

## 2026 Sing Out Love Subscription Fees

**SING OUT LOVE** IS A LIVING COLLECTION OF SONG RESOURCES, GROUNDED IN **UU** VALUES, OFFERED ON AN ACCESSIBLE, EQUITABLE, ONLINE PLATFORM. **SING OUT LOVE** WILL HELP **UNITARIAN UNIVERSALISM** LIVE INTO OUR PROPHETIC CALLING AS A JOYFUL, LIBERATORY, AND ANTI-OPPRESSIVE FAITH.

*Sing Out Love* prioritizes an equitable payment structure for its composers and embedding **all permissions within each subscription**. Any congregation/organization with an active subscription can confidently use all of *Sing Out Love's* resources in worship, trusting that these creators have been compensated fairly.

Our multilayered subscription system reflects our goal of equity, including a 20% discount to recognize [Honor Congregations](#) in the U.S. and thank them for their ongoing stewardship:

We've used the [Purchasing Power Parity metric](#) from the IMF to adjust subscription rates, dividing the current exchange rate (1.37:1) by the Canada/US PPP ratio (1.18:1) to arrive at a ratio of 1.16:1 to get the equivalent in Canadian currency.

Canadian Subscription Rates			
	monthly rate	annual rate	3-year rate
Large (>501)	US \$42 ≈ CAN \$57	US \$424 ≈ CAN \$577	US \$1144 ≈ CAN \$1556

### **Why do Honor Congregations get a discount?**

We want to express gratitude to Honor Congregations (those who contribute the full amount requested to the Annual Program Fund). We're an Association of Congregations, and participating fully in the stewardship of our Association is what is asked of us. Your support makes the work of the UUA possible. Thank you!

### **Do I still need to subscribe to OneLicense, CCLI, or CCS with this subscription?**

Yes, this subscription and all of its permissions are only applicable to the included content. You'll still need to subscribe to other licenses in order to perform other choral, instrumental, or congregational music not included in *Sing Out Love*.
