Welcome to the 56th annual General Assembly of our Unitarian Universalist Association.

Some tourists in New Orleans this week may be hoping “what happens here, stays here.” I am hoping for the opposite: “what happens here goes home with us!” May we take the things we learn here back to our congregations, and use them to address the challenges which are all too similar, all over our nation.

This does not mean that we shouldn’t enjoy ourselves. Celebration can be a powerful form of resistance. For centuries, the people of this delta have faced numerous oppressors. They have learned to Resist and Rejoice, and to resist by rejoicing. May we honor that tradition, and rejoice and resist with respect.

I offer a special welcome to those who are attending a GA for the first time. May your experience be powerful, challenging, and healing, all in a balance which is ultimately joyful.

See you in the General Session Hall,

Rev. Chip Roush, Chair, GA Planning Committee

WE COVENANT TO FOSTER
MULTICULTURAL DIALOGUE AND COMMUNITY:

- Assume positive intent on the part of fellow participants.
- Ask questions from the standpoint of “holy curiosity.”
- Use “I” statements when sharing experiences, feelings, and opinions.
- Withhold unsolicited personal judgments.
- Speak from your own experience; you are the only “you.”
- Do not ask others to speak as “experts” on their particular culture, race, or ethnicity.
- Set your own boundaries for personal sharing.
- Be willing to examine and grapple with the ways personal assumptions shape your “truths.”
- Speak personal “truths” in constructive and civil ways.
- Communicate carefully. Honor other people’s personal “truth(s).”
- Speak personal concerns directly with that person, not about them.
- Recognize that building community is difficult; take risks.
- Respect and validate other people’s experiences.
- Share your personal stories and learning with others; respect those of others.
- Challenge yourself to hear, see and experience old and new information with an open heart with eyes and ears focused on present and future.

By this Covenant, we honor the spirit of Sankofa: looking back in order to look forward.

ACCESSIBILITY SERVICES

Persons with vision, hearing, mobility impairment or other special needs will find information about various kinds of assistance and accommodation information at the Accessibility Table. The table is located in the Lobby A of the Convention Center. The General Session Hall is equipped with an induction Hearing Loop that allows people who wear hearing aids and cochlear implants to directly receive the sound from the PA system in their own hearing aids without having to pick up a separate listening device. Switch your hearing instrument to “T” mode to connect to the signal. Wireless headsets are available at the Accessibility Table for those without t-coil equipped hearing instruments.

ALCOHOL

No alcoholic beverages will be served or allowed at any Planning Committee sponsored event. All events during General Assembly offering alcoholic beverages must also offer attractive non-alcoholic beverages with equal accessibility and prominence. No alcoholic beverages will be served to anyone under the age of 21. As a community we are committed to GA being a safe environment. All attendees are encouraged to support this goal. [See also Recovery Meetings.]

ANNUAL PROGRAM FUND (APF)

Annual Program Fund: Amplifying Unitarian Universalism! The UUA Stewardship and Development booth is located in the lobby outside the Great Hall of the Convention Center. We will recognize the exceptional generosity of our Merit, Leadership and Honor, Honor 10+, Honor 25+ year congregations. Join us to celebrate the connections between all of our congregations.

ANTI-RACISM, ANTI-OppRESSION

In 1994 and 1997 resolutions at General Assembly were passed calling on the UUA to become an anti-racist, multicultural faith community and to commit to working to remove barriers to persons with disabilities. Guided by our principles and in the spirit of these resolutions, all attendees are asked to be mindful of the ways racism, ableism and oppression impact our community and the larger community that is hosting our gathering. There are numerous opportunities through workshops and other programs to expand your awareness and deepen your understanding, as together we strive to be a welcoming, inclusive and affirming community for all.

BANNER PARADE

Banner Parade carriers may register banners and line up on Wednesday from 6:30 p.m. to 7:25 p.m. in the Convention Center Hall B2-1 & B2-2. Carriers must wear their name badge. Hung banners may only be collected by the authorized individual indicated on the banner registration form. Banners can only be collected on Sunday between the hours of 11:30 am to 2:00 p.m. in Convention Center Hall B2-1 & B2-2. COMMISSION ON SOCIAL WITNESS, UUA
The CSW’s mission is to help UUs put our Principles and Purposes into action. The CSW assists the UUA and its member congregations by facilitating the articulation of suggested Congregational Study/Action Issues (CSAIs) and educating UUs in potential social change inherent in CSAIs. After four years of studying the CSAIs, the CSW prepares and presents to the Assembly draft Statements of Conscience.

CYBER CAFÉ AND CHARGING STATION
Check your e-mail and charge your phone or tablet in the Cyber Café, Booth #733 in the Exhibit Hall. The Cyber Café is made possible by the generous sponsorship of Church Mutual Insurance.

DELEGATES
Bring the delegate credential document you obtained from your congregation with you to the registration area (Great Hall Lobby of the Convention Center) to pick up your GA name badge and to credential as a voting delegate. There you will receive your delegate voting card and ribbon. You must have your voting card and ribbon to vote in the General Session. Report to the Credentialing Special Circumstances station to fill out an affidavit to replace lost materials (credential document, voting card, ballot stub, ribbon) or to replace a member delegate with an alternate. Alternate delegates must present their name badge and a signed alternate credential card along with the name badge, ribbon, and voting card of the original member delegate. See also ELECTION.

DISRUPTIVE PERSONS
General Assembly strives to be an inclusive community, affirming our differences in beliefs, opinions and life experiences. When disruptive, discriminatory, or harassing behavior compromises the health of this community, our actions as people of faith must reflect an emphasis on safety and security of those assembled. A person whose presence or behavior disrupts General Assembly or endangers the health or safety of others may be asked to leave. UUA staff, Planning Committee members, chaplains, the Right Relationship Team and mental health professionals will be consulted as appropriate.

