

ACTION ALERT FROM THE UUA WASHINGTON OFFICE

Call on Your Members of Congress to Support Comprehensive Immigration Reform ASAP!

The United States' outdated and seriously flawed immigration laws exploit immigrants, tears apart families, and undermines efforts to repair the US economy. Although immigrants suffer the most, the problems caused by our broken system affect us all.

Only Congress can deliver what we need: **comprehensive immigration reform** that recognizes the valuable role and rights of immigrants while promoting security and economic recovery. Rep. Luis Gutierrez's Comprehensive Immigration Reform for America's Security and Prosperity Act of 2009 (CIR-ASAP), H.R. 4321, does that by providing a path to legal status, supporting due process for all, protecting workers, promoting family unity, and offering more educational opportunities for youth.

The Unitarian Universalist Association of Congregations, along with hundreds of other organizations, supports the CIR-ASAP Act because it would provide effective, responsible solutions to both the human rights and the economic problems caused by the current immigration system.

Please call your Members of Congress— It's easy and it really makes a difference!

- Call the Capitol Switchboard at 202-225-3121 and ask for your Representative or Senator. Visit www.congress.org to find them with your zip code.
- Suggested Message: "I'm calling to ask that the Representative (or Senator) support comprehensive immigration reform by adopting the provisions in Rep. Luis Gutierrez' CIR-ASAP Act. I'm a citizen and a religious person, and based on my values I want reform that protects all workers and values all families. The sooner the better."
