| □ Other:   |

Complete the following self-assessment, indicating your perception of the circumstances in your congregation during the past three years.

| Congregational Culture                | Never | Hardly Ever | Sometimes | Often | Always |
|---------------------------------------|-------|-------------|-----------|-------|--------|
| Past generosity and stewardship       |       |             |           |       |        |
| contributions are honored (archives,  |       |             |           |       |        |
| history documents, plaques, etc).     |       |             |           |       |        |
| Stewardship is broadly defined (more  |       |             |           |       |        |
| than just money) and its meaning is   |       |             |           |       |        |
| understood by the congregation.       |       |             |           |       |        |
| We have conversations about money     |       |             |           |       |        |
| and its use (both personal/family and |       |             |           |       |        |
| congregational finances).             |       |             |           |       |        |
| Congregants feel welcome, regardless  |       |             |           |       |        |
|                                       |       |             |           |       |        |
| of their socio-economic situation.    |       |             |           |       |        |
| Stewardship policies, procedures, and |       |             |           |       |        |
| materials celebrate congregants for   |       |             |           |       |        |
| their generosity, whether gifts are   |       |             |           |       |        |
| small or large.                       |       |             |           |       |        |
| We have a current and vibrant         |       |             |           |       |        |
| mission/vision statement that is used |       |             |           |       |        |
| to align all programs and activities. |       |             |           |       |        |
| We have an intentional plan to        | •     |             |           | ·     |        |
| welcome and nurture new               |       |             |           |       |        |
| congregants.                          |       |             |           |       |        |

| Membership/Polity                        | Never | Hardly Ever | Sometimes | Often | Always |
|--|-------|-------------|-----------|-------|--------|
| Congregation-wide conversations          |       |             |           |       |        |
| inform financial decision-making and     |       |             |           |       |        |
| budgeting.                               |       |             |           |       |        |
| The Suggested Fair Share Giving          |       |             |           |       |        |
| Guide is widely used and congregants     |       |             |           |       |        |
| indicate when they are Fair Share        |       |             |           |       |        |
| givers.                                  |       |             |           |       |        |
| The path to membership is clear,         |       |             |           |       |        |
| stewardship expectations are shared,     |       |             |           |       |        |
| and pledges are received during the      |       |             |           |       |        |
| process.                                 |       |             |           |       |        |
| The expectations of membership are       |       |             |           |       |        |
| clear and include contributions of time, |       |             |           |       |        |
| talent, and treasure.                    |       |             |           |       |        |
| All forms of stewardship                 |       |             |           |       |        |
| communication are caring and             |       |             |           |       |        |
| inspiring.                               |       |             |           |       |        |
| Many congregants share responsibility    |       |             |           |       |        |
| for the annual budget drive; volunteers  |       |             |           |       |        |
| readily step up to help.                 |       |             |           |       |        |
| There is little variance between annual  |       |             |           |       |        |
| pledges and payment of those             |       |             |           |       |        |
| pledges.                                 |       |             |           |       |        |

| Ministry/Caring and                      |       |             |           |       |        |
|--|-------|-------------|-----------|-------|--------|
| Worship/Music                            | Never | Hardly Ever | Sometimes | Often | Always |
| Stewardship is understood as part of     |       |             |           |       |        |
| faith development and is directly        |       |             |           |       |        |
| related to living our values.            |       |             |           |       |        |
| Belief in interconnectedness spurs       |       |             |           |       |        |
| conversations about economic justice     |       |             |           |       |        |
| and being in the right relationship with |       |             |           |       |        |
| money.                                   |       |             |           |       |        |
| The worship service collection is a      |       |             |           |       |        |
| symbolic and spiritual time that         |       |             |           |       |        |
| includes engaging requests to make a     |       |             |           |       |        |
| financial contribution.                  |       |             |           |       |        |
| All congregants, including small         |       |             |           |       |        |
| children, teens, young adults, the       |       |             |           |       |        |
| middle-aged, and seniors are asked to    |       |             |           |       |        |
| make stewardship commitments as          |       |             |           |       |        |
| they are able.                           |       |             |           |       |        |
| The minister and lay leaders offer       |       |             |           |       |        |
| stewardship-related worship services.    |       |             |           |       |        |
| Congregants give and receive             |       |             |           |       |        |
| graciously and generously of their time, |       |             |           |       |        |
| talents, and treasures.                  |       |             |           |       |        |
| We honor congregants' legacies with      |       |             |           |       |        |
| planned giving/memorial programs.        |       |             |           |       |        |
