

Commission on Social Witness
Of the
Unitarian Universalist Association
Notes 6/19/2012

Commissioners present: David May (Chair), David Breeden, Caitlin DuBois, Susan Goekler

Commissioner absent: Heather Starr

Staff/consultant present: Audrey Ferguson

David May convened the meeting at 7:00 p.m. in the Board room of the Hyatt Regency, Phoenix.

After checking-in, the Commissioners reviewed the GA agenda and their assignments for programs and for staffing the exhibit. In the absence of any statements of conscience that might need revising or Actions of Immediate Witness, the primary exhibit function will be to obtain feedback from GA attendees on the CSW's proposals for alternative ways to witness immediately during GA. Audrey will provide a laptop that volunteers can use to enter responses during slow times in the exhibit hall.

The CSW purchased an LCD projector, which is being shipped by Kat Liu. Susan Leslie has asked to use it for a session Saturday. David May might need it for the GA orientation on Wednesday. Audrey will take responsibility for taking it to Boston after GA and getting it to the UUA office so it will be available for the August meeting.

We asked Audrey to prepare some promotional materials for CSW sessions. Susan and David will prepare CSW Alerts. Commissioners agreed to look for immigration-related sessions to attend when they are free to go to sessions. Susan will seek opportunities to get an appreciation treat for the volunteers. The Commissioners, staff, and significant others will have dinner Sunday night.

The next CSW meeting will be Monday a.m. in the restaurant on the 2nd floor of the Hyatt.
