

Dear NNED Congregational Presidents, Ministers, and other leaders:

First, of course, Happy New Year from your NNED Board. Second, please be sure this email and the two attachments – the congregational survey and answer sheet -- get to your congregational president right away.

Your NNED Board is praying this survey will be on your January Board agenda (February at the latest). Your participation is very important to our understanding whether and how dissolution of our District into our New England Region might work to support our congregations.

Your responses will help us work with our UUA staff and our Regional staff to find best solutions should our congregations vote to dissolve the Northern New England District.

As your NNED Board researcher and a retired UU minister, I couldn't figure out how to turn this survey into a survey monkey for easiest response.

So I'm hoping this is the next best thing: two attachments; one the survey questions and the other the answer sheet. The questionnaire is PDF, but the answer sheet can be filled in on line and returned by email or, can be printed and filled in and sent by US mailed (or scanned and emailed). Instructions on where to send it are on the answer sheet. If you have any questions, please email or call me (see below)

Thank you very much for your wisdom, concerns, and general input to this very important process for us all, and for our participation in our faith.

All my best wishes for the New Year, Olivia