DRUUMM TRACK
Much of the programming at General Assembly on social justice in years past has tended to focus on changing the predominantly white UU institutions - through efforts to diversify, educating white middle class UUs on their internalized racism, white privilege, and preferential language of “allyship.” While these are not futile pursuits on their own, the membership of DRUUMM, by and large, hasn’t felt that these efforts have produced a significant environment of inclusion in our congregations. We believe that this is due to the implicit focus on the benefit of such changes to the white institutions adopting them, rather than to the people of color already within them, as well as those who might otherwise join in the future.

For this General Assembly in New Orleans, DRUUMM is committed to explore what it means to decentralize whiteness in Unitarian Universalism (and the greater communities we live in) through programming created by and for UUs of color. The program track will shift the focus toward the creation of a Unitarian Universalism without whiteness as its cultural, theological, and institutional center. This is a significant paradigm shift - away from attempting to gain acceptance by white UUism, and instead turning our energies to minister more effectively to and with one another. To this end, our six workshop track in addition to our evening activities are explicitly for people of color.

ELECTION
At this GA we will elect our next UUA President and open Board and Committee positions. On Saturday from 7:30 a.m. to 5:00 p.m. delegates may scan their GA name badge at voting kiosks in the Great Hall Lobby of the Convention Center to vote. The Presidential Candidate’s Forum will be held on Friday at 8:00 p.m. in the Great Hall. Election results will be announced on Saturday at the close of Synergy Bridging Worship in the Great Hall.

EMERGENCIES
In the event of a medical or other emergency at the New Orleans Convention Center pick up the RED EMERGENCY TELEPHONE, dial 3040 from any other phone in the building or call (504) 582-3040. to contact Public Safety Dispatch. Please refrain from calling 911. The convention center is very large; Facility and Public Safety personnel coordinate the movement of emergency services to the scene. A roving police officer will be onsite at all times during General Assembly. In case of non-emergency medical needs, go to the GA Local Information table in Lobby A of the Convention Center. The First Aid station in the Convention Center is located in the Lobby B across from Hall B2-1. Please inform the GA Office immediately of any medical emergencies or accidents.

EVENTS OPEN TO THE PUBLIC
All participants in General Assembly programmed events must be registered for the conference. This includes program participants, presenters, invited guests, performers, office support staff, relatives, hosts, and dignitaries. This policy is consistent with our principle of equity and avoids arbitrary distinctions. GA registrants receive access to all events listed in this Program. GA name badges are required for admission to all GA programmed events, including evening entertainment, the Exhibit Hall (Wednesday-Saturday), the Closing Celebration and the Ware Lecture. The only GA programmed events that will be open to the public (registration not required) are the Opening Celebration, the Service of the Living Tradition, the Public Witness, the Sunday morning worship, and, on Sunday only, the Exhibit Hall.

EXHIBIT HALL
The Exhibit Hall, located in Hall B-1 of the Convention Center, is a networking hub for the exchange of information and ideas. It features exhibits and sales by social justice organizations, UU-related organizations, individual UU artisans, and a variety of other organizations and vendors. Refreshment concessions are available during hours the Exhibit Hall is open. There is also a lounge for dining and visiting with other attendees. The UUA is committed to a diverse marketplace of ideas. Participation in the Exhibit Hall does not necessarily mean the UUA endorses the position of any given exhibitor.

The UUA is committed to assuring that all participants are safe from abuse and harassment. Any harassment regarding race, color, national origin, religion, age, sex, gender, sexual orientation, disability, economic class, or employment will not be tolerated. Sexual harassment includes unsolicited remarks, gestures, or physical contact, requests for sexual favors, repeated sexual advances after an initial turn down, or other verbal or physical conduct of a sexual nature that creates an intimidating, hostile, or offensive environment. Religious professionals are to follow their codes of conduct to avoid misconduct or harassment. Any GA participant who believes that they are the victim of harassment should contact either a chaplain or the Right Relationship Team.

PARKING
Ample parking is available at the Convention Center for a daily fee. For more information go to www.mccno.com/about-us/maps-directions.
RESTROOMS
For transgender and/or gender non-conforming people, the use of public restrooms can come with emotional and physical harassment. As a step toward being a Welcoming Assembly, many restrooms throughout the Convention Center are designated for use by all genders. Gender-specific men’s and women’s restrooms are also available. In all restrooms we ask you to trust that individuals know which restroom is most comfortable and appropriate for them.

When choosing what restroom to use, we encourage you to thoughtfully examine and challenge your assumptions around gender identity and gender expression. We invite compassionate and ongoing dialogue around these issues, and as part of our work toward right relationship, it is important to remember that personal processing should not be done with transgender and/or gender non-conforming people. We encourage you to contact a GA chaplain if you need support in this work.

RIGHT RELATIONSHIP TEAM
The Right Relationship Team, a resource available to GA attendees, exists to listen and engage with people who have experienced any form of oppression or identity based marginalization during GA. We know from experience that we are still learning how to avoid perpetuating the biases of the larger culture amongst ourselves. GA is among the most diverse gatherings of UUs and in this setting we know we are going to make mistakes. People will make hurtful assumptions about other people based on their actual or perceived race, ethnicity, ability, age, gender, sexual orientation or other identities. When that happens, it is our sincere hope that GA attendees will take it as an opportunity for learning how to engage in ways that are not oppressive. Should you need assistance naming your experience, speaking with others involved or exploring how to make amends, the Right Relationship Team will be there to help. To reach the Right Relationship Team call (617) 948-4334.

SAFETY
For safety reasons, we suggest the following common-sense precautions for any visit to an unfamiliar city. Remove your name badge when leaving the convention area. Walk “smart” – know your destination and the best way to reach it. Stay in populated areas; avoid alleys and short-cuts. Establish a “buddy” system with another attendee, especially at night. Build your awareness of unknown surroundings by reviewing information on the area, especially maps and guides.

SERVICE OF THE LIVING TRADITION
The Service of the Living Tradition, honoring the ministry of fellowshipped and credentialed UU religious leaders, will be held Thursday from 8:00 p.m. – 9:30 p.m., in the Great Hall of the Convention Center. It is open to all. See page 31 for more details.

