

# AIW WORKSHEET

The Commission on Social Witness screens proposed Actions of Immediate Witness according to the criteria of grounding, fit, and opportunity as well as significance, immediacy and specificity (see Bylaw Section 4.16). Preference is given to proposed Actions of Immediate Witness that emerge from a documented group process.

You must submit both an abstract and a full text.

Abstract: -- A 100 word description.

This is all delegates will see Saturday morning when they vote for 3 AIWs they wish to consider for final adoption on Sunday.

Text

Text may be either Narrative or Resolution Style. Either should address the criteria of **Grounding, Fit, Opportunity, Significance, Specificity** and **Immediacy**. Use text to explain the criteria in order of your preference. Must be no more than 500 words.

For Resolution Style, the number of clauses – e.g. 2 ‘Because,’ 2 ‘Whereas,’ and 2 ‘Resolved,’ are merely a suggestion. You may include one or multiple clauses of each kind. In fact, because clauses, while recommended, are not required.

If you want to provide documentation to support your points, only CSW will see the materials. They will not become part of the AIW itself, if adopted. They will also not count toward your 500 words.
