WELCOME TO GA

Thank you for answering the call and joining us for the 57th annual General Assembly of our Unitarian Universalist Association.

Here, in Kansas City, we are joining together under the theme “All are Called.” We as Unitarian Universalists are called under the first elected female President and the first Co-Moderators of our association to explore institutional change and participate in the governance of our Association. We are also called to gather, learn, sing, witness, and worship together; we are called to take these many lessons home to help change and heal ourselves, our association, and our broken world.

Finally, we are also called here, in Kansas City, to celebrate, socialize and enjoy the unexpected joys that our time together will bring.

A special welcome to those who answered the call and are attending General Assembly for the first time. May your experience be joyful, challenging, life-affirming, and exhilarating. My hope is that you leave this place ready to use and share what you have experienced with your congregations, organizations, and beyond.

Enjoy this time, enjoy this city, and most of all enjoy this call!

Ila J. Klion, Chair, GA Planning Committee

WE COVENANT TO FOSTER MULTICULTURAL DIALOGUE AND COMMUNITY:

• Assume positive intent on the part of fellow participants.
• Ask questions from the standpoint of “holy curiosity.”
• Use “I” statements when sharing experiences, feelings, and opinions.
• Withhold unsolicited personal judgments.
• Speak from your own experience; you are the only “you.”
• Do not ask others to function as “experts” on their particular culture, race, ethnicity, gender, or other aspects of identity.
• Set your own boundaries for personal sharing.
• Be willing to examine and grapple with the ways personal assumptions shape your “truths.”
• Speak personal “truths” in constructive and civil ways.
• Communicate carefully. Honor other people’s personal “truth(s).”
• Speak personal concerns directly with that person, not about them.
• Recognize that building community is difficult; take risks.
• Respect and validate other people’s experiences.
• Share your personal stories and learning with others; respect those of others.
• Challenge yourself to accept and experience old and new information with an open heart focused on present and future.

By this Covenant, we honor the spirit of Sankofa: looking back in order to look forward.

GENERAL INFORMATION

ACCESSIBILITY SERVICES
Persons with vision, hearing, mobility impairment or other special needs will find information about various kinds of assistance and accommodation information at the Accessibility Table. The table is located in Lobby 2200 of the Convention Center. The General Session Hall is equipped with an induction Hearing Loop that allows people who wear hearing aids and cochlear implants to directly receive the sound from the PA system in their own hearing aids without having to pick up a separate listening device. Switch your hearing instrument to “T” mode to connect to the signal. Wireless headsets are available at the Accessibility Table for those without t-coil equipped hearing instruments.

ALCOHOL
No alcoholic beverages will be served or allowed at any Planning Committee sponsored event. All events during General Assembly offering alcoholic beverages must also offer attractive non-alcoholic beverages with equal accessibility and prominence. No alcoholic beverages will be served to anyone under the age of 21. As a community we are committed to GA being a safe environment. All attendees are encouraged to support this goal. [See also Recovery Meetings.]

ANNUAL PROGRAM FUND (APF)
Annual Program Fund: Amplifying Unitarian Universalism! The UUA Stewardship and Development booth is located in the lobby outside the 2300 Lobby of the Convention Center. We will recognize the exceptional generosity of our Merit, Leadership and Honor, Honor 10+, Honor 25+ year congregations. Join us to celebrate the connections between all of our congregations.

ANTI-RACISM, ANTI-Oppression
In 1994 and 1997 resolutions at General Assembly were passed calling on the UUA to become an anti-racist, multicultural faith community and to commit to working to remove barriers to persons with disabilities. Guided by our principles and in the spirit of these resolutions, all attendees are asked to be mindful of the ways racism, ableism and oppression impact our community and the larger community that is hosting our gathering. There are numerous opportunities through workshops and other programs to expand your awareness and deepen your understanding, as together we strive to be a welcoming, inclusive and affirming community for all.

BANNER PARADE
You may pre-register your banner on Wednesday in the Volunteer Office (2204) from 10:00 a.m. to 6:00 p.m. You may also register banners during the line up period on Wednesday from 6:30 p.m. to 7:25 p.m. in Hall D. Banner carriers must wear their name badge. A limited number of banner poles will be on sale in the staging area. Make other arrangements for the security of your purses or other valuables; don’t bring them to the staging area. Only the banners of congregations and Associate Member Organizations will be hung. In order to be hung, banners must be registered before the parade and must have the required sleeve at the top. Hung banners may only be collected by the authorized individual indicated on the banner registration form. Banners can only be collected on Sunday between the hours of 10:30 am to 2:00 p.m. in Hall D. If you cannot arrange for pick-up at the designated time, please do not leave your banner for hanging.

BLACK LIVES OF UU HEALING SPACE
The Black Lives of UU Healing Space is in 1501 C of the Convention Center. This is a multi-generational explicitly Black space for those who identify as Black or of African descent. There will be worship, fellowship and activities - stop by to find out more information (if you identify as Black or of African descent).

BOARD OF TRUSTEES, UUA
The UUA is governed by a Board of Trustees elected by delegates to the General Assembly. The moderators preside at the General Assembly and at meetings of the Board of Trustees, and represents the Association on special occasions. The Financial Advisor and the UUA President (elected by the General Assembly) also sit on the Board.

BYLAWS OF THE UUA
To save paper we are no longer including the UUA Bylaws in the printed program book. You can view the bylaws in the GA app or you can go to uua.org/bylaws. The General Session ushers also have access to a few printed copies of the Bylaws for reference.

CHAPLAINS
The GA Planning Committee plans for the wellbeing of all attendees during GA. Volunteer Chaplains are available to all attendees throughout GA to offer spiritual support should you need it. You can find a Chaplain by going to the Chaplains office located in room 2206 of the Convention Center. It will be staffed Thursday through Sunday 9:00 a.m. to 11:00 a.m.; 2:00 p.m. to 4:00 p.m.; and Thursday through Saturday 7:00 p.m. to 9:00 p.m. If you have an emergency, a Chaplain will be available on-call 24 hours beginning Wednesday at noon through Sunday at 5:00 p.m. The phone number to reach a Chaplain is (617) 948-4244.

CHEMICAL SENSITIVITIES
There will be a fragrance-free section in the General Session Hall for individuals with chemical sensitivities. If you need to sit in this section, please ask an usher to direct you to these seats. For questions and concerns please see the volunteer staff at the Accessibility Table located in Lobby 2200 of the Convention Center.

CHILDREN’S PROGRAMMING
Pre-registration was required for participation in these daytime children’s programs. Referrals for evening babysitting may be available from your hotel. Child Care – for infants 6 months to children 9 years – and Day Camp – grades 4 (completed) through 8 – will take place at the Marriott in the Trianon room. Please note: if a child or youth is not registered with youth care, they cannot attend any GA sessions without a parent or parent-designate.

