Looking Back:

The Commission discussed feedback we are hearing on *Who's In Charge Here?* Feedback is generally positive, and there are some people using the report for reflection in various forums. Some express some desire for more detail in places, and there is a continuing wish for congregations to receive copies.

The Commission discussed tasks remaining in follow-up on *Who's In Charge Here?* Remaining tasks include working with the Board on getting money to distribute the report to congregations, and archiving the report.
