[The Future of Adult Faith Formation 2015 National Symposium](#)

From October 1-3, 2015 over 100 faith formation leaders from across the U.S. and Canada (including Gail Forsyth-Vail, Adult Programs Director of the UUA's Faith Development Office) gathered in Connecticut to explore the future of adult faith formation at a symposium convened by LifelongFaith Associates. The participants were guided through a scenario planning process to create four scenarios for the future of adult faith formation in congregations and to design strategies for using the scenarios to design new initiatives and projects in adult faith formation. On this webpage you will find:

1. [Summary Report of the Symposium](#) - presents the four scenarios with strategies
2. [A Guide to Envisioning the Future of Adult Faith Formation](#) - presents the four scenarios with strategies for using the scenarios in designing adult faith formation.
3. **Facilitating an Adult Faith Formation Scenario Process** - provides the Symposium process in a PowerPoint presentation that you can use to facilitate an adult faith formation symposium process in your faith community or denomination, as well as a guide to developing scenarios and examples of the scenario process in action, including the Faith Formation 2020 scenario planning process.
4. [Symposium Documents](#) - provides all of the reports from work of the Symposium