CHOIR REGISTRATION
Choir registration took place on uua.org before General Assembly. In order to begin Wednesday’s choir rehearsal promptly at 1:30 p.m., pre-registered choir members should arrive early to 2104 (between 1:00 p.m. and 1:25 p.m.) to pick up their music folders. If space is still available, onsite choir registration will also take place from 1:00 p.m. – 1:25 p.m. in 2104.

COMMISSION ON SOCIAL WITNESS, UUA
The CSW’s mission is to help UUs put our Principles and Purposes into action. The CSW assists the UUA and its member congregations by facilitating the articulation of suggested Congregational Study/Action Issues (CSAIs) and educating UUs in potential social change inherent in CSAIs. After four years of studying the CSAIs, the CSW prepares and presents to the Assembly draft Statements of Conscience.

DISRUPTIVE PERSONS
General Assembly strives to be an inclusive community, affirming our differences in beliefs, opinions and life experiences. UUA staff, Planning Committee members, chaplains, the Right Relationship Team and mental health professionals will be consulted as appropriate.

EMERGENCIES
In the event of a medical or other emergency at the Kansas City Convention Center, please contact your nearest crowd control personnel or pick up a black house phone located in each lobby. By picking up this phone you will be automatically connected to building security, who can also be reached by calling 816.513.5111. Please refrain from calling 911. Kansas City Convention Center is very large with many entrance points; building security personnel coordinate the movement of emergency services to the scene. A roving police officer will be onsite at all times during General Assembly. In case of non-emergency medical needs, go to the GA Local Information table in Lobby 2200 of the Convention Center. The First Aid station in the Convention Center is located outside Hall D walking into the 3500 lobby. Please inform the GA Office immediately of any medical emergencies or accidents.

EVENTS OPEN TO THE PUBLIC
All participants in General Assembly programmed events must be registered for the conference. This includes program participants, presenters, invited guests, performers, office support staff, relatives, hosts, and dignitaries. This policy is consistent with our principle of equity and avoids arbitrary distinctions. GA registrants receive access to all events listed in this Program. GA name badges are required for admission to all GA programmed events, including evening entertainment, the Exhibit Hall (Wednesday-Saturday), the Closing Celebration and the Ware Lecture. The only GA programmed events that will be open to the public (registration not required) are the Service of the Living Tradition, the Sunday Morning Worship, and, on Sunday only, the Exhibit Hall.

EXHIBIT HALL
The Exhibit Hall, located in Hall E of the Convention Center, is a networking hub for the exchange of information and ideas. It features exhibits and sales by social justice organizations, UU-related organizations, individual UU artisans, and a variety of other organizations and vendors. Refreshment concessions are available during hours the Exhibit Hall is open. There is also a lounge for dining and visiting with other attendees. The UUA is committed to a diverse marketplace of ideas. Participation in the Exhibit Hall does not necessarily mean the UUA endorses the position of any given exhibitor.

Exhibit Hall Hours:
Wednesday 12:00 p.m. – 7:00 p.m.
Thursday 10:30 a.m. – 7:00 p.m.
Friday 10:30 a.m. – 7:00 p.m.
Saturday 10:30 a.m. – 7:00 p.m.

EXPECTATIONS OF ALL GA ATTENDEES
Let us remember our commitment to the worth and dignity of all. The UUA expects all attendees to conduct themselves in a professional manner with concern and respect for all. As guests of our host city, attendees are asked to extend the same respect and consideration to all with whom they interact, including the hospitality workers who serve them. The UUA is committed to assuring that all participants are safe from abuse and harassment. Any harassment regarding race, color, national origin, religion, age, sex, gender, sexual orientation, disability, economic class, or employment will not be tolerated. Sexual harassment includes unsolicited remarks, gestures, physical contact, requests for sexual favors, repeated sexual advances after an initial turn down, or other verbal or physical conduct of a sexual nature that creates an intimidating,
hostile, or offensive environment. Religious professionals are to follow their codes of conduct to avoid misconduct or harassment. Any GA participant who believes that they are the victim of harassment should contact either a chaplain or the Right Relationship Team.

As a courtesy, please allow persons using wheelchairs and scooters to exit meeting rooms first. Also, please leave elevators free for the use of persons using wheelchairs, scooters or that have difficulty with stairs.

FEEDBACK
The Planning Committee encourages your comments on all aspects of GA. Surveys will be collected via an online form available through July 25 at uua.org/ga. The GA Planning Committee reviews the surveys and uses your input to improve GA. You can also give feedback on individual sessions using the GA mobile app. Please visit the Planning Committee feedback table in the Exhibit Hall. Hours are Thursday through Sunday from 12:15 p.m. to 1:15 p.m.

RESTROOMS

For transgender and/or gender non-conforming people, the use of public restrooms can come with emotional and physical harassment. As a step toward being a Welcoming Assembly, many restrooms throughout the Convention Center are designated for use by all genders. Gender-specific men’s and women’s restrooms are also available. In all restrooms we ask you to trust that individuals know which restroom is most comfortable and appropriate for them.

When choosing what restroom to use, we encourage you to thoughtfully examine and challenge your assumptions around gender identity and gender expression. We invite compassionate and ongoing dialogue around these issues, and as part of our work toward right relationships, it is important to remember that personal processing should not be done with transgender and/or gender non-conforming people. We encourage you to contact a GA chaplain if you need support in this work.

PROGRAM SELECTION FOR 2019 GA

RESTROOMS

For transgender and/or gender non-conforming people, the use of public restrooms can come with emotional and physical harassment. As a step toward being a Welcoming Assembly, many restrooms throughout the Convention Center are designated for use by all genders. Gender-specific men’s and women’s restrooms are also available. In all restrooms we ask you to trust that individuals know which restroom is most comfortable and appropriate for them.

When choosing what restroom to use, we encourage you to thoughtfully examine and challenge your assumptions around gender identity and gender expression. We invite compassionate and ongoing dialogue around these issues, and as part of our work toward right relationships, it is important to remember that personal processing should not be done with transgender and/or gender non-conforming people. We encourage you to contact a GA chaplain if you need support in this work.

The Nominating Committee nominates candidates to serve on elected committees. The Nominating Committee strives to bring in people who have a variety of cultural competencies and life experiences; they are particularly interested in identifying qualified candidates who also have connections to, and understanding of, different ethnic communities, youth and young adults, and people with disabilities. The Nominating Committee seeks diversity on elected committees - gender, age, geography, race and sexual orientation are among other identities considered.

PLANNING COMMITTEE (GAPC)

GAPC facilitates the smooth running of GA by setting the daily schedule, selecting overall programming, and developing policies for the gathering. They hold primary responsibility for Opening and Closing Worship, music, ambiance, chaplaincy, evening entertainment, logistics for witness events, inclusion efforts, aiding in right relationships and other attendee services. In addition to recommending future sites for GA to the Board, the GAPC establishes and manages the budget of the event attempting to balance the competing needs for financial stewardship, accessibility, attention to children & youth, as well as the support of currently and historically marginalized individuals within our community.