SERVICE PROJECT
This year’s service project is Families and Friends of Louisiana’s Incarcerated Children. By developing parent leaders empowered to serve as change agents in their communities and through policy advocacy and grassroots organizing, FFLIC fights the historical inequalities, concentrated poverty, racial disparities in discipline, and segregated education that push our children out of school and into the prison pipeline. To learn more, please visit our booth in the Exhibit Hall (Booth #500).

SUNDAY MORNING WORSHIP
Join us for the largest annual gathering of UUs in worship. This powerful, communal worship experience will take place in the Great Hall of the Convention Center Sunday morning at 9:00 a.m. Members of the public are welcome to attend Sunday Worship. See page 49 for additional information on the service.

Youth Caucus is a series of programs and events during GA organized by and for high-school-aged youth where we build sacred community to refocus our faith. Youth are also encouraged to attend other GA programming. UUs of all ages are welcome to attend youth events. The schedule of Youth Caucus business meetings and events can be found on page 17. For youth and sponsors arriving after Wednesday’s required orientation, additional orientations will be offered at 8:30 a.m. on Thursday, Friday and Saturday in the Youth Caucus room. Youth and their sponsors are required to attend an orientation and must attend the first orientation that occurs after their arrival. For most attendees, this will be the Wednesday orientation.

FAMILIES AND FRIENDS OF LOUISIANA’S INCARCERATED CHILDREN (FFLIC)

Sunday Morning Worship Collection

The Service Project collection taken at the Sunday Morning Worship during General Assembly 2017 will benefit the Families and Friends of Louisiana’s Incarcerated Children (FFLIC). The mission of the FFLIC is to create a better life for all of Louisiana’s youth, especially those involved in or targeted by the juvenile justice system.

The scope of their work includes Transformative Leadership Development, Juvenile Justice Reform, and Stopping the School to Prison Pipeline.

BIG EASY / REAL LIFE: AN IMMERSION EXPERIENCE

Pre-registration required

On Saturday at 8:30 a.m. to 4:30 p.m. participants will work on a rebuilding project that helps families displaced by Hurricane Katrina, or recent tornado, to return home. With support from Long Haul staff and Starr King School for the Ministry faculty, participants will immerse themselves in the culture and history of New Orleans and learn more about local movements for racial, economic and climate justice. Attendance is mandatory at a preparation workshop #228 on Thursday at 3:15 p.m. in 204-205. Age 18 minimum (16 if parent is present). Transportation will be provided on Saturday.

“DAYS FOR GIRLS” SUSTAINABLE MENSTRUAL HYGIENE KITS FIGHT POVERTY AND ISOLATION.

Pre-registration required

An assembly line of volunteers will package kits to distribute to girls in New Orleans and around the world. Those who register for the assembly line are encouraged to attend the Days for Girls Workshop #330 on Friday at 3:15 p.m. in 204-205. The workshop will cover the mission of Days for Girls, the activities of its chapters, how the kits afford girls the freedom to attend school, and how to assemble the kits.

The assembly line will form in the GA Exhibit Hall beginning at 10:00 a.m. on Saturday.

THE RED FLAME HUNTERS AND THE FLAMING CHALICE KEEPERS CREATE!

Pre-registration required

Members of the unique all-youth Black Mardi Gras Indian Tribe will share the history of their art and celebrations and demonstrate how they create their performances and costumes rich with beadwork and feathers. The morning begins with a short guided tour through the neighborhood that inspires the creativity and growth of the Hunters. Then Hunters will train UUs—“Flaming Chalice Keepers” for this day—to sew beadwork, to assemble bead patches into one creation, to lead chants, and to move as the “Hunters” move. A beaded globe featuring UU and Mardi Gras Indians’ symbols will emerge from the collective work. UUs will be enabled to carry the lessons and stories home. Please indicate when you register if you have a special interest or ability in sewing, chants and song, or dance. Bus leaves at 8:00 a.m. on Thursday for the International High School of of New Orleans and will return by 12:15 p.m.

UBUNTU VILLAGE AND UUS, EMBRACING YOUTH AWAY IN JUVENILE DETENTION

Pre-registration required

Ubuntu Village is an organization whose program areas comprise many services for incarcerated and formerly incarcerated youth and their families. Our project begins at a school near the convention center where leaders of Ubuntu Village and formerly incarcerated young adults will describe the group’s work and UUs will assemble care packages for the 48 youth currently in pretrial detention in the City of New Orleans. Then we will all go together into the detention center to deliver the care packages. Bus leaves the Convention Center at 8:00 a.m. on Thursday and will return by 12:15.

First Principle Project

The First Principle Project proposes to change our first principle from “every person” to “every being.” A yes vote at General Session will start a 1-2 year study commission to begin discussion of this proposed change.

The FPP is not just about discussing a bylaw change; it is also about deepening our faith and relationships through conversations with each other. How can we live more deeply connected to all of life? How can we grow our compassionate actions in response to the suffering of others? What does it mean to be human in a multispecies world?

The FPP is not a litmus test for behavior, but an aspiration that asks us to live into the questions. We hope exploring these types of questions in community will create a reality that will nurture us and help us nurture others.

Events at General Assembly

On-going: Facilitated conversations throughout GA. Visit our Facebook page to see times, and come to our booth to sign up.

Booth #414 - We invite everyone to come by our booth to talk to us and learn more about FPP.

Date & Time TBA: Mini Assembly to discuss the amendment

Date & Time TBA: General Session to vote on the amendment—leading to a 1-2 year study commission process

FPP Sponsors

As of March 20, 2017, twenty-five congregations passed the FPP; four organizations have also endorsed the FPP: UUAM, UUBF, CUUPS, UU Food Justice Ministry.

We will be accepting donations for Animal Rescue New Orleans. Their indigent program seeks to help humans and animal companions together. This is an example of how FPP calls us into relationship with all who are caught up in interlocking oppressions.

