Your New England Region UUA Staff

Contact Us to Talk About:

- * innovation & growth
- * justice ministries, anti-racism
- * staffing & ministerial transitions
- * navigating conflict, right relations
- * mission, vision & planning
- * faith formation for all
- * congregational collaborations
- * small congregation support
- * stewardship & fundraising
- * safe congregations guidance
- * board & staff retreats
- * questions, ideas, stories
- * learning events, trainings, workshops, webinars

"Conversation is the currency of change. What we invite people to talk about, to think about, to pray about, determines the path that we will follow into the future."

Gil Rendle, *Doing the Math of Mission*

We support 234 Unitarian Universalist congregations in the six New England states — 76% used our services last year.

We thank all congregations whose generous contributions to our UUA Annual Program Fund and New England Region make our support and expertise available. Together we bring more love and justice to the world.