PROGRAM SELECTION FOR 2019 GA

Visit uua.org/ga this September for information on how programming will be determined for the 2019 GA in Spokane, Washington. Program proposals will be due November 1.
GENERAL INFORMATION

RIGHT RELATIONSHIP TEAM

The Right Relationship Team, a resource available to GA attendees, exists to listen and engage with people who have experienced any form of oppression or identity based marginalization during GA. We know from experience that we are still learning how to avoid perpetuating the biases of the larger culture amongst ourselves. GA is among the most diverse gatherings of UUs and in this setting we know we are going to make mistakes. People will make hurtful assumptions about other people based on their actual or perceived race, ethnicity, ability, age, gender, sexual orientation or other identities. When that happens, it is our sincere hope that GA attendees will take it as an opportunity for learning how to engage in ways that are not oppressive. Should you need assistance naming your experience, speaking with others involved or exploring how to make amends, the Right Relationship Team will be there to help. To reach the Right Relationship Team call (617) 948-4334 or go to room 2205.

SAFETY

For safety reasons, we suggest the following common-sense precautions for any visit to an unfamiliar city. Remove your name badge when leaving the convention area. Walk “smart” — know your destination and the best way to reach it. Stay in populated areas; avoid alleys and short-cuts. Establish a “buddy” system with another attendee, especially at night. Build your awareness of unknown surroundings by reviewing information on the area, especially maps and guides.

SAFETY TEAM

This team is responsible for supporting and modeling community safety at this General Assembly. To do this, the safety team will respond to and intervene in incidents of harm, attend to emotional crises where safety is an issue, and interact with outside agencies including the police towards the safety of convening participants. The safety team will be recognizable throughout the weekend and will be sharing room 2205 with the Right Relationship Team in the Convention Center.

SERVICE OF THE LIVING TRADITION

The Service of the Living Tradition, honoring the ministry of fellowshipped and credentialed UU religious leaders, will be held Thursday from 7:00 p.m. to 8:30 p.m. in Hall C of the Convention Center. It is open to all.

SERVICE PROJECT

This year’s service project is Communities Creating Opportunity (CCO), a bi-state, social justice organization focused on affirming the dignity of all people especially those in communities least likely to have access to hope and opportunity. Established in 1977 in response to the rapid racial transition and financial disinvestment in Kansas City’s southeast neighborhoods throughout the 1970s. As it has since its inception, CCO trains community leaders in effective community engagement techniques that enable them to successfully advocate for their families and communities. During nearly four decades of service to local communities, CCO has focused intently on building the capacity of local residents to successfully tackle persistent challenges (e.g., healthcare access, economic equity, civic participation and racial equity). CCO’s mission seeks to develop strong leaders, unite cross-sector partners to identify solutions to our connected challenges. To learn more, please visit Booth #812 in the Exhibit Hall.

SUNDAY MORNING WORSHIP

Join us for the largest annual gathering of UUs in worship. This powerful, communal worship experience will take place in Hall C of the Convention Center Sunday morning at 9:00 a.m. Members of the public are welcome to attend Sunday Worship.

Youth are also encouraged to attend other GA programming. UUs of all ages are welcome to attend youth events. For youth and sponsors arriving after Wednesday’s required orientation, additional orientations will be offered at 8:30 a.m. on Thursday, Friday and Saturday in the Youth Caucus room (2505). Youth and their sponsors are required to attend an orientation and must attend the first orientation that occurs after their arrival. For most attendees, this will be the Wednesday orientation.

#211 1:30 p.m. – 2:30 p.m. 1501 A
DRUUMM
Our current paradigm of ministry encourages ministers to be ego-less servant leaders, leaving little room for POC ministers to lead from their experiences. Explore the mini-experiments Sara Green, a southern minister of color, did over the past year to imagine new ways for ministers of marginalized communities to serve. PW Y M

**SALSA, SOUL, SPIRIT: LEADERSHIP FOR A MULTICULTURAL AGE**

#212  1:30 p.m. – 2:30 p.m.  2501 C
Liberal Religious Education Association
Multicultural leadership rests on spiritual responsibility and social accountability. It reflects the interconnectedness found in Native American culture: “We are all related.” Leaders today are called to a new social covenant based on common good, collective purpose and generosity. Multicultural leadership can guide us in creating the good, compassionate society. **Juana Bordas**

**RISK-TAKING AND LAW-BREAKING: FAITH-INSPIRED CIVIL DISOBEDIENCE**

#213  1:30 p.m. – 2:30 p.m.  2501 A

**SAYING YES AND SAYING NO: DISCERNMENT TOWARD JUSTICE**

#216  1:30 p.m. – 2:30 p.m.  3501 EF
UU College of Social Justice
Our common impulse to try to respond to every justice issue is a recipe for ineffectiveness and burn-out. This meditative practice helps participants get centered in their deepest calling, and recognize that saying YES is served by the imperative to also say NO, in order to focus attention and energy. **Rev. A former teacher, policy expert, and non-profit executive director, Brittany has committed her life and career to justice. She currently plays many roles, all focused on freedom. Brittany serves as Teach For America’s Vice President of National Community Alliances, where she leads partnerships and civil rights work with communities of color. She is a contributor to the Crooked Media network, most notably contributing to the weekly news roundup on Pod Save The People, a Video Columnist for Mic News, and writes for many publications.

All business of the General Assembly is conducted in General Sessions (formerly known as Plenary Sessions). Mini-Assemblies offer opportunities in small sessions for delegates to speak on issues, find out more about individual business items before a vote in General Session, and propose amendments to the business item or social witness statement. They are not the place to debate the pros and cons of a proposal. The Board of Trustees or the Commission on Social Witness may move amendments to business items as a result of discussion in Mini-Assemblies.

Purpose

General Assembly: A Meeting of Congregations is an annual opportunity for delegates from member congregations to affirm, promote, and practice the democratic process while conducting the business of the Association.

Rules of Procedure are adopted at the start of the Assembly. They are printed (as proposed but not necessarily as adopted) in the GA Agenda. The Rules of Procedure are designed to help the delegates effectively represent their congregations.

Speaking in General Sessions

Before speaking, you must be recognized by the Moderator. To be recognized, you must be at a microphone. The Moderator recognizes you by referring to the microphone (“I recognize the delegate at the Pro microphone...”).

Any delegate or member of the Board of Trustees may speak; non-delegates, other than members of the Board of Trustees, need the consent of the Moderator or a vote of the Assembly to admit the speaker to the floor. (Such permission is granted only rarely.) Once recognized, identify yourself (name and congregation from which you are a delegate), e.g., “I’m Chris Doe from the UU Congregation of Great City, Ohio.”

