Transformation means to adapt to a changing world and to grow spiritually.

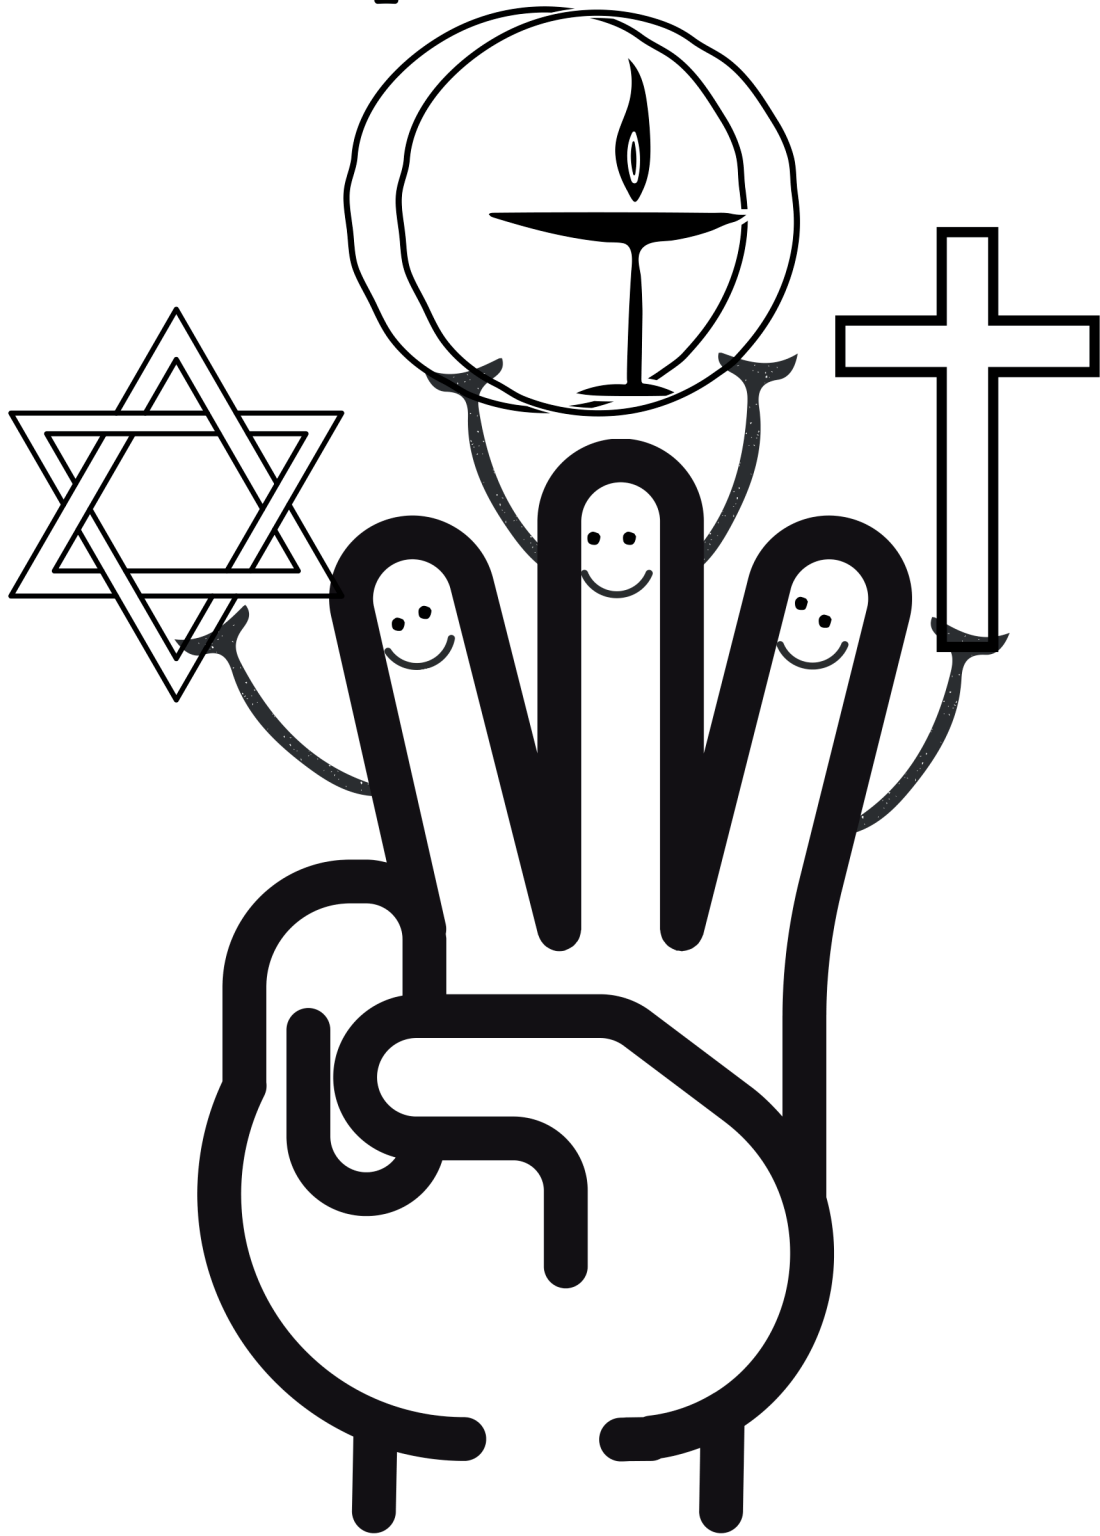

TRANSFORMATION

Equity means that everyone should be treated with inherent worth and dignity. This makes people feel like equals.