PUBLIC WITNESS: #LOVERESISTS REJOICING FOR SANCTUARY & SOLIDARITY

Get ready for a faithful and festive call to action! Across the country, people of faith and conscience are engaging through the Love Resists campaign to resist hate and fear and respond to today’s justice movement moment. In New Orleans, Unitarian Universalists will celebrate expanding the notion of sanctuary to help create safe spaces for all people under threat, and rejoice in the solidarity of working with community partners. Come for a distinctly New Orleans take on sanctuary infused with art and imagination, and get connected to the Love Resists campaign’s resources to bring home to your congregation.

The event will start with a brass band-led “second-line” style procession to the event site, a tradition established by black New Orleanians to express grief and celebrate life which has offered cultural resistance to systemic oppression for generations. Please join as much of the procession as you like, or simply wait for its entrance to the event site in style! A short program starting at roughly 5:45 pm will feature both community and UU activist voices and honor local General Assembly’s New Orleans partner organizations. Get energized and sustained in community for the loving resistance we’ll bring forward together.

The UUA must shift to a more responsive, engaged structure to meet the challenges, and opportunities, of the 21st century.

“...an unwavering commitment to being a supportive, caring colleague...”

The UUA can be a prophetic voice and an inspiring public presence in a troubled world.

Sermon Award Winner Erin J. Walter
From Eve to Hillary

Erin Walter will explore how different life would have been for women if the story of Eve in the Garden of Eden had been interpreted differently. Sexism, misogyny, and the silencing of women’s voices have persisted in our culture up until the present day - from Eve to Hillary, and to all of us. What are we going to do about it? How can people of all genders heal from sexism? As we mark the 40th anniversary of the UUA Women & Religion Resolution, join us to hear the sermon and engage in lively conversation about how we are called to create justice for women and girls in this time.

UUA GENERAL ASSEMBLY
June 20 – 24, 2018
**MINI-ASSEMBLIES**

All business of the General Assembly is conducted in General Sessions (formerly known as Plenary Sessions). Mini-Assemblies offer opportunities in small sessions for delegates to speak on issues, find out more about individual business items before a vote in General Session, and propose amendments to the business item or social witness statement. They are not the place to debate the pros and cons of a proposal. The Board of Trustees or the Commission on Social Witness may move amendments to business items as a result of discussion in Mini-Assemblies.

- **Mini-Assembly on Statement of Conscience: Escalating Inequality**
  Thursday 1:30 p.m. – 4:30 p.m. | 210
- **Business Mini Assembly 1: First Principle Bylaw Amendment**
  Thursday 5:00 p.m. – 6:15 p.m. | 210
- **Business Mini Assembly 2: Sources of Accountability Bylaw Amendment**
  Friday 3:15 p.m. – 4:30 p.m. | 210

**BYLAW AND RULE AMENDMENTS**

Proposed Bylaw and Rule Amendments will be discussed in Mini-Assemblies in 210 on Thursday at 5:00 p.m. (First Principle Bylaw Amendment) and Friday 3:15 p.m. (Sources of Accountability Bylaw Amendment). After the Mini-Assemblies, the Board of Trustees consolidates results and formulates any amendments to be proposed.

**PROPOSED STATEMENT OF CONSCIENCE: ESCALATING INEQUALITY**

Discussion on the proposed Statement of Conscience takes place at the Mini-Assembly on Thursday at 1:30 p.m. in 210. Amendments may be introduced only as proposed at the Mini-Assembly. The vote to adopt is scheduled in a General Session.

**2016 CONGREGATIONAL STUDY/ACTION ISSUE: THE CORRUPTION OF OUR DEMOCRACY**

No vote is taken this year on the Congregational Study/Action Issue (CSAI) that was chosen at the 2014 General Assembly. There will be a workshop on the topic offered on Saturday at 1:30 p.m. in 210.

**BUDGET HEARING**

The UUA Finance Committee members and UUA officers conduct a hearing on the 2017 - 2018 budget Friday at 1:30 p.m. in 210. This session offers an opportunity to ask questions about and consider changes to the budget. Motions on the budget must be submitted in writing in the Volunteer Office (A101 in the Great Hall Lobby) by 5:00 p.m. on Saturday for consideration Sunday.

LIVING THE DEMOCRATIC PROCESS

Purpose

**General Assembly: A Meeting of Congregations** is an annual opportunity for delegates from member congregations to affirm, promote, and practice the democratic process while conducting the business of the Association.

**Rules of Procedure** are adopted at the start of the Assembly. They are printed (as proposed but not necessarily as adopted) in the GA Agenda. The Rules of Procedure are designed to help the delegates effectively represent their congregations.

Speaking in General Sessions

Before speaking, you must be recognized by the Moderator. To be recognized, you must be at a microphone. The Moderator recognizes you by referring to the microphone (“I recognize the delegate at the Pro microphone...”).

Any delegate or member of the Board of Trustees may speak; non-delegates, other than members of the Board of Trustees, need the consent of the Moderator or a vote of the Assembly to admit the speaker to the floor. (Such permission is granted only rarely.) Once recognized, identify yourself (name and congregation from which you are a delegate), e.g., “I’m Chris Doe from the UU Congregation of Great City, Ohio.”

Be succinct and remember you have only two minutes. You may speak on a motion only once as long as others wish to speak.

Speaking time is limited. Do not speak if your point has already been made by another speaker. Be respectful by speaking only when you have something important to add to the discussion.

There are four microphones: pro, con, procedure and amendment

- To speak in favor - go to the pro mike.
- To speak against - go to the con mike.
- To make an amendment – go to the amendment table for assistance.
- To raise a procedural issue – go to the procedure mike.

Procedural questions are limited to:

- Parliamentary inquiry
- Points of order and information
- Question of privilege
- Motions to extend or limit time of debate, change the order of business, recess, or adjourn.

Procedural issues must be raised at the Procedure microphone. They take precedence over discussion. The amendment mike is used only for making an amendment that has first been processed at the Amendment table.

