

## Motion Language for Ministerial Credentialing

Moved: that the Board requests the President to have legal counsel draft the necessary bylaw changes to give the President the responsibility for making those appointments to the Ministerial Fellowship Committee and its subcommittees that are now made by the Board.

Moved: that the Board requests the President to recommend, for approval by the Board, slates of candidates for the Ministerial Fellowship Committee and its subcommittees until the bylaws are changed to give the President the responsibility for such appointments.