Be succinct and remember you have only two minutes. You may speak on a motion only once as long as others wish to speak.

Speaking time is limited. Focus on substantive contributions. Do not speak if your point has already been made by another speaker. Be respectful by speaking only when you have something important to add to the discussion.

There are four microphones: pro, con, procedure and amendment

- To speak in favor - go to the pro mike.
- To speak against - go to the con mike.
- To make an amendment – go to the amendment table for assistance.
- To raise a procedural issue – go to the procedure mike.

Procedural questions are limited to:

- Points of order and information
- Question of privilege
- Motions to extend or limit time of debate, change the order of business, recess, or adjourn.

Procedural issues must be raised at the Procedure microphone. They take precedence over discussion. The amendment mike is used only for making an amendment that has first been processed at the Amendment table.

Discussion and Debate

There must be 15 minutes of discussion allowed on the motion as printed (or as presented by the Board of Trustees or Commission on Social Witness) before an amendment may be proposed unless the Rules of Procedure specify otherwise. If no one is standing at a microphone or in the off-site queue to speak on the motion as presented, this time may be shortened. The Moderator alternates recognizing speakers at pro and con microphones.

After 15 minutes of debate, amendments may be presented. Debate takes place on each amendment until it is resolved. Only one amendment may be presented at a time. (You may not amend an amendment.) An amendment may be to insert new words, delete words, or to delete and insert. Each amendment may cover only one subject. An amendment may not change a non-business resolution into a Business Resolution; for example, you can’t add language to an Action of Immediate Witness that requires specific action from congregations or the UUA Board or staff. Before an amendment may be presented to the Assembly, it must be presented in writing at the Amendment table next to the Amendment mike (see also “Mini-Assembly” below).

Some motions must be filed prior to the opening of a session, particularly ones concerning the budget. See Rules of Procedure in the Final Agenda for deadlines and place for filing them.

Motions of Amendment to items on the Agenda, Actions on Reports, etc., may be made as part of the debate. Be careful that your motion does not change the meaning so much that it is a substitute rather than an amendment. At times, you may make a substitute motion but must recognize it as such.
Voting
Delegates & Trustees vote by:

- Voice (call for ayes and nays)
- Uncounted show of voting cards
- Counted show of voting cards
- Written ballot

The Moderator is responsible for determining whether a motion passes or fails. A delegate who disagrees with the Moderator’s determination may come to the procedural microphone and ask for a counted vote. At least 99 other delegates present must support the request to require the counted vote.

It is crucial that you bring your voting card with you to each General Session. Voting cards are difficult to replace if lost, and you may not vote without your card. As a delegate or member of the Board of Trustees, you may not give your voting card to anyone else to use.

Mini-Assembly
A Mini-Assembly is an opportunity for delegates to propose amendments to matters on the final agenda and to the proposed Actions of Immediate Witness admitted to the final agenda. It’s also an opportunity to discuss the proposed amendments. Mini-Assemblies are not the place to debate the Pros and Cons of a proposal. In years when the selection of a Congregational Study/Action Issue is on the agenda, the Mini-Assembly is an opportunity to work collaboratively with other delegates on ways to garner support for their issue. In years when a vote to adopt a Statement of Conscience is on the agenda, the Mini-Assembly is an opportunity to work collaboratively with other delegates to draft amendments. Mini-Assemblies save time in General Session and permit freer discussion and debate than General Sessions do. It is not possible to offer an amendment to a Business Resolution, bylaw change, rule change, or social witness statement during General Session debate if it was not submitted for consideration at the appropriate Mini-Assembly.

There is a Mini-Assembly scheduled for the bylaw and rule changes listed on the final agenda. All Mini-Assemblies are listed in the program. After a Mini-Assembly and before voting in a General Session, the Board of Trustees may incorporate proposed amendments into a Business Resolution or a Bylaw, and the Commission on Social Witness may incorporate proposed amendments into a Statement of Conscience or an Action of Immediate Witness. For statements of Conscience, the Commission on Social Witness is required to report all amendments to the Assembly. The Commission on Social Witness may prioritize the amendments, including the order of their presentation at the amendment microphone in General Session. If you wish to modify the Statement of Conscience, plan to attend the entire Mini-Assembly and work collaboratively with other delegates to suggest amendments.

Budget Hearing
At the Budget Hearing, questions may be answered, but no motions may be made. Motions to modify the budget must be made in writing by the time announced in and in the manner required by the Rules of Procedure. Budget motions, if adding funds to an item or proposing new spending, must specify which other specific categories are to be reduced. See Rule G-10.1.4.

Statements of Conscience
Based on feedback from the Mini-Assembly, the Commission on Social Witness may recommend that the Assembly (which includes both the delegates & Trustees) change the length of time the statement is debated before amendments are in order. Debate is limited to 12 minutes per amendment.

Actions of Immediate Witness
Sometimes significant actions, events, or developments occur that the Assembly may wish to address immediately. The process for admitting Actions of Immediate Witness to the agenda means that congregations commonly have no opportunity to consider and discuss them in advance of General Assembly. So, Actions of Immediate Witness should address only issues that could not be considered by the Congregational Study/Action Issue process. Consult Article IV, Section 4.16 (c) (1) of the UUA Bylaws for the criteria for an Action of Immediate Witness. Up to three Actions of Immediate Witness may be admitted to the Agenda.

How can a delegate place an Action of Immediate Witness on the Agenda? Pick up the required cover sheet and petition form for signatures at the Commission on Social Witness (CSW) booth in the Exhibit Hall. Submit a copy of the AIW at the CSW booth for posting by 5:00pm on Thursday. Then, begin collection of signatures from other delegates. Submit the AIW with the required number of delegate signatures at the Volunteer Office by 5:00 pm on Friday. See the cover sheet for directions, requirements, and deadlines.
What happens then? The Commission will review the AIWs to determine if they meet the criteria for an AIW. The Commission will select no more than six from among those submitted that meet the criteria for an AIW. The Commission on Social Witness screens proposed Actions of Immediate Witness according to the criteria of grounding, fit and opportunity, as well as significance, timeliness and specificity (see bylaw section 4.16(c)). Preference is given to proposed Actions of Immediate Witness that emerge from a documented group process.

At the Saturday morning General Session, the Assembly (which includes delegates & Trustees) will vote to admit up to three proposed AIWs to the final agenda. After consideration of proposed amendments at a Mini-Assembly, the Assembly will vote whether to adopt any or all of those three AIWs at a General Session on Sunday.

To Get Your Questions Answered

Play fair. The guidelines that follow are not subterfuges for you to use to get around time limits. They are designed to make you more knowledgeable and effective.

Point of Information. Raise a point of information when you want to get information, not give it. A delegate or member of the Board of Trustees may request “Point of Information” from the procedural microphone. It’s exactly that: a request for information such as “On what are we voting?” or “What is the cost to the UUA of this motion?” Your question cannot be a statement, and no preface except your identification is permitted.

