### We're Hiring!

The UUA Office of Church Staff Finances has posted an opening for a Compensation and Benefits Specialist. This is a newly created position, designed to strengthen our support for congregational leaders in classifying employees and administering benefits.

Note that this position is geographically open. Please share [this position description](#) within your networks and help us find our next teammate!

---

### Updated COVID-19 Guidance

The current surge in the highly transmissible Delta variant has made it complicated— even more complicated than it already was — to plan for the new program year. To support congregational staff and lay leaders in making decisions that are right for this moment, the UUA COVID-19 Resource Team has issued this [Updated Gathering Guidance](#).

In addition, a number of existing COVID-19 pages have been revised, including:

- [Guidance for Outdoor Gatherings](#)
- [Guidance for Singing](#)
- [Masking in Covenantal Community](#)

Information will continue to be added and amended as appropriate.
