

Collaboration Group Leader

Application

2019 Intergenerational Spring Seminar

Thank you for your interest in applying for a leadership role in our 2019 Intergenerational Spring Seminar, Equity in Action: Gender in an Intersecting World, taking place from April 11-13 (youth and advisors arrive on April 10th for orientation) in New York City. The success of the seminar depends upon the talent of volunteers like you who contribute their time, energy, and skills.

Applications are due by 5:00PM (EST) March 6, 2019

Position Description

Periodically throughout the event, all participants will gather in assigned intergenerational small groups of around 10 people to reflect, process, and openly discuss the topics addressed and share how they affect them in their lives, their spirituality, and how they are called to respond. Group members are intentionally distributed so that each group includes people from diverse ages and backgrounds to ensure intergenerational collaboration and learning. Collaboration Group Leaders will facilitate these conversations, while also being responsible for keeping an eye and an ear on how the members of their Group are doing, perceiving and bringing up any issues to Seminar staff.

Before the Seminar: There will be an orientation conference call before the seminar to review roles and responsibilities. Collaboration Group Leaders will be contacted via email with details about that training call.

During the Seminar: Collaboration Group Leaders facilitate small group discussions during the Seminar. Prompt questions and activities will be provided for several scheduled discussion sessions. The efforts of Collaboration Group Leaders will help to provide spaces during Spring Seminar where each participant feels heard and connected. Collaboration Group Leaders will meet after each session with the Seminar’s Adult Dean to check in on how the participants are doing, and make adjustments to the programming as needed.
