The minutes for the Executive Committee meeting on September 12-14, 2005 were approved as written by members of the Executive Committee and ratified by the Board of Trustees.

MINISTERS HOUSING ALLOWANCES

The Board received a memo from the Treasurer dated September 15, 2005 reporting housing allowances for ministers employed by the Association that had been approved by him by authority of Board action of January 25-26, 1997, said allowance having been approved by him prior to the effective date.

AUTHORIZATION FOR BANK ACCOUNTS

By consensus, it was agreed to authorize Marcy Bailey-Adams as a check signer on the Operating Checking, Endowment Checking, Money Market, CPLC Building Loan Checking, Service Gratuity Payment Fund Checking, and Payroll accounts with Eastern Bank, and to remove Mary Miles as an authorized signer. Other signers on these accounts are Kathleen Montgomery, Jerry Gabert, and Janiece Sneegas. A single signature is required up to $4,999, with two signatures required for amounts of $5,000 and over.

PRESIDENT’S REPORT

President Sinkford commented on the various disasters confronting the world and said, “ours are the only hands on earth” that can respond. He reported that as of October 15 more than 7000 Unitarian Universalists had contributed more than $2.3 million to the Gulf Coast Relief Fund, with the Shelter Rock congregation matching funds received after October 2 up to $500,000. Two-thirds of the Fund, Sinkford reported, will go to community relief, with the hope of claiming a different and more inclusive vision in the Gulf Coast; the remainder will go to helping our congregations rebuild. The Gulf Coast fundraising is a joint effort with the Unitarian Universalist Service Committee, with the relationship between the UUA and the UUSC deepening in healthy ways.

The President reported on ongoing conversations between Meadville/Lombard Theological School and the Starr King School for the Ministry. The conversations include reviewing different models of relationship and financial analyses of the various options.

In November, Sinkford said, he will travel to Barcelona for a meeting of the International Council of Unitarians and Universalists at which all the leaders of the national Unitarian and Universalist groups would be present. The hope is to create a strategic understanding of how that organization can move forward. Following the ICUU meeting, Sinkford will travel with Charlie Clements of the UUSC to Chad to visit the camps where refugees from Darfur in the Sudan are being held.
SECRETARY’S REPORT

Paul Rickter, Secretary, reported on the current process for certification and reminded trustees that the deadline for certification was February 1. He noted that he had been in conversation with a few people who were considering running for President in 2009 and that such conversations were collegial. He asked trustees to vote on language that would fill United States Postal Service requirements for the UUWorld magazine.

M (Rickter), S, and

Furthermore, should the IC and the CSRI determine that BOT SRI policies are not being implemented or only partially implemented, the BOT requests that the IC, in consultation with CSRI, prepare a plan and timeline for the implementation of these policies, to be presented at the April 2006 Board meeting.

M (Rickter), S, and

VOTED: The UUA Board of Trustees expresses deep and heartfelt appreciation for the generosity of the tens of thousands of Unitarian Universalists who put their faith into fast action in response to the natural and human-made disasters that have befallen our congregations and the residents of the Gulf Coast
following the recent hurricanes. We also extend our sincere appreciation to the hundreds of volunteers, to our staff—both in Boston and in the field, to the administrations of both the UUA and the UUSC, and to UU Trauma Response Ministry, and to so many other UUs who, with energy, spirit and dedication have stepped in and continue to support the congregations and the individuals affected.

M (Carley), S, and

Discussion was held concerning the Task Force for Ministry to and with Youth and it was noted that it is important to have ministers involved in the process, that District staff need to help encourage and be involved in the discussions, and that other faith groups should be looked to for best practices.

The process for reviewing and accepting Independent Affiliate Member applications was reviewed and the Working Group said that it was expected that new criteria reflecting values for collaboration, relationship and engagement and an understanding that congregations themselves should be the center of congregational life. It was noted that a transition in the understanding of Independent Affiliates would occur over several years and that existing and
