

# WANTED: UU-UNO Spring Seminar Chaplains!

Are you looking for an exciting leadership experience? Are you passionate about human rights and creating meaningful community? Do you want to go to Spring Seminar for free?

Applications are now being accepted for YOUTH and ADULT CHAPLAIN positions on the 2018 Spring Seminar staff.

The Seminar Youth Deans are seeking passionate, enthusiastic, creative youth and adults to serve as Chaplains to create a welcoming, inclusive, and inspiring Spring Seminar this coming April in New York, NY.

The Unitarian Universalist United Nations Office's Intergenerational Spring Seminar is a 3-day gathering of committed youth and adults from all over North America. Through workshops, peer and expert-led panel discussions, community building activities, keynote speeches, and worship services, participants undergo a transformative process of learning, reflection, and growth as we explore some of the most challenging issues facing humanity today. This year's theme will be on **gender equity** – exploring the multifaceted nature of gender and how working towards gender equity will create a more peaceful, just, and liberated world community.

All UU youth and adults are encouraged to apply. You do not need to have attended a previous Spring Seminar. Read on for more information about the position, including the responsibilities and application requirements.

Applications are being accepted through October 22nd. This application can be found online at: [www.uua.org/unspringseminar](http://www.uua.org/unspringseminar)

## Position Description

Spring Seminar staff will attend bi-weekly planning phone calls/video conferences and attend in person the Spring Seminar April 10-13, 2019. Applicants must be able to commit to these dates. Chaplains will be expected to be in close communication with the rest of the staff, the Deans, and the Unitarian Universalist United Nations Office.

Chaplains should be excellent listeners, comfortable with one-on-one situations, and able to also step back and observe community energy as a whole. They should be a calm, non-anxious presence. Counseling, mediation or previous chaplain experience or training should be noted on your application and is strongly preferred. Adult may also note any ministerial training, CPE experience or other pastoral care training.

It is helpful if the applicant has an understanding of cultural misappropriation and, if not, is willing to learn about misappropriation in a worship context. Please explain your understanding and experience with this concept in your application.