Point of personal privilege. Raise a point of personal privilege when your ability to do business is being hampered. Any delegate or member of the Board of Trustees may request a Point of Personal Privilege. You go to the procedural microphone and say “Point of Personal Privilege” and wait to be recognized by the Moderator. After recognition, identify yourself and state your point (no statement, no argument or preface, just the bare request), such as “It is not possible to hear from the pro microphone” or “Our section was not counted.”

Point of procedure. You use this for questioning parliamentary procedure. A delegate or member of the Board of Trustees may interrupt debate by going to the procedural microphone and saying “Point of Procedure” and wait to be recognized. A sample point is “Is this not an amendment to an amendment?” or “Was a vote taken?”

Need information? Have a question about the status of the Agenda, a business matter, procedures, etc.? Ask a member of the Board of Trustees. They will be identifiable on the floor of the Assembly during each General Session.

Do you have an amendment? Are you unhappy with part of a motion/business item? Time constraints preclude more than two or three amendments to an item being considered in General Session. Preliminary work on agenda items are completed in the Mini-Assembly.

Committee of the Whole

When the Assembly is debating a particularly complex or difficult question (there may be two, three, or four alternate versions or ideas), the Moderator may decide, or a delegate may move, that the Assembly move into a “Committee of the Whole” to consider the subject. If done, the Rules of Procedure are eased and the Assembly now acts as a committee.

- A person other than the Moderator may occupy the Chair.
- Discussion may take place without motions.
- The only motions allowable are motions to amend, adopt, or reconsider.
- Non-binding straw votes may be taken.
- The formality of pro/con microphones is somewhat relaxed.
- You may speak only once on a topic in a discussion unless no one else wishes to speak.
- Time limits are relaxed or do not exist unless the “Committee” sets them.

Once the Committee of the Whole has decided what it wants to do, a delegate or Trustee moves that the Committee of the Whole “rise and report” specifying the agreed upon result. The Moderator takes the Chair, and the General Session of the General Assembly is again in session. The motion formulated in the Committee is reported and vote is taken immediately, without debate or possibility of amendment.

We welcome all attendees (delegates and non-delegates alike) to General Assembly 2018. This year the theme is “All Are Called” and we believe that in order for our faith to truly live out democratic principles, all are not only called but are needed to transform our faith communities and institutions in service of the Unitarian Universalism our world needs today.

This year we will be trying some new things. The Board, in partnership with the GA Planning Committee and UUA staff, have created a Community Safety Team to mitigate our contact with police. We are also trying new things with respect to voting and discussions, with intentional time set aside for deliberation and collective conversations. Finally, we are embarking on changing our bylaws to make them more liberating and less confining.

This is a big year for us as a faith movement and we have set aside three times for intentional conversations: (1) during Thursday morning’s General Session II, with a focus on the Commission on Institutional Change and UUA Board reports, (2) in small group conversations during Saturday afternoon’s General Session VI, and (3) during Sunday morning’s General Session VII, when we will share back from our small group conversations and begin to lay out plans for the future.

After GA 2018, we will create a bylaws review commission that will work with congregations, covenanted communities, and stakeholder organizations to develop and draft modernized bylaws for GA attendees to discuss in 2019. The Board, in partnership with this commission and UUA staff, will develop a conversation guide for congregations and other UU covenanted communities. There will also be opportunities online and in person to continue the discussion.

GA 2019 in Spokane, WA, will be a beautiful blend of a General Assembly and a General Conference, providing us with an opportunity to do deep faith-rooted reflection, contemplation, and discernment. We will consider who we are as a faith, who we want to be, and how our bylaws, policies, procedures, and practices help (and hinder) us.

Thank you for joining us in the business of living our faith.

In Faith,

Mr. Barb Greve and Elandria Williams
RULES OF PROCEDURE

RULE 1. ORDER OF BUSINESS
Consideration of and action upon items must proceed in the order set forth in the Final Agenda unless during the meeting that order is changed by majority vote.

RULE 2. MEANS OF VOTING
So long as a quorum is present, action on any question, unless the Bylaws otherwise provide, will be decided in the first instance by an uncounted show of voting cards and off-site delegate input. If the Moderator wishes a counted vote or if a delegate requests it and the Moderator determines that at least 99 of the other delegates join in the request, the vote must be counted. No vote will be taken by written ballot unless the Assembly orders a written ballot by a two-thirds vote. Provided a quorum is present at each General Session, all matters submitted to a vote of the Assembly will be determined by the number of votes cast by delegates and Trustees voting on the matter. The required proportion of votes cast by delegates and Trustees to approve any action or resolution will be as set forth in the Bylaws or Rules or these Rules of Procedure.

RULE 3. MINUTES
The Board of Trustees will approve the minutes of the General Assembly General Sessions, which will be prepared by the Recording Secretary in consultation with Legal Counsel.

RULE 4. PRESENTATION OF ITEMS
The provisions of Rule 5 notwithstanding, the Board of Trustees and/or the Commission on Social Witness will, at their discretion, move the item as printed on the Final Agenda or move an amended version of the item.

RULE 5. AMENDMENTS
Except for clarifying amendments, amendments to the main motion will not be in order until there has been at least 15 minutes of discussion, if that much is needed, on the merits of the main question as moved. The Moderators may, at their discretion, entertain a motion to amend the main motion before 15 minutes of discussion has taken place.

Amendments to a business resolution, a bylaw, a rule, a Statement of Conscience, or a proposed amendment must be submitted for consideration at the appropriate Mini-Assembly in order to be offered in the General Session. No amendment or other change to any motion under consideration will be entertained unless it is submitted in writing on forms prescribed by the Moderator, who may, however, waive this requirement.

Only the section of particular bylaws that are proposed to be amended may be amended during GA. The remaining text of a bylaw, which may have been printed for the convenience of the reader, may not be amended. The Moderator will determine whether a particular section of text is eligible for amendment.

