may port your coverage if coverage under this plan ends because you: (a) have terminated employment; or (b) stop being a member of an eligible class of employees.
- You may not port your coverage or coverage for any of your dependents, if you: (a) have reached your 70th birthday on the day coverage under this plan ends; or (b) are eligible for this plan's Basic Group Term Life Insurance Extended Life Benefit.
- You may not port your coverage or coverage for any of your dependents if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group plan.
- You may port: (a) the full amount(s) of your Basic term life insurance as of the day your coverage under this plan ends, or (b) 50% of such amount, if such amount under this plan is at least \$50,000.00.
- You may port: (a) the full amount(s) of your dependent Basic term life insurance as of the day your coverage under this plan ends; or (b) 50% of such amount(s) if: (i) your dependent spouse amount under this plan is at least \$5,000.00; and (ii) your dependent child amount under this plan is at least \$2,000.00. However, if you port the full amount of your insurance, any dependent amount(s) ported must be a full amount. And, if you elect to port 50% of your insurance, any dependent amount(s) ported must be 50% of such amount(s).
- You may port: (a) your insurance only; (b) your insurance and insurance of your covered spouse; (c) your insurance and the insurance of all of your covered dependents; or (d) if you are a single parent, your insurance and the insurance of all of your covered dependent children. No other combinations will be allowed.
- To be eligible to port, a dependent must be insured as of the day your coverage under this plan ends.

Portability Privilege (Cont.)

If You Die While Insured If you die while insured for dependent Basic term life insurance, your spouse may port the insurance of your dependents as described above. But, your spouse and dependents must be insured on the date of death. No dependents will be allowed to port if: (a) there is no surviving spouse; or (b) your surviving spouse has reached his or her 70th birthday on the day you die.

The Portable Certificate Of Coverage You or your surviving spouse can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group plan.

The premium for the portable certificate of coverage will be based on: (a) your and/or your dependent's rate class under this plan; and (b) your or your surviving spouse's age bracket as shown in the Basic Life Portability Coverage Premium Notice.

How To Port To get a portable certificate of coverage, you or your surviving spouse must: (a) apply to us in writing; and (b) pay the required premium. You have 31 days from the date your coverage under this plan ends to do this. We won't ask for proof that you are insurable.

Defined Term As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

Information About Conversion and Portability

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

THE FOLLOWING PROVISION APPLIES TO YOUR BASIC TERM LIFE INSURANCE:

B275.0076

Converting This Group Term Life Insurance

If Employment Or Eligibility Ends Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

If The Group Plan Ends Or Group Life Insurance Is Dropped Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$2,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

The Converted Policy The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

Interim Term Insurance If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

Converting This Group Term Life Insurance (Cont.)

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

How And When To Convert To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

Death During The Conversion Period If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

Your Accelerated Life Benefit

IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.

Accelerated Life Benefit If you have a medical condition that is expected to result in your death within 12 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

By "group term life insurance" we mean any Employee Basic Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the six month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

Your Accelerated Life Benefit (Cont.)

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 12 months.

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 12 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

Maximum Benefit Amount The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$100,000.00; or (b) 50% of the inforce amount.

Discount The amount for which you apply is discounted to the present value in six months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

Processing Fee A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.

Payment of An Accelerated Life Benefit If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.

How And When To Apply To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 12 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Your Accelerated Life Benefit (Cont.)

Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.

Please read "Your Remaining Group Term Life Insurance" provision for restrictions that may apply.

**If You Have

Group Term Life
Insurance**

If you have already assigned your group term life insurance, according to the terms of this plan, you can't apply for an Accelerated Life Benefit.

**If You Are
Incompetent**

If you are determined to be legally incompetent, the person the court appoints to handle your legal affairs may apply for the Accelerated Life Benefit for you.

**Your Remaining
Group Term Life
Insurance**

The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

Your Accelerated Life Benefit (Cont.)

The total amount of group term life insurance your beneficiary would Otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit to you if you:

- are required by law to use the payment to meet the claims of creditors, whether or not you are in bankruptcy; or
- are required by court order to pay all or part of the benefit to another person; or
- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- lose your coverage under the group plan for any reason after you elect the Accelerated Life Benefit but before we pay such benefit to you.

Your Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage to an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

Continued Eligibility For Extended Life Benefit

We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit

Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

When This Extension Begins

Once approved by us, your extended benefit will be effective on the later of:

- (a) 09 continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

- When This Extension Ends** Your extension will end on the earliest of:
- (a) the date you are no longer disabled;

 - (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
 - (e) the day before the date you reach age 65.

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

- If You Die While Covered By This Extension** If you die while covered by this extension we'll pay your beneficiary the amount for which you were covered as of your last day of active full-time work, subject to all reductions which would have applied had you stayed an active employee.

- Proof Of Death** We'll pay as soon as we receive
- (a) written proof of your death, that is acceptable to us; and
 - (b) medical proof that you were continuously disabled until your death. This must be sent within one year of your death.

