

AIM Phase III Packet

Congratulations! Your congregation is ready to prepare for certification! Most AIM-aspirant congregations begin working on the AIM Phase III Packet approximately six months prior to the time they expect to fulfill the requirements for AIM Certification.

The AIM Phase III Packet includes:

AIM Phase I. Form 1. [Priorities Re-assessment](#)

AIM Phase I. Form 2. [AIM Plan Final Report](#)

AIM Phase I. Form 3. [Congregational Approval](#). Please be mindful: many congregations have only one forum annually during which an AIM Team may seek congregational approval for AIM Certification. If your congregation has one annual meeting, your AIM Team will want to plan accordingly so that you are able to seek congregational approval to correspond with the timing of your AIM Phase III Packet submission.

AIM Phase I. Form 4. [Sustainability Plan](#)

AIM Phase I. Form 5. [Welcoming Website](#)

AIM Phase I. Form 6. [Comments & Suggestions](#)

Please submit the completed Phase III Packet to the AIM Program Administrator at aim@uua.org.