RULE 6. TIME LIMITS
The following time limits are imposed on all business transacted by the Assembly except as otherwise provided in these Rules for Actions of Immediate Witness, Congregational Study/Action Issues, and UUA Statement of Conscience. If, however, there is no objection from the floor, the Moderator may grant minor extensions of time. Any time limits imposed by this rule may be extended by a two-thirds vote.

a) No person may speak on any motion for more than 2 minutes, and not more than once, so long as there are others who have not spoken who desire the floor, except that persons having special information may, with the permission of the Moderator, reply to questions.

b) Thirty minutes are allowed for discussion of any proposed bylaw or rule amendment, resolution, or action on a report that is on or admitted to the Final Agenda. This time includes time devoted to discussing any amendments to the proposed amendment. Before debate begins, time will be provided for people to informally discuss the agenda item with others sitting around them; this informal discussion time will not count towards the thirty-minute limit. Motions to refer or table the question will be in order only after 15 minutes of debate, as long as that much discussion is needed. Any motion to extend the time or debate must be made from the procedural microphone before time for debate expires. Whenever possible, the discussion time will be equally divided between people who are in favor of the motion and people who have concerns with the motion through equitable recognition of speakers at microphones designed “Pro” and “Con” and off-site delegates in “Pro” and “Con” queues.

c) A motion to call the previous question on the main motion shall not be in order if there are potential speakers at both Pro and Con microphones whether on-site or offsite, and 7 minutes for discussion has not expired. Notwithstanding the foregoing, a motion to call the previous question is in order if there has been at least 5 minutes of discussion concerning the main motion and
there are no speakers at either the pro or con microphones, whether on-site or off-site.

d) Time taken at the Procedure microphone for procedural questions will not count against pro or con discussion time until thirty minutes has expired.

RULE 7. MICROPHONES

a) Pro and Con Microphones. Usage of the microphones designated “Pro” or “Con” and off-site “Pro” and “Con” queues is limited to statements in support of or to raise concerns with the motions. Concerns raised at the “Con” microphone should be substantial enough that the speaker is not ready to support the motion on the table.

CSAI – 1 UNDOING INTERSECTIONAL WHITE SUPREMACY

Issue: Racism is fundamental to U.S. social systems. White supremacy culture operates economically, institutionally, politically, and culturally, shaping everyone’s chances to live healthy, fulfilling lives. It is also the nation’s most toxic export, shaping policies and practices that do profound harm to the Earth and all living things.

Grounding in Unitarian Universalism: White supremacy culture shaped everything we consider norms, which recent experience has pushed us to analyze. Sociologist Robert Bellah challenged us to make “the interdependent web of all existence the first of your principles and not the last.” Decentering whiteness calls us to decenter individual dignity for our collective liberation.

Topics for Congregational Study: White supremacy operates intersectionally. Beyond black and white and interwoven with other forms of oppression, it is multiracial and intersects with issues of class and income, gender, age, ethnicity, immigration status, sexual orientation, religion, ability, and more.

• How are people socialized into various overlapping supremacy systems, creating a white dominated hetero patriarchy that serves the interests of US corporatism?
• How do different racial and economic strategies get applied to different racial groups, often disguised in coded language that pretends to be colorblind while having racialized impacts?
• How can we, as UUs, build transformative relationships of trust and accountability across race lines?

Through reflection and action, courageous conversations should foster our abilities to de-center whiteness and other “isms”. At the core we must equip UUs to work inside and outside our congregations, building trust by following the leadership and direction of the most vulnerable in society.

Possible Congregational/Regional Actions:

• provide ongoing training and education in antiracism and anti oppression on a multi- and intergenerational basis to all who wish to deepen their understanding of the impacts of intersectional white supremacy.
• build local relationships with people of color and other oppressed people, inside and outside our congregations, so that agendas and strategies for social justice efforts respond to the real vulnerabilities they face.
• mobilize UUs to participate in community organizing that is guided by accountable partnerships.

Actions can include street protest, advocacy work, resource sharing, local, regional, and national campaigns, letter-writing, community asset building, and more. The key is organizing with strategic accountability while building sustainable communities of resistance. This work should happen in the areas of environmental racism, mass incarceration and police brutality, reproductive freedom, immigration, access to quality health and education systems, and more.

Related Prior Social Witness Statements: There are few social witness statements from the last ten years that do not have implications regarding intersectional white supremacy. Here are some standouts: Reaffirmation of Commitment to Racial Justice (2016), Support the Black Lives Matter movement (2015), and Reproductive Justice, (2015). Robert Bellah’s 1998 Ware Lecture is another resource.
Issue: Systemic injustices intersect across environment, race, gender and all other forms of oppression. Identifying the underlying mechanisms which enable systemic and intersecting injustices enables us to mitigate their harm. Intersectional justice calls us to work together across oppressions and become a movement of movements.

Grounding in Unitarian Universalism: Our faith calls us to witness for justice. We affirm respect for the interdependent web of all existence. An unfortunate aspect of the interdependent web is intersectional oppression. Greater awareness of intersectional oppressions makes our anti-racism, animal wellbeing, environmental, economic, and other justice work much more effective. This work calls us to decenter individualism for our collective liberation.

Topics for Congregational Study: Intersectional oppressions reinforce each other therefore a holistic approach grounded in awareness is required to mitigate harm and expand justice. No one escapes formative acculturation. This catches each of us in a web of oppression. By examining and acting to undo this acculturation, we gain liberation and justice for all.

Some questions to consider:

1. What is intersectionality, and how has that definition evolved? What does it mean to approach oppressions in an intersectional way?
2. How can understanding humans’ perceived dominance over other species and nature inform how humans oppress humans? What was the original oppression?
3. How are people socialized into various overlapping supremacy systems, creating a white heterosexual patriarchy dominated culture that serves the interests of the powerful?
4. What are current illustrations of intersectionality, intersectional oppression, and intersectional justice in your community?
5. What is our ethical obligation to individuals - individual humans, individual nonhuman animals, etc.? Does individual suffering matter regardless of species?
6. How can we as UUs build transformative relationships of trust and accountability across race lines?
7. What human economic, social, cultural, and/or religious systems degrade or destroy the quality of life experienced by all inhabitants of Earth?
8. Animals eating other animals is part of our evolution and has seemed normal and natural. If healthful and ample plant based food is accessible and affordable by human animals, is it ethical to exploit nonhuman animals for food?
9. Douglas Hofstadter in his book I Am a Strange Loop subscribes to the concept known as the narrative self: the notion that the idea of the self is ultimately a hypothetical construct – a story our brains spin which generates the illusion that there is a single, stable and unified locus of willing, thinking and choosing which constitutes our “I.” Hofstadter posits a scale based on the degree to which an entity can generate stories of self which he calls soul. The scale is normalized to humans, so humans are at 100% soul and mosquitos, with virtually no ability to create stories of self, have perhaps 0.01% soul. How does this idea fit with the inherent worth and dignity of all beings?
10. How do different racial and economic strategies get applied to different racial groups, often disguised in neutral-sounding yet coded language which pretend to be colorblind while actually having racialized impacts?
11. Five years from now, what difference would you see in your community if a highly effective widely...
drawn coalition worked together for intersectional social justice? What existing groups might come
together to form the coalition?

Courageous conversations, reflection, and action can foster our abilities to decenter whiteness and
other positions of power and privilege. Working inside and outside our congregations, we can build
trust by following the leadership and direction of our most vulnerable neighbors.