Dependent Term Life Insurance

- The Benefit** If one of your dependents dies while insured for this benefit, we pay the amount shown in the schedule. We pay this in a lump sum when we receive written proof of death. Send the proof to us as soon as possible.

We pay you, if you're living. If you're not, and the dependent was your child, we pay your spouse. If your spouse is not living, we pay the child's living brothers and sisters in equal shares. If there are none, we pay the child's estate. If the dependent was your spouse, we pay your spouse's estate.

- Payment to a Minor or Incompetent** If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

- Incontestability** We can't dispute any medical statements made in the application after a dependent has been insured for these benefits for two years.

Converting This Dependent Term Life Insurance

If Your Group Life Insurance Ends or You Stop Being Eligible Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his insurance.

If This Plan Ends or Life Insurance is Dropped Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

If one of the above happens, and your dependents have been insured by a Guardian group life plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$2,000.00; and (b) the amount of his insurance under this plan less any group life benefits he becomes eligible for in the 31 days after this insurance ends.

If a Dependent Stops Being Eligible A dependent's term life insurance ends when he stops being an eligible dependent. This happens to a child when he reaches the limiting age shown in the schedule or when he marries. And it happens to a spouse when a marriage ends in legal divorce or annulment. If a dependent stops being eligible, that dependent can convert all or part of his insurance.

The Converted Policy The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Ask your employer or write to us for details.

How and When to Convert To get a converted policy, the dependent must apply to us in writing and pay the required premium. He has 31 days after his group insurance ends to do this. We won't ask for proof that he's insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him.

Death During the Conversion Period If a dependent dies in the 31 days allowed for conversion, we pay the amount he could have converted, as stated above. We do this whether or not he applied for conversion.

ELIGIBILITY FOR DISABILITY COVERAGE

B329.0002

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee* as explained below under Other Conditions. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 750 hours per year), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. Other parts of this coverage explain if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

When Your Coverage Starts Employee benefits that don't require proof that you are insurable are scheduled to start on your effective date.

Employee benefits that require such proof won't start until you send us the proof and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, your effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

When Your Coverage Ends Your long term disability coverage ends on the date your active *full-time* service ends for any reason except as noted below under "Coverage During Temporary Layoff or Leave of Absence".

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

However, if you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan's* pre-existing condition provision; and (b) the period for which benefits are payable under the *plan*.

Coverage During Temporary Layoff or Leave of Absence

If your active full-time service ends because you are laid off or on an *employer* approved leave of absence, your insurance may be continued, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or *employer* approved leave of absence; and (b) 60 days following the date the temporary layoff or approved leave of absence begins. If you become disabled under this *plan* while your coverage is being continued during a temporary layoff or leave of absence, your eligibility for benefits will be governed by all the terms of this *plan*.

Gap/Transition Periods:

Eligibility for coverage will be continued for an employee who leaves to take a new assignment in another UU congregation, or for a minister who is transitioning between congregations, provided they return to employment within 6 months from the date of leave. This will be subject to payment of premium. If you become disabled under this plan while your coverage is being continued during your leave to a new assignment or transition between congregations, your eligibility for benefits will be governed by all the terms of this plan.

This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. Other Income Not Subject to Deduction: We will not reduce your *gross monthly benefit* by any income you receive or are entitled to receive from the list below.

Lump Sum Payments of Other Income: Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine your *monthly benefit*. If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the expected remaining number of months for which you would be entitled to benefits from this *plan*, based on the proof of loss submitted to us.

Cost of Living Freeze: You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your monthly benefit by the amount of such increase.

In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

Adjustment of Monthly Benefit for Disability Earnings:

We adjust the *monthly benefit* for *disability earnings* as follows.

For each of the first 24 months of payments, following the date you first have *disability earnings*, add your *gross monthly benefit* and your *disability earnings*.

- (a) If the sum is not more than 100% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If the sum is more than 100% of your indexed *insured earnings*, we reduce your *monthly benefit* by the amount over 100% of your indexed *insured earnings*.

For each month thereafter, we pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- (a) If your *disability earnings* are less than 20% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If your *disability earnings* are 20% or more of your indexed *insured earnings*, we reduce your *monthly benefit* by 50% of your *disability earnings*.

Method 2:

- (a) Subtract your *disability earnings* From your indexed *insured earnings*.
- (b) Divide the result in (a) above by your indexed *insured earnings*.
- (c) Multiply the result in (b) above by your *monthly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from month to month, we may adjust your *monthly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current month's *disability earnings* and the prior two months *disability earnings*.

Maximum Allowable Disability Earnings: This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than the limit shown below:

- (a) During the *elimination period* and the *own occupation* period, the limit is 80% of your indexed *insured earnings*.
- (b) After this *plan* has paid benefits for 24 months in a row, the limit is 60% of your indexed *insured earnings*.