Debate

There must be 15 minutes of discussion allowed on the motion as printed (or as presented by the Board of Trustees or Commission on Social Witness) before an amendment may be proposed unless the Rules of Procedure specify otherwise. If no one is standing at a microphone or in the off-site queue to speak on the motion as presented, this time may be shortened. The Moderator alternates recognizing speakers at pro and con microphones.

**After 15 minutes of debate, amendments may be presented.** Debate takes place on each amendment until it is resolved. Only one amendment maybe presented at a time. (You may not amend an amendment.) An amendment may be to insert new words, delete words, or to delete and insert. Each amendment may cover only one subject. An amendment may not change a non-business resolution into a Business Resolution; for example, you can’t add language to an Action of Immediate Witness that requires specific action from congregations or the UUA Board or staff. Before an amendment may be presented to the Assembly, it must be presented in writing at the Amendment table next to the Amendment mike (see also “Mini-Assembly” below).

Some motions must be filed prior to the opening of a session, particularly ones concerning the budget. See Rules of Procedure in the Final Agenda for deadlines and place for filing them.
Motions of Amendment to items on the Agenda, Actions on Reports, etc., may be made as part of the debate. Be careful that your motion does not change the meaning so much that it is a substitute rather than an amendment. At times, you may make a substitute motion but must recognize it as such.

**Voting**

Delegates & Trustees vote by:
- Voice (call for ayes and nays)
- Uncounted show of voting cards
- Counted show of voting cards
- Written ballot

The Moderator is responsible for determining whether a motion passes or fails. A delegate who disagrees with the Moderator’s determination may come to the procedural microphone and ask for a counted vote. At least 99 other delegates present must support the request to require the counted vote.

It is crucial that you bring your voting card with you to each General Session. Voting cards are difficult to replace if lost, and you may not vote without your card. As a delegate or member of the Board of Trustees, you may not give your voting card to anyone else to use.

**Mini-Assembly**

A Mini-Assembly is an opportunity for delegates to propose amendments to matters on the final agenda and to the proposed Actions of Immediate Witness admitted to the final agenda. It’s also an opportunity to discuss the proposed amendments. Mini-Assemblies are not the place to debate the Pros and Cons of a proposal. In years when the selection of a Congregational Study/Action Issue is on the agenda, the Mini-Assembly is an opportunity to work collaboratively with other delegates on ways to garner support for their issue. In years when a vote to adopt a Statement of Conscience is on the agenda, the Mini-Assembly is an opportunity to work collaboratively with other delegates to draft amendments. Mini-Assemblies save time in General Session and permit freer debate than General Sessions do. It is not possible to offer an amendment to a Business Resolution, bylaw change, rule change, or social witness statement during General Session debate if it was not submitted for consideration at the appropriate Mini-Assembly.

There is a Mini-Assembly scheduled for the bylaw and rule changes listed on the final agenda. All Mini-Assemblies are listed in the program. After a Mini-Assembly and before voting in a General Session, the Board of Trustees may incorporate proposed amendments into a Business Resolution or a Bylaw, and the Commission on Social Witness may incorporate proposed amendments into a Statement of Conscience or an Action of Immediate Witness. For statements of Conscience, the Commission on Social Witness is required to report all amendments to the Assembly. The Commission on Social Witness may prioritize the amendments, including the order of their presentation at the amendment microphone in General Session. If you wish to modify the Statement of Conscience, plan to attend the entire Mini-Assembly and work collaboratively with other delegates to suggest amendments.

**Budget Hearing**

At the Budget Hearing, questions may be answered, but no motions may be made. Motions to modify the budget must be made in writing by the time announced in and in the manner required by the Rules of Procedure. Budget motions, if adding funds to an item or proposing new spending, must specify which other specific categories are to be reduced. See Rule G-10.1.4.

**Statements of Conscience**

Based on feedback from the Mini-Assembly, the Commission on Social Witness may recommend that the Assembly (which includes both the delegates & Trustees) change the length of time the statement is debated before amendments are in order. Debate is limited to 12 minutes per amendment.

**Actions of Immediate Witness**

The Actions of Immediate Witness process is suspended for the 2017 General Assembly.

**To Get Your Questions Answered**

**Play fair.** The guidelines that follow are not subterfuges for you to use to get around time limits. They are designed to make you more knowledgeable and effective.

**Point of Information.** Raise a point of information when you want to get information, not give it. A delegate or member of the Board of Trustees may request “Point of Information” from the procedural microphone. It’s exactly that: a request...
for information such as “On what are we voting?” or “What is the cost to the UUA of this motion?” Your question cannot be a statement, and no preface except your identification is permitted.

**Point of personal privilege.** Raise a point of personal privilege when your ability to do business is being hampered. Any delegate or member of the Board of Trustees may request a Point of Personal Privilege. You go to the procedural microphone and say “Point of Personal Privilege” and wait to be recognized by the Moderator. After recognition, identify yourself and state your point (no statement, no argument or preface, just the bare request), such as “It is not possible to hear from the pro microphone” or “Our section was not counted.”

**Point of procedure.** You use this for questioning parliamentary procedure. A delegate or member of the Board of Trustees may interrupt debate by going to the procedural microphone and saying “Point of Procedure” and wait to be recognized. A sample point is “Is this not an amendment to an amendment?” or “Was a vote taken?”

**Need information?** Have a question about the status of the Agenda, a business matter, procedures, etc.? Ask a member of the Board of Trustees. They will be identifiable on the floor of the Assembly during each General Session.

**Do you have an amendment?** Are you unhappy with wording? Time constraints preclude more than two or three amendments to an item being considered in General Session. Preliminary work on agenda items is completed in the Mini-Assembly.

---

**Committee of the Whole**

When the Assembly is debating a particularly complex or difficult question (there may be two, three, or four alternate versions or ideas), the Moderator may decide, or a delegate may move, that the Assembly move into a “Committee of the Whole” to consider the subject. If done, the Rules of Procedure are eased and the Assembly now acts as a committee.