Possible Congregational/Regional Actions:

Actions can include street protest, advocacy work, resource sharing, local, regional, and national
campaigns, letter-writing, community asset building, and more. The key is organizing with strategic
accountability while building sustainable communities of resistance. Intersectional solutions should
be sought which emerge from the complex web of our interrelatedness, rather than from the fallacy
that justice is a zero-sum game. This work could happen in the areas of environmental racism, mass
incarceration and police brutality, reproductive freedom, immigration, access to quality health, food, and
education systems, animal wellbeing, and more. For example:

1. Provide ongoing training and education in antiracism and anti-oppression on a multi- and inter-
generational basis to all who wish to deepen their understanding of the impacts of intersectional
white supremacy and intersectional human supremacy.

2. Build local relationships with people of color and other oppressed people, inside and outside
our congregations, so that agendas and strategies for social justice efforts respond to the real
vulnerabilities they face.

3. Educate congregations and regions about intersectional justice, including the historically
disproportionate impacts of pollution and climate change on people of color, economically
disenfranchised communities, and nonhuman species.

4. Mobilize UUs to participate in community organizing that is guided by accountable partnerships.

5. Work to understand and dismantle white supremacy culture in the environmental movement and
other organizations charged with protecting the web of life.

6. Study the overlapping impacts of global climate change and white supremacy in current climate
disasters and governmental response and rebuilding, and the impacts of nonhuman individuals in
those communities.

7. Learn about the economic, environmental, cultural, and spiritual impacts of separating first nations
peoples from their traditional lands.

8. Host a compassionate potluck to invite discussion about the challenges and celebrations of our
relationships with other species, the humans who labor to provide our food, and the economic and
social forces that shape those processes.
The UUA’s bylaws were first drafted in the 1960s and continue to carry the biases and limitations of the times when they were first written. Historically, the UUA was organized as a nonprofit corporation modeled on the New England businesses that emphasized fiscal conservatism and prudence. We need our bylaws to reflect the faith community we are and that we want to be: adaptive, creative, flexible, and grounded in relationships and linkage, while striving toward being anti-oppressive, anti-racist and multicultural. Currently, our bylaws are not accessible, are rooted in distrust of authority, and do not anticipate the speed of communication with modern technology. As we move into the future, let us strive for a smaller set of bylaws that can liberate our leaders and members to do faithful, sustaining ministry. To that end, this year we are proposing bylaws changes that are necessary for our faith to reimagine what our leadership and governance model could become. This is just the beginning and we will continue our conversations in the years to come.

This proposed amendment was placed on the agenda by the Board of Trustees.
The Mini-Assembly for this item is Thursday at 1:30 p.m. in 2215 A.

Section 4.12. UUA Statements of Conscience.
The purpose of the Congregational Study/Action Process is to provide the member congregations of the Association with an opportunity to mobilize energy, ideas, and resources around a common issue. The end result will be a deeper understanding of our religious position on the issue, a clear statement of Association policy as expressed in a Statement of Conscience, and a greater capacity for the congregations to take effective action. The process for adoption of UUA Statements of Conscience shall be as follows:

(a) First Cycle Year
(1) Each member congregation or covenanting community [, district, and sponsored organization (as designated by the Board of Trustees),] may submit to the Commission on Social Witness by October 1 in the year preceding a General Assembly one proposed Congregational Study/Action Issue, such proposed Congregational Study/Action Issue to be approved at a duly called meeting of its members or its governing board at which a quorum is present. This commences the process of a three [four] year UUA Statement of Conscience cycle (“the Cycle”). A Cycle year ends at the close of General Assembly.

(2) The Commission on Social Witness shall by November 1 of that year submit to the Board of Trustees for inclusion on the Tentative Agenda of the regular General Assembly not more than ten proposed Congregational Study/Action Issues, each of which shall be based in whole or in part on the issues submitted to it as described in the previous subsection. The Commission on Social Witness shall verify with the proposing congregation or sponsored organization that the proposed Study/Action Issue reflects the intent of the proposer prior to being included in the poll ballot. The ten proposed Congregational Study/Action Issues shall be included for approval by the congregations on the Congregational Poll ballot, such ballot to be available and congregations notified of its availability by November 15 of the same year. Congregational Poll ballots concerning the proposed Congregational Study/Action Issue shall be due by February 1 of the following year (the first Cycle year).]

(3) For the proposed Congregational Study/Action Issue to be placed on the Final Agenda of the General Assembly, twenty-five percent (25%) of all certified congregations must participate in the ballot vote concerning the proposed Congregational Study/Action Issues.

(4) The proposed Congregational Study/Action Issue shall be ranked in the order of the votes received in the Congregational Poll. The Study/Action Issues receiving the most votes (not to exceed five in number) shall be submitted to the General Assembly as follows:

(5) Each of the Proposed Congregational Study/Action Issues shall be presented to the General Assembly by a delegate, and one such proposed Congregational Study/Action Issue shall be referred for study by virtue of having received the highest number of votes
PROPOSED BYLAW AMENDMENTS

among all proposed Congregational Study/Action votes cast by the General Assembly; provided, however, that if no proposed Congregational Study/Action Issue receives a majority of the votes cast, then a second vote shall be taken between the two issues receiving the highest number of votes cast in the initial election.

(ii) After one Congregational Study/Action Issue has been referred for study in accordance with (i), above, the UUA staff shall conduct a workshop to discuss processes for study and action on the selected issue. By November 1 following the General Assembly, the UUA staff shall have developed a resource guide pertaining to the Congregational Study/Action Issue selected by the General Assembly. The resource guide shall be made available and congregations notified of its availability.

(5) If a UUA Statement of Conscience has been adopted in the previous year, the regular meeting of the General Assembly shall also conduct workshops on the implementation of such UUA Statement of Conscience.

[(6)(4) If no proposed Congregation Study/Action Issues are on the Final Agenda in the first Cycle year, or if no Congregational Study/Action Issue is referred for study by the General Assembly, then following the regular meeting of the General Assembly, the Cycle shall begin again as set forth in this subsection.

(b) Second Cycle Year

(1) Member congregations shall submit by not later than March 1 of the second Cycle year comments regarding the Congregational Study/Action Issue and the related resource guide to the Commission on Social Witness.

(2) During the meeting of the General Assembly in the second Cycle year the Commission on Social Witness shall conduct workshops on the Congregational Study/Action Issue.

(c) Third Cycle Year

(1) [Member congregations shall submit by not later than March 1 of the third Cycle year comments regarding the Congregational Study/Action Issue and the related resource guide to the Commission on Social Witness.]

(2) [During the General Assembly in the third Cycle year, the Commission on Social Witness shall conduct workshops on the Congregational Study/Action Issue.]

Following the General Assembly, the Commission on Social Witness shall then compose a draft UUA Statement of Conscience.