**Being able to hold many views at once
and learn from each other is the value of
pluralism.**

P L U R A L I S M

**We need to be strong to dismantle racism
and fight for justice.**

J U S T I C E

**Share the things you have that
make a difference to others like
faith, presence and resources.**

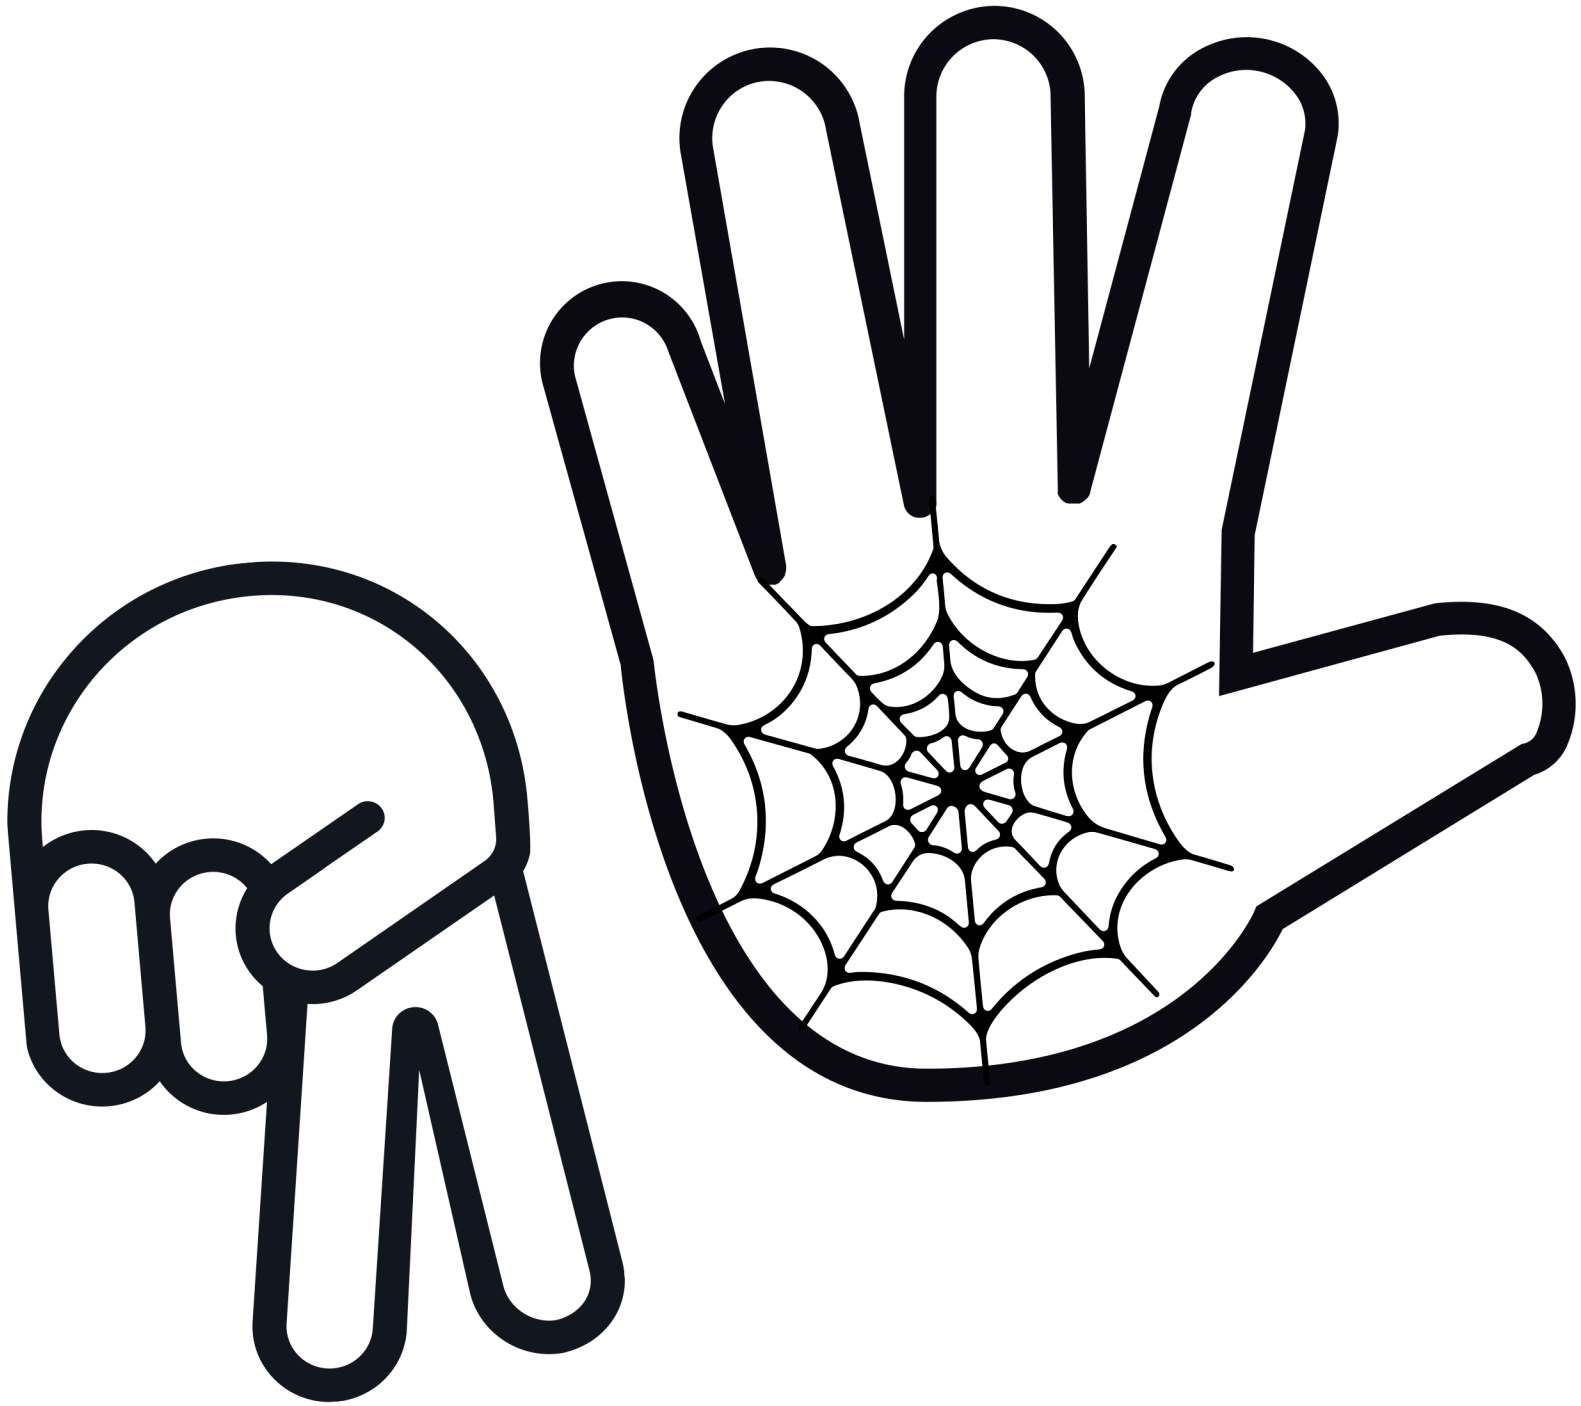

G E N E R O S I T Y

**Love is at the center of all of our
values. Love is the power that holds
us together.**

We are connected and depend on one another.
