

# Certificate of Graduation

This certifies that

\_\_\_\_\_ has completed their journey with the  
Beloved Community Collective

They have learned the ways of covenant, practiced building community across difference, and discovered that joy is deeper when we create it together.

May the light of the Covenant Lighthouse guide their path forward, and may they carry the bonds forged on this journey into all the communities they build.

Witnessed by:

Teapot, Misty, Rockenroll, and Chalix

The Crew of the Beloved Community Collective Airship

This \_\_\_\_\_ day of \_\_\_\_\_