(3) The draft UUA Statement of Conscience, [a draft Statement of Conscience congregational comment form,] and a ballot to place the draft UUA Statement of Conscience on the Final Agenda during General Assembly in the third Cycle year shall be included in the Congregational Poll,

[4] to be made available and congregations notified of its availability by November 15, following the General Assembly. Notice of the availability of these items shall be given to the congregations. Congregational Poll ballots and the congregational comment forms concerning the draft UUA Statement of Conscience shall be due by February 1 of the following year (the fourth Cycle year).

(4) The Commission on Social Witness shall then prepare a revised draft of the UUA Statement of Conscience taking into consideration comments received by the member congregations and place this revised draft of the UUA Statement of Conscience on the Final Agenda.

(5) For a draft UUA Statement of Conscience to be placed on the Final Agenda of the General Assembly, twenty-five percent (25%) of all certified congregations must participate in the ballot vote concerning such draft UUA Statement of Conscience.

(d) Fourth Cycle Year]

[(1)(2) If the draft UUA Statement of Conscience is placed on the Final Agenda for the next regular meeting of the General Assembly, then the next General Assembly must debate and vote on the proposed UUA Statement of Conscience. Adoption of the UUA
Statement of Conscience shall require a two-thirds vote.

[(2)](3) If (a[i]) the proposed UUA Statement of Conscience is not placed on the Final Agenda for the next regular meeting of the General Assembly; or (b[iii]) the General Assembly chooses, by a two-thirds vote, to refer the proposed UUA Statement of Conscience to the Commission on Social Witness for one additional year of study/action, then the Commission of Social Witness shall continue the study and revision of the proposed UUA Statement of Conscience for one more year. The revised UUA Statement of Conscience may be placed on the Final Agenda for the next regular meeting of the General Assembly pursuant to subsection[s] (b) [(c)(3), (c)(4) and (c)(5)] above. If by the regular meeting of the General Assembly following the additional year the Commission on Social Witness has been unable to find support to generate an acceptable UUA Statement of Conscience, the Congregational Study/Action Issue may be placed on the Final Agenda with a proposal to drop such Congregational Study/Action Issue.

[(3)](4) Following the regular meeting of the General Assembly in the third [fourth] Cycle year, the Cycle shall begin again as set forth in Section 4.12(a) above.

[(e) The Cycle may begin again, as set forth in Section 4.12(a), only after the General Assembly in the second Cycle year of a Congregational Study/Action Issue, and as provided in Sections 4.12(a)(6) and 4.12(d)(3).]

Section 4.16. Additions to the Agenda of Regular General Assemblies.

(a) Non-substantive items related to greetings and similar matters may be admitted to the agenda by a regular General Assembly.

(b) [Prior to 2018, there will be no General Assembly Actions of Immediate Witness on the agenda.

(c)] (1) A General Assembly Action of Immediate Witness is one concerned with a significant action, event or development, the timing or specificity of which makes it inappropriate to be addressed by a UUA Statement of Conscience pursuant to the Study/Action process.

(2) No more than three General Assembly Actions of Immediate Witness may be admitted to the agenda of a regular General Assembly.

(3) [A petition to admit an Action of Immediate Witness to the agenda must be submitted by a delegate and signed by 150 delegates from at least 25 congregations. If six petitions or fewer are received, all petitions received that have the requisite level of delegate and congregation support are eligible to be considered for possible admission to the agenda. In the event more than six petitions are submitted that satisfy the sponsorship requirement, the Commission on Social Witness shall select six from among those which meet the criteria for a General Assembly Action of Immediate Witness, and shall submit those six actions to the agenda of the General Assembly for possible admission. The Commission on Social Witness shall prepare summaries of no more than six petitions and present those summaries to the General Assembly for a vote to rank the petitions in order of delegate support. The three petitions receiving the most votes are eligible for admission to the agenda. If there are submitted three or fewer petitions meeting the criteria for a General Assembly Action of Immediate Witness, each of the petitions is eligible for admission to the agenda.

(4) The motion to admit each General Assembly Action of Immediate Witness ruled eligible is not debatable, but an opportunity for a two-minute statement of advocacy to the General Assembly for each eligible action by one of its sponsors prior to any such motion shall be provided. Admission of a General Assembly Action of Immediate Witness shall be by a two-thirds vote.

(5) During the General Assembly, a mini-assembly shall be held during which each admitted action shall be discussed and amendments shall be accepted in writing. All such amendments shall be made available in writing to the General Assembly. The Commission on Social Witness shall finalize each General Assembly Action of Immediate Witness, and the chairperson of the Commission on Social Witness, in
consultation with the moderator of the General Assembly, the parliamentarian, and legal counsel, shall prioritize unincorporated amendments for consideration by the General Assembly.

(6) [Adoption] Affirmation of a General Assembly Action of Immediate Witness shall be by a two-thirds vote.

(7) Actions submitted pursuant to this Section 4.16(c)(b) must be in writing and filed with the Chair of the Commission on Social Witness or the Commission’s designee by the deadline established by the Commission and announced at the opening session of the General Assembly.

(d) Responsive Resolutions may be admitted to the agenda of a regular General Assembly and acted upon.

1. A Responsive Resolution is a resolution made in response to a substantive portion of a report by an officer or committee reporting to a regular General Assembly.

2. [Adoption] Affirmation of a Responsive Resolution shall be by two-thirds vote.

8. CO-MODERATOR ROLES

This proposed amendment was placed on the agenda by the Board of Trustees. The Mini-Assembly for this item is Friday at 11:15 a.m. in 2215 A.

Section 8.8. Moderator.

(a) The Moderator shall preside at General Assemblies and meetings of the Board of Trustees and the Executive Committee. The Moderator shall represent the Association on special occasions and shall assist in promoting its welfare. The Moderator shall serve as Chief Governance Officer of the Association.

(b) As used in these Bylaws, the term “Moderator” may refer to a single individual, or to multiple individuals, serving in the position, even though the word “Moderator” may appear in the singular form of the word.

Section 9.11. Counting of Ballots.

(a) For the position of President, Moderator, Financial Advisor, or Trustee. If there are no more than two duly nominated candidates for a position, the candidate receiving the greater number of votes is elected; provided, however, that (i) in construing the foregoing with respect to Trustee positions, each Trustee position number shall be considered a separate elective position; and (ii) in construing this section, a duly nominated candidate for the position of Moderator may consist of more than one person. If there are more than two duly nominated candidates for a position, the ballot shall be designed to permit the designation of first, second, third, etc., choice. If no candidate receives a majority of the first-choice votes cast, the candidate receiving the lowest first-choice vote shall be eliminated and the ballots cast for such candidate shall be redistributed in accordance with the second choice indicated thereon. This process shall be repeated until one candidate receives a majority of all votes cast or until only two candidates remain, at which time the one receiving the greater number of votes is elected.

9. DISTRICT/REGION UPDATES

This proposed amendment was placed on the agenda by the Board of Trustees. The Mini-Assembly for this item is Thursday at 1:30 p.m. in 2215 A.

Section 4.4. Special General Assembly.
