Questions? 1-800-796-6502

(1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's effective date. Contact your employer to determine the effective date applicable to your program.

(2) Effective with plan years beginning on or after January 1, the In Network Total Maximum Out-of-Pocket as mandated by the federal government must include deductible, coinsurance, copays, reference based benefits that exceed the referenced amount and any qualified medical expenses. The Total Maximum Out of Pocket cannot be more than $6,850 for individual and $13,700 for two or more persons

(3) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.

(4) BCBS Medical Management & Policy (MM&P) must be contacted prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related inpatient admission. Be sure to verify that your provider is contacting MM&P for precertification. If not, you are responsible for contacting MM&P. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.

(5) Prescriptions are covered as long as they are listed on the prescription drug formulary applicable to your plan. To obtain a prescription medication that is not included on this formulary, your provider must complete the 'Prescription Drug Medication Request Form' and return it to the Pharmacy Affairs Department for clinical review .Under the mandatory generic provision, you are responsible for the payment differential when a generic drug is available and you or your provider specifies a brand name drug. Your payment is the price difference between the brand name drug and the generic drug in addition to the brand name drug copayment or coinsurance amounts, which may apply.

(6) Eligible Women's Preventive Health Services are available at HighmarkBCBS.com, or call the customer service number listed above.

Assisted Fertilization Services are limited to IUI, ICI and related procedures, including sperm acquisition from a sperm bank. Contact customer Service for benefit eligibility information.