- A person other than the Moderator may occupy the Chair.
- Discussion may take place without motions.
- The only motions allowable are motions to amend, adopt, or reconsider.
- Non-binding straw votes may be taken.
- The formality of pro/con microphones is somewhat relaxed.
- You may speak only once on a topic in a discussion unless no one else wishes to speak.
- Time limits are relaxed or do not exist unless the “Committee” sets them.

Once the Committee of the Whole has decided what it wants to do, a delegate or Trustee moves that the Committee of the Whole “rise and report” specifying the agreed upon result. The Moderator takes the Chair, and the General Session of the General Assembly is again in session. The motion formulated in the Committee is reported and vote is taken immediately, without debate or possibility of amendment.

RULES OF PROCEDURE

RULE 1. ORDER OF BUSINESS
Consideration of and action upon items must proceed in the order set forth in the Final Agenda unless during the meeting that order is changed by majority vote.

RULE 2. MEANS OF VOTING
So long as a quorum is present, action on any question, unless the Bylaws otherwise provide, will be decided in the first instance by an uncounted show of voting cards and off-site delegate input. If the Moderator wishes a counted vote or if a delegate requests it and the Moderator determines that at least 99 of the other delegates join in the request, the vote must be counted. No vote will be taken by written ballot unless the Assembly orders a written ballot by a two-thirds vote. Provided a quorum is present at each General Session, all matters submitted to a vote of the Assembly will be determined by the number of votes cast by delegates and Trustees voting on the matter. The required proportion of votes cast by delegates and Trustees to approve any action or resolution will be as set forth in the Bylaws or Rules or these Rules of Procedure.

RULE 3. MINUTES
The Board of Trustees will approve the minutes of the General Assembly General Sessions, which will be prepared by the Recording Secretary in consultation with Legal Counsel.

RULE 4. PRESENTATION OF ITEMS
The provisions of Rule 5 notwithstanding, the Board of Trustees and/or the Commission on Social Witness will, at their discretion, move the item as printed on the Final Agenda or move an amended version of the item.

RULE 5. AMENDMENTS
Except for clarifying amendments, amendments to the main motion and motions to refer, table or to call the question will not be in order until there has been at least 15 minutes of discussion, if that much is needed, on the merits of the main question as moved.

Amendments to a business resolution, a bylaw, a rule, a Statement of Conscience, or a proposed amendment must be submitted for consideration at the appropriate Mini-Assembly in order to be offered in the General Session. No amendment or other change to any motion under consideration will be entertained unless it is submitted in writing on forms prescribed by the Moderator, who may, however, waive this requirement.

Only the section of particular bylaws that are proposed to be amended may be amended during GA. The remaining text of a bylaw, which may have been printed for the convenience of the reader, may not be amended. The Moderator will determine whether a particular section of text is eligible for amendment.

RULE 6. TIME LIMITS
The following time limits are imposed on all business transacted by the Assembly except as otherwise provided in these Rules for Actions of Immediate Witness, Congregational Study/Action Issues, and UUA Statement of Conscience. If, however, there is no objection from the floor, the Moderator may grant minor extensions of time. Any time limits imposed by this rule may be extended by a two-thirds vote.

a) No person may speak on any motion for more than 2 minutes, and not more than once, so long as there are others who have not spoken who desire the floor, except that persons having special information may, with the permission of the Moderator, reply to questions.

b) Thirty minutes are allowed for discussion of any proposed bylaw or rule amendment, resolution, or action on a report that is on or admitted to the Final Agenda. This time includes time devoted to discussing any amendments to the proposed amendment. Any motion to extend the time for debate must be made from the procedural microphone before time for debate expires. Whenever possible, the discussion time will be equally divided between proponents and opponents through equitable recognition of speakers at microphones designated “Pro” and “Con” and off-site delegates in “Pro” and “Con” queues.

c) A motion to call the previous question on the main motion shall not be in order if there are potential speakers at both Pro and Con microphones whether on-site or offsite, and the original or extended time for discussion has not expired. Notwithstanding the foregoing, a motion to call the previous question is in order if there has been at least 5 minutes of discussion concerning the main motion and there are no speakers at either the pro or con microphones, whether on-site or off-site.

d) Time taken at the Procedure microphone for procedural questions will not count against pro or con discussion time as allotted elsewhere in these rules.

RULE 7. MICROPHONES

a) Pro and Con Microphones. Usage of the microphones designated “Pro” or “Con” and off-site “Pro” and “Con” queues is limited to statements in support of or in opposition to motions.
RULE 8. COMMITTEE OF THE WHOLE

At any stage of the meeting, the Moderator, without a vote of the Assembly, at the Moderator’s discretion from time to time may order the meeting resolved into a Committee of the Whole or reconvened in regular Session. While the meeting is acting as a Committee of the Whole, the following Special Rule will apply:

The Presiding Officer, without a vote of the Committee of the Whole, may permit reconsideration of any action taken by the Committee of the Whole and other departures of the Rules of Parliamentary Procedure if it appears the Presiding Officer that the work of the Committee of the Whole will thereby be expedited. When the General Assembly is reconvened, the only motion in order will be to adopt the recommendation of the Committee of the Whole. A motion recommended by the Committee of the Whole will not be subject to amendment, discussion, or delay.

RULE 9. BUDGET MOTION

Any motion concerning the 2017–2018 budget that is to be made at the time provided for such motions during the formal business sessions must be filed in writing in the Volunteer Office no later than 5:00 PM Saturday, June 24, 2017. All such motions must comply with Rule G-10.1.4. Adoption of the motion requires a two-thirds vote.

RULE 10. RESOLUTIONS AND ACTIONS NOT ON THE FINAL AGENDA

A Resolution or Action not on the Final Agenda may be considered only under the following circumstance:

Under Bylaw Section 4.16(d), which permits the addition of Responsive Resolutions in response to a substantive portion of a report by an officer or committee reporting to the General Assembly.

The author of a Responsive Resolution must notify the Moderator in writing of the title and content of the Responsive Resolution as soon as it is practical to do so, but not later than 6:00 PM on Saturday, June 24, 2017 for Responsive Resolutions based on reports delivered in General Sessions 1 through 4.

