

Motion to Endorse UU White Supremacy Teach In

4/3/2017

The Board of the Unitarian Universalist Association endorses and encourages our member congregations and communities to support and participate in the UU White Supremacy Teach In. This call to action and worship comes from a growing network of UUs – religious professionals and lay leaders from both within and outside congregations – led by UUs of color and white UUs working together. Congregations are committing to discuss the realities of racism and white supremacy in our congregations, in our Association, and in our faith on April 30th or May 7th (or an upcoming Sunday.) We support this movement and encourage your participation. Learn more and sign up at <http://www.blacklivesuu.com/uuwhitesupremacyteachin/>.