Indexing: We apply an indexing factor to your *insured earnings* on the date you have received 12 consecutive monthly payments and each anniversary thereafter. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the *CPI-W* from the prior December.

Minimum Payment: The minimum monthly payment for *disability* under this *plan* is the larger of: (a) 10% of your *gross monthly benefit*; or (b) \$100.00.

Limitations and Exclusions

Disabilities with a Limited Maximum Payment Period We limit the *maximum payment period*, if you are *disabled* due to: (a) a *mental illness*; or (b) drug or alcohol abuse. However, if you have a coexistent condition, not subject to the limitations in this section, which is *disabling* in and of itself, we will not limit benefits as described below.

The *maximum payment period* for all periods of *disability* due to: (a) a *mental illness*; or (b) drug or alcohol abuse is 24 months. This is a combined maximum for all such conditions and all periods of *disability*.

No benefits will be paid for *disability* due to a *mental illness* or drug or alcohol abuse if you are not receiving treatment for the cause of the *disability* from a provider, or in a facility that is: (a) licensed by the state to provide treatment for such condition; and (b) accredited or approved by the Joint Commission on the Accreditation of Health Care Facilities or Medicare.

If payments under this *plan* would end due to the limits in this section, we may extend such payments, as shown below. But, you must meet all of the following conditions: (a) you must be *disabled* due to a condition named above; (b) you must be an inpatient in a qualified institution because of your *disability*; and (c) you must have been treated as an inpatient for at least 14 days in a row. In such case, we extend payments until the earliest of: (i) 90 days from the date of your discharge; (ii) the end of this *plan's maximum payment period*; or (iii) the date your *disability* ends.

The term "qualified institution" means a legally operated hospital or other public or private facility licensed to provide inpatient medical care and treatment for the cause of your *disability*.

- (a) receive advice or treatment from a *doctor*;
- (b) undergo diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a *doctor*;
- (c) are prescribed or take prescription drugs; or
- (d) receive other medical care or treatment, including consultation with a *doctor*.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in the your benefit election that increases the benefit payable by this *plan*.

No benefits are payable for *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

Your *disability*: (a) caused by; (b) contributed to by; or (c) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

Prior Coverage Credit: If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum monthly benefit* under this *plan* if: (a) it is more than the maximum monthly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

The intent of these services is to: (a) assist *disabled* persons in reaching better outcomes; and (b) support the *employer's* absence management goals by promoting stay-at work and return-to work agendas where possible.

The key to success of an early intervention program is prompt notification of work absences which have the potential to exceed this *plan's elimination period*. With a prompt notification, we are able to more effectively manage the potential claim.

When you are *disabled* from one of the conditions listed below, a long term disability claim form should be completed as soon as possible following the date of *disability*. To facilitate an immediate intervention, the form should be submitted to us within one week of the date your *disability* begins.

- Chronic fatigue conditions, including Epstein-barr syndrome
- *Mental illness*
- Repetitive motion syndromes or injuries
- Fibromyalgia
- Back pain/strain
- Neck pain/strain
- Chronic pain
- Diabetes

Examples of services, which we may provide, at our discretion, include, but are not limited to: (a) job accommodation; (b) ergonomic adjustments to workstations; (c) proactive case management consultations with your *doctor* or other providers of medical care.

Insured Earnings Only your earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of your *insured earnings* as of the Redetermination date immediately prior to the start of your *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 12.

- (a) Your compensation as an employee or S Corporation shareholder, as reported on your Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) Your non-passive income (loss) from trade or business as reported on Schedule E-Part II of your Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on your Return; and
- (c) Your contributions during the prior calendar year, deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

You may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, your earnings are based on the monthly average of the sum of the listed amounts, averaged for the full number of months that you were a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average monthly net profit as determined from Schedule C - Part II of your Federal Income Tax Returns, Form 1040, for the prior calendar year; plus (b) your average monthly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Monthly net profit is calculated as gross income less total expenses. You may not have been a sole proprietor for the previous calendar year. In this case, we calculate average monthly net profit and average monthly contributions using the full number of months that you were a sole proprietor during such calendar year.

For All Other Covered Persons:

Insured earnings means: (a) your base monthly salary; plus (b) housing allowance as reported on the prior calendar year W-2 form, box 14. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information
about Your Plan and
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Life Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination of Life Insurance Claims The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

Adverse Benefit Determination of Life Insurance Claims

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

Appeals of Adverse Determinations of Life Insurance Claims

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

Waiver of Premium If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeals of Adverse Determinations for Waiver of Premium If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

New York, New York 10001
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. Accidental Death and Dismemberment Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

Waiver of Premium If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. STATEMENT OF ERISA RIGHTS

**The Guardian Life Insurance Company of America
10 Hudson Yards
New York, New York 10001
(212) 598-8000**

Your group Short Term and/or Long Term Disability Income benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210.