RULE 11. UUA STATEMENT OF CONSCIENCE

In a year in which a UUA Statement of Conscience is proposed, one hour will be allowed for discussion. The Commission on Social Witness may recommend for Assembly approval by majority vote an amount of time for the Statement to be discussed before amendments are in order. If no such recommendation is proposed and approved, no amendment shall be in order unless there has been at least 30 minutes of discussion, if that much is needed, on the merits of the proposed UUA Statement of Conscience. A motion to amend a proposed UUA Statement of Conscience is not in order in the General Session unless it first was presented to a Mini-Assembly as described in Rule 4.12.4. Up to 12 minutes will be allowed for the discussion on an amendment. The Commission on Social Witness will have the discretion to prioritize the amendments including their presentation at the amendment microphone in General Session.

RULE 12. ACTIONS OF IMMEDIATE WITNESS

The Actions of Immediate Witness process is suspended for the 2017 General Assembly.

RULE 13. AMENDING THE RULES OF PROCEDURE

These Rules of Procedure will be adopted by a two-thirds vote and may be amended, suspended, or repealed during the course of the Assembly only by a two-thirds vote, except for the preceding Rule 9, the amendment, suspension, or repeal of which requires a four-fifths vote.

RULE 14. PRECEDENCE OF THE BYLAWS AND RULES

In the event of a conflict between these Rules of Procedure and the Bylaws or Rules of the UUA, the Bylaws and Rules of the UUA take precedence.

RULE 15. ADJOURNMENT

The final business session of the 2017 General Assembly will be adjourned no later than 3:45 p.m. on Sunday, June 25, 2017.
Challenging extreme inequality is a moral imperative. The escalation of wealth inequality undergirds many injustices that our faith movement is committed to addressing: from economic injustice to mass incarceration; from migrant injustice to climate change; from sexual and gender injustice to attacks on voting rights.

Since the adoption of the 2000 Statement of Conscience on Economic Injustice, Poverty, and Racism, economic inequality has escalated. We have experienced accumulation of debt, decreased support for growth and innovation, and increased concentration of wealth at the top accompanied by wage stagnation for 99% of the population. Furthermore, within the 99% huge disparities exist between racial groups. For example, the typical black household has just 6% of the wealth of the typical white household, and the typical Latino household has 8%.

Factors that have contributed to this escalation include the decline of labor unions, the increased cost of education and health care, and automation. The unlimited funding of campaigns by wealthy individuals and corporations, predatory lending, and flawed tax policies increase inequity and insecurity. In the political realm, corporate personhood and the focus on individualism (rather than the collective good) have also contributed to escalating inequality.

Intersectionality

All forms of oppression or privilege intersect and contribute to inequity and inequality. We are not a homogenous nation. Social differentiation; where we live, work, and play; and our family systems all determine our access to money and wealth. Our political, social, and economic constructs do not provide an equitable playing field. Because the tax system in the United States is increasingly regressive, billionaires often pay little or nothing while middle class and lower middle class people are driven into bankruptcy by combinations of educational debt, unexpected medical costs, and a lack of public services.

The 2000 Statement identified systemic racism as a major factor in economic inequality and racism continues to contribute to inequality, but is not the only contributor. Other systems that are intrinsically intertwined with the economic system include technology, health care, education, judicial and criminal justice, community development, environment, and transportation. A change in one system usually affects other systems. Therefore, improving our economic system requires making changes beyond the finance and business sectors. For example, people with ill health and low literacy tend to have lower wealth, conversely one’s financial position influences health status and educational attainment.

Increased rates of incarceration have disenfranchised and made less employable large numbers of people, especially people of color. The lack of protection for the large numbers of undocumented workers, increased automation, and the decline of unions puts downward pressure on wages for many unskilled and semi-skilled jobs and encourages exploitation. Within societal systems gender identity, sexual orientation, race, class, and physical, mental and developmental ability all intersect with issues of economic inequality. These identities shape one’s labor market experience, opportunity, and outcome.

Many black, Latino, Native American, transgender, and immigrant workers are relegated to “second-class work,” and are over-represented in low-skill, low-wage occupations with limited chances to move up the ladder of opportunity. People in low-skill, low-wage occupations are likely to lack a college degree due in part to underfunded public schools and the increasing costs of higher education. Those that do get advanced education often end with huge student debt that limits their purchasing power.
in poverty often cannot get to jobs far from their homes because of inadequate public transportation services. Low-income people often live where employers don’t locate, where local and county governments have failed to build public transit, and where the tax base is too small to properly fund schools. Even when people of color surmount these obstacles, they still often face job discrimination.

Religious Grounding
Our Unitarian Universalist faith demands that we respond to economic injustice and advocate for those among us being harmed by inequity. We know that there is enough for all but not enough for greed and that we can create a world based on inclusive wealth creation and wealth sharing. We cannot ignore the harm caused by a system that gives control of wealth and resources to a very small percentage of people while many others, including those who carry out the work of the world, struggle to survive. Our sources, principles, and theologies compel us to act.

Wisdom from the world’s religions inspires us in our ethical and spiritual life. Buddhists acknowledge the poisonous nature of greed. Islam asserts that the principle of justice must be at the core of economic activities. The Tao Te Ching states that if you chase after money and security your heart will never unclench. Judaism teaches that poverty is an unjustifiable burden, and our Judeo-Christian roots teach that we should love our neighbors as ourselves.

Our economic status does not determine our inherent worth. We will all live in more abundance when our economy connects human gifts with human needs and when budgets at all levels, especially those derived from tax dollars, value equity and people over property. Money should be a tool to serve the collective good. It is not an end unto itself or a measure of success.

Words and deeds of prophetic people challenge us to confront powers and structures of evil such as inequality with justice, compassion, and the transforming power of love. We are called to be in solidarity with the most vulnerable, disenfranchised, and oppressed among us. Our prophetic call is to speak out against toxic ideas and falsehoods that divide us and pit us against one another rather than bringing us together in love.

