Let it shine

*We are caught in
an inescapable network of mutuality,
tied in a single garment of destiny.
Martin Luther King Jr.*

*Go out into the highways
and by-ways.
Give the people
something of your new
vision.*

*You may possess a small light,
but uncover it,
let it shine,
use it
in order to bring more light and
understanding to the hearts and minds
of men and women.*

Become a Chalice Lighter

The Northern New England District Chalice Lighter grant program is committed to maintaining and expanding the capacity of UU congregations in Maine, New Hampshire and Vermont to meet the needs of members, potential members and the communities they serve.

A high priority is placed on congregations that are either expanding programs or ministries, or making critical renovations to make their spaces more accessible and sustainable.

Almost all grant funds come from individual UUs throughout the region who commit to contributing when a “call” is sent during the year. Calls for support identify the specific projects to be funded.

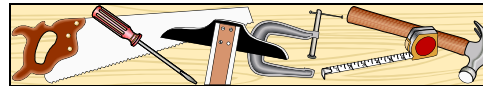

In recent years Chalice Lighter donors have helped to fund expanded professional help, new programs for growth, and building improvements for access and for program expansion.

A Chalice Lighter . . .

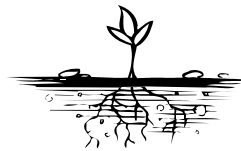

responds to two calls for help during the year with a donation of \$25 or more to help a congregation in Northern New England District do more and reach more people.

Chalice Lighters help secure professional leadership.

Chalice Lighters help congregations increase access or expand facilities, including improving energy efficiency.

Chalice Lighters help growth programs get off the ground.

When you become a Chalice Lighter, you are joining your small light with the lights of people all over the District to create a larger light. You are helping Unitarian Universalism shine more brightly and boldly in Northern New England. You will be part of ensuring that our faith is vital and available to all who seek us.

It is the church that assures us that we are not struggling for justice on our own, but as members of a larger community.

The religious community is essential, for alone our vision is too narrow to see all that must be seen, and our strength too limited to do all that must be done.

Together our vision widens and our strength is renewed.