A Moral Economic System
Our principle of justice, equity and compassion in human relations drives us to work for healthier and more equitable economic systems. We strive to build communities where everyone is supported in living healthy, safe, and sustainable lives.

A moral economic system would include:
- Equal pay for equal work and elimination of the racial, ethnic, and gendered wealth gap;
- A major societal investment in communities that have been left out and locked out;
- A guaranteed minimum income for everyone;
- A minimum wage, indexed for inflation, that provides a living wage with benefits and a career path;
- A tax structure that rewards the creation of good paying jobs and adequately and fairly taxes the wealthy and corporations, including the reconstruction of the inheritance tax;
- Higher marginal tax rates and closing tax loopholes;
- Stronger worker protections and rights, a strong union movement, and more worker-friendly trade agreements;
- Access to non-predatory lending and affordable banking;
- Financial sector reforms that lower risk and create markets that reward long term investments, research, development, sustainability, and reinvestment in people and communities;
- Investment in innovation, long-term growth, and institutions and businesses that provide good paying jobs;
- Environmentally sustainable economic practices and policies, for example renewable energy;
- Access to affordable quality education at all levels (from preschool through vocational or graduate school) and to job- training and retraining plus support in achieving a career path;
PROPOSED STATEMENT OF CONSCIENCE

• Universal health care;
• Affordable housing for all; and
• Dismantling of the prison industrial complex and implementing systems of restorative justice.

Actions

Unitarian Universalism has a prophetic message about the human capacity to create change and make our world, societies, systems, and communities better. By speaking, acting, and spending in concert with one another, we can create better and more just economies. Together we can make a difference. Listed below are possible actions to select from.

As Individuals we can:

• Review our personal history with money, our class background, and how that shapes our relationship with financial matters.
• Examine our role in the financial system and what we are willing to change.
• Assess how we personally spend money and use our money in support of our values.
• Invest in social impact hubs that fund entrepreneurs representing those parts of society that are economically oppressed or marginalized.
• Seek out and support black-owned businesses and other enterprises directly benefiting those who are marginalized or oppressed.
• Whenever possible, buy local and participate in Community Supported Agriculture (CSAs), farmers’ markets, and locally owned businesses.
• Spend money compassionately, considering whether items are ethically sourced and employers have ethical labor practices.
• Track, promote, and abide by boycotts and support firms that treat workers, suppliers, and the environment fairly.
• Mobilize ourselves and others to use the ballot box, campaign donations, letters to the editor, social media, and calls/emails/visits with elected officials to work for a moral economic system.
• Invest in micro-loan projects, crowd-source funding, time banks, and other finance options outside the corporate banking and investment system.
• Engage in socially responsible investing and use our power as stockholders to influence company policies.
• Divest from racist systems; invest in communities of color.
• Move accounts from corporate banks to local banks or credit unions.
• Report and avoid businesses that use enslaved labor.

As Congregations we can:

• Create a study group on the Commission on Appraisal's 2017 book on Classism and take action on it.
• Assess the congregation’s biases and attitudes toward those from various class and economic backgrounds and then make adjustments as needed to be more welcoming and inclusive.
• Examine the congregation’s relationship with money, including how finances drive operations and programs and how money is discussed, disbursed, and secured.
• Create an equitable salary scale and benefit package for the congregation’s staff including the minister(s) using the UUA guidelines.
• Determine how transparent the congregation is about money matters.
• Organize advocacy initiatives such as postcard, Twitter storm, petition drives, or other large volume campaigns in support of a just economic system.
• Keep the congregation’s money in socially responsible investment vehicles.
• Divest from racist systems; invest in communities of color.
• Advocate for affordable housing and other community efforts that assist those who are oppressed, marginalized, or disadvantaged.
• Partner with other local faith communities on joint actions for livable wages, affordable housing, disruptions of intact low-income neighborhoods, gentrification projects, etc.
• Actively participate in interfaith community organizing efforts for local policy and systemic changes that affect economic inequality.
• Organize or participate in local alternative financial opportunities such as time banks and co-ops.
• Sponsor educational opportunities within the congregation and the community that reveal factors contributing to increased economic inequality.
• Advocate for getting money out of politics, ending corporate welfare, reforming corporate governance, changing tax laws to be more equitable, revising bankruptcy laws, and increasing support for public education.

Our State Legislative Ministries can
• Include wealth inequality as a factor in determining legislative advocacy priorities.
• Create and publish report cards on state legislators’ records on issues impacting the financial well-being of marginalized groups.
• Host bi-partisan forums that bring attention to issues identified as part of a moral economic system.
• Engage in advocacy consistent with a moral economic system: getting money out of politics, ending corporate welfare, reforming corporate governance, reforming bankruptcy laws, reforming the tax code, reforming laws pertaining to sentencing and incarceration, and increasing support for public education and job retraining.

As a Denomination we can:
• Offer to all interested Unitarian Universalists an affordable group health insurance plan.
• Continue socially responsible investment practices.
• Invest in state legislative ministries and in advocacy at the national level.
• Participate in interfaith coalitions that work toward achieving a moral economic system.
• Continue to work cooperatively with the Unitarian Universalist Service Committee (UUSC) on projects such as “Behind the Kitchen Door.”
• Invest in low income communities.
• Invest in communities and leaders of color, and support reparations.
• Advocate for the various elements of a moral economic system.

As Unitarian Universalists our faith calls us to counter fear with courage and manifest a collective vision of a more just, equitable, and compassionate society.
PROPOSED BYLAW AMENDMENTS

PROPOSED CHANGES TO ARTICLE II PRINCIPLES AND PURPOSES

Two separate petitions proposing changes to Article II Principles and Purposes were successfully submitted to be included in the 2017 General Assembly Business Agenda.

**ARTICLE II Principles and Purposes**

**Section C-2.1. Principles.**

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote

The living tradition which we share draws from many sources:

- Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;
- Words and deeds of prophetic [women and men] people which challenge us to confront powers and structures of evil with justice, compassion and the transforming power of love;
- Wisdom from the world’s religions which inspires us in our ethical and spiritual life;
